Brief Report on Curriculum Implementation Support Program in Medical Education Technology

The Medical Education Unit of Santosh Medical College organised its **First Curriculum Implementation Support Program in Medical Education Technology from 5th September to 7th september 2019**, under the aegis of our Regional Centre, MAMC, New Delhi. Dr Sreenivas M, Convener, Department of Medical Education, MAMC was the MCI Observer for the workshop.

The curriculum committee members (**Dr. Dakshina Bisht- Dept of Microbiology, Dr. Alka Agarwal- Dept. of Paediatrics, Dr. Yogesh Yadav- Dept. of Anatomy, Dr Shalabh Gupta-, Dept. of Surgery, Dr Virender Kumar Chokker- Dept. of Forensic Medicine**) successfully completed the CISP workshop as resource faculty. There were 18 sessions in the CISP programme covering all the topics as per the format of the Medical Council of India. The three day schedule was distributed to all faculty members.

Faculty from Preclinical, Parclinical, Medicine & allied and surgery & allied branches were selected prior to the workshop 28 Faculty members who were registered attended the workshop. The participants were divided in to six groups for various activities.

The focus of the academic program began by **Dr. Dakshina Bisht**, MEU Coordinator, who briefed all the participants **about the three days** workshop and stressed upon the importance of competency based medical education (CBME). All the sessions were highly informative and appreciated by the participants and the MCI Observer keenly gave his expertise and shared teaching learning experience with the participants. The participants especially enthusiastically worked on the group activities which involved roles plays small group discussions etc. The group activities were planned in such a manner that linking of the goals to competency based education, along with specific learning objectives, teaching learning methods and assessment was achieved.

At the end of the **third day, Valedictory function** was organized with our Vice chancellor, **Dr. Tripta Bhagat**, Dean **Dr. Gajender Kumar Gupta**, and MCI Observer, **Dr. Sreenivas M**, each of them addressing the gathering. Participants were invited to share their experiences. At the end certificates were distributed to all the participants and the facilitators and the program concluded with the vote of thanks proposed by the coordinator MEU and group photograph.
