Dear Dr Singh

2023/01 MRCP(UK) Part 2 Written Examination

We are writing on behalf of the three Royal Colleges of Physicians of the United Kingdom to congratulate you on your success in the 2023/01 MRCP(UK) Part 2 Written Examination.

Name: Dr Renisha Singh
Code Number: 609345
Exam Number: 6325

Examination Result: PASS
Examination Scaled Score Overall: 568.00
Examination Pass Mark: 454.00

In April 2010, equating was introduced for the MRCP(UK) Part 2 Written Examination, following a successful implementation of equating in the MRCP(UK) Part 1 Examination in 2008/3. The pass mark and your overall score are now expressed as a number between 0 and 999, which takes into account the number of questions a candidate answers correctly and the relative difficulty of the examination. A breakdown of your performance appears on the attached sheet. We hope that this information is of interest to you. Please note that these categories are for indicative purposes only and do not represent absolute classifications.

Your 7-year MRCP(UK) eligibility period expires on 18/05/2029. You have until that date to pass the MRCP(UK) Part 2 Clinical Examination (PACES) in order to be awarded the MRCP(UK) qualification.

To be able to apply your clinical knowledge and demonstrate your clinical skills across the broad range of cases, before you attempt the PACES Examination it is recommended that you have completed two years' experience, including at least four months in medical specialties or medical sub-specialties, following the award of your primary medical degree.

If you are not able to complete the MRCP(UK) Part 2 Clinical Examination (PACES) before your eligibility period expires you will have to apply to re-sit the MRCP(UK) Part 1 Examination. The number of attempts allowed for each MRCP(UK) examination is limited to six, however, you may be able to apply for an additional attempt with the support of your educational supervisor.

Please see our website www.mrcpuk.org for application forms, information on future examination dates and application periods.

Yours sincerely
