A history of raising the **BENCHMARK OF PERFECTIONS**

Year ago adversity gave birth to this very dream in the tender mind of a boy, when he lost his father to bad medical facilities. Nurturing a dream where ordinary people will have access to extraordinary benefits of medical science. Surmounting all odds this boy grew up to be Dr. Paramshivam Mahalingam, the personal physician of then Chief Minister of Tamil Nadu and Bharat Ratna Dr. M.G Ramachandran.

With his blessings the journey began way back in 1990 when the long nurtured dream of Dr. P Mahalingam started its tumultuous journey with the establishment of Santosh Hospital in Chennai. The hospital soon became a revered name in the region of providing cutting-edge medical service to the rich & poor alike.

Our **Vision**

To become a global leader in providing Medical Education and Medical services to humanity with prejudice.

A true **VISIONARY** FOUNDER CHAIRMAN

Dr. P Mahalingam

MD (Gen. Medicine)
DM (Cardiology)

As a true visionary, Dr. P. Mahalingam was never complacent with the accolades and laurels he earned. Rather he was driven by the zeal to do more by establishing the Medical, Dental, Paramedical, and Nursing Colleges. His unquenchable thirst to provide quality education led to the formation of Santosh Deemed to be University. With the main thrust on Research and Innovation in the field of Health Sciences, Santosh Deemed to be University became a model institution with unique values.

During this eventful journey, Dr. P Mahalingam was conferred numerous honors and awards including "Citation by the Senate of the State of Wisconsin" and "Award of Appreciation by the Indo- American Chamber of Commerce USA".

Collaborations

Collaborations between Institutions are beneficial to seek the possibilities by forming global partnerships and fostering relationships with other institutions. The number of students choosing to study internationally is constantly increasing and hence it is only logical that Universities would want to increase internationalization and attract applicants from across the globe as they help student recruitment.

For most students it is an opportunity to travel internationally via any exchange programs at partnered Universities and to better understand the culture of other nations. International collaboration programs help providing students the ability to study, work and travel in an international capacity.

Santosh Deemed to be University is an educational hub and invests in cross cultural University partnerships. This helps to propagate academics, research, and health care needs of the society. As a result of the expansion of communication methods academics and researchers are finding it easier than ever to collaborate with their other organisations in making the exchange of academic ideas much simpler to organize as sharing of experience is essential for both academic and scientific accomplishment.

Some of the partnerships that have contributed endlessly to our academic and scientific progress includes the UNESCO Chair in Bioethics, Haifa, Centre for Disaster and Emergency Preparedness and Touch Life foundation,, Shibli Academy of Health and Skill Sciences Insignia Clinical Service Pvt. Ltd, Association of Surgeons of India, Society Of Critical Care and Emergency Medicine, Every Infant Matters Association to name a few and various other associations and institutions.

Community service is an integral part of the University for which our community outreach and service activities form an integral part of most of our learning experiences. Health awareness programs, health camps, school health programmes, dental camps and other outreach programmes are regularly held. with institutions and villages adopted by our University.

Hostel

The hostel is another home for the students. The University provides rooms with an attached bathroom to the students with separate areas of residence for Male and Female.
