Brief Report on Outcome Based Education Workshop in Medical Education Technology

The Medical Education Unit of Santosh Medical College organised a hands on workshop on Outcome Based Education **in Medical Education Technology on 5th October 2021.**

Faculty from Medical & Dental College of Santosh Deemed to be University were invited to participate in the workshop. Dr Ashutosh, Dr Mayurika, Dr Natasha and Dr Mayank participated in the workshop.

The focus of the academic program began by **Dr. Dakshina Bisht**, MEU Coordinator, who highlighted the need for the workshop which was planned for attainment of PO and Cos and the assessment of learning outcomes There were 2 sessions taken covering the topics in an 3 hour schedule which included hands on training that was shared to the faculty members along with related resource material.

The program was conducted in sync with Internal Quality Assurance Cell of the University. OBE revolves around the educational system goals (outcomes) and by the end of the educational experience each student should have attained the expected outcome. The methodology was presented in a presentation and the faculty worked around with the details for their respective departments. It was also discussed that more such workshops should be done for all the faculty of the Departments so that they can work to achieve the goals.

Workshop on Attainment of PO and CO for Medical and Dental Faculty
