”

## THE MOST PRESTIGIOUS INSTITUTE FOR MEDICAL & DENTAL EDUCATION

The university has been offering an MBBS course since 1995, with total intake of around 100 MBBS, 100 BDS, 172 Post Graduate seats per year

NAAC Accredited

State-of-Art Trauma Center

25 Years of Legacy

Most Approachable Location

800+ Bedded Teaching Hospital

Student Centric Curriculum

Problem Based Learning

In the same manner, Santosh Dental College started in 1995 with an aim of imparting a higher-level education in dentistry. Initially, the institution offered a foundation course in BDS since 1996 by accepting 40 students annually. But the number was later increased and went up to 100 per year after 2005. It has now become the best university for higher medical education.

## Institution fostering a triple mission of **EDUCATION, RESEARCH & SERVICES**

In tune with its triple mission of providing higher learning in medical education, service, and research, Santosh Group of Institutions under its aegis includes the Santosh Deemed to be University, Santosh College of Allied Health Sciences, and Santosh Hospitals.

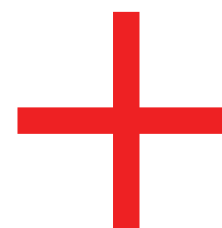

Sprawled across 100 acres of prime land on the National Highway 24, on the outskirts of NCR Delhi; Santosh Group of Institutions is located at No.1, Santosh Nagar, Ghaziabad. Easily accessible by rail, road, and air, it is only 20 km from India Gate, 2km from the nearest railway station in Ghaziabad, and 30km from the Indira Gandhi International Airport. Well connected with National Highest Elevated road, eastern peripheral road, metro, etc.

## A history of raising the **BENCHMARK OF PERFECTIONS**

Year ago adversity gave birth to this very dream in the tender mind of a boy, when he lost his father to bad medical facilities. Nurturing a dream where ordinary people will have access to extraordinary benefits of medical science. Surmounting all odds this boy grew up to be Dr. Paramshivam Mahalingam, the personal physician of then Chief Minister of Tamil Nadu and Bharat Ratna Dr. M.G Ramachandran.

With his blessings the journey began way back in 1990 when the long nurtured dream of Dr. P Mahalingam started its tumultuous journey with the establishment of Santosh Hospital in Chennai. The hospital soon became a revered name in the region of providing cutting-edge medical service to the rich & poor alike.

### Our Vision

To become a global leader in providing Medical Education and Medical services to humanity with prejudice.

# A true **VISIONARY** FOUNDER CHAIRMAN

## Dr. P Mahalingam

MD (Gen. Medicine)  
DM (Cardiology)

As a true visionary, Dr. P. Mahalingam was never complacent with the accolades and laurels he earned. Rather he was driven by the zeal to do more by establishing the Medical, Dental, Paramedical, and Nursing Colleges. His unquenchable thirst to provide quality education led to the formation of Santosh Deemed to be University. With the main thrust on Research and Innovation in the field of Health Sciences, Santosh Deemed to be University became a model institution with unique values.

During this eventful journey, Dr. P Mahalingam was conferred numerous honors and awards including "Citation by the Senate of the State of Wisconsin" and "Award of Appreciation by the Indo- American Chamber of Commerce USA".

## Dr. Manoj Goyal

CHANCELLOR

We are on threshold of completing, yet another landmark year in the history of "Santosh ". As we approach "2020", we are going to enter in our Silver jubilee year with 25 years of glory, excellence in the field of Medical education, Health care services & Research. The vision for next milestone is to fortify our existing infrastructure, Eco-friendly Green campus with prime focus on energy conservation, optimal use of resources, judicious use of technology thereby enhancing our performance and capacity building. In the pursuit we will have Dynamic curriculum, based on national needs and global trends with emphasis on bringing innovation, critical thinking, faculty development programme, staff welfare initiatives there by promoting Translational research for a productive & memorable experience for our students, faculty and staff in this silver jubilee year of Santosh.

### Dr. Tripta S Bhagat

It is a privilege for me to welcome you to Santosh Deemed to be University. The University has established itself to impart and facilitate the development of competent medical & dental professionals for providing health services nationally and internationally in their respective disciplines and feel responsible in areas of education, health care and research. Our University offers an exhilarating rewarding experience for every student with enormous opportunities to nurture their talent for Healthcare Industry and become competent to serve the society community nationally as well as internationally.

We at Santosh University provide facilities, ambience, and exceptional infrastructure for both scholastic and extra-curricular activities and excellent teaching learning environment.

### Mr. V P Gupta

REGISTRAR

I, with immense pleasure, welcome you to the Santosh Deemed to be University, Ghaziabad, NCR Delhi where your journey starts towards an important goal to become a good Doctor to serve humanity. Santosh Deemed to be University - Ghaziabad serves as a unique institution delivering quality medical / dental education and services with a smile. Several institutions function under the auspices of Santosh Deemed to be University providing excellent academic and infrastructural facilities.

Santosh Medical & Dental College Hospitals which was established in 1995 has played a crucial role in setting high standards of excellence in Medical Education and ethical practices in a short span of 25 years. We look forward in providing 'quality based globally acceptable medical education' which is affordable & accessible to produce health care providers with humane touch.

### Dr. Gajendra Kumar Gupta

DEAN, MEDICAL

It gives me immense pleasure in welcoming you all to Santosh Deemed to be University. The University has established itself as a professional institution in imparting not only quality education under a congenial atmosphere, but also to sensitize our students towards environmental & gender issues. It has renowned faculty from reputed Medical colleges throughout India. It also has a supporting atmosphere for extracurricular activities especially outdoor sports & Yoga. Here, we at the University believe in developing & nurturing healthy professionals who can contribute towards sustainable Development Goals of India.

### Dr. Akshaya Bhargava

DEAN, DENTAL

For decades, this college of dentistry has been recognized as one of the nation's leading centers of dental education, Oral Health research and patient care.

I believe that our education mission is one of the most advanced and comprehensive in the nation. We brain a diverse student body in a challenging learning environment informed by cutting-edge scholarship, with a faculty of unsurpassed quality and reputation. A rising focus on inter-professional education means that our student gains a better appreciation of how oral health relates to overall health. We seek to foster an environment of mutual respect with objectivity, imaginative inquiry through lifelong learning and the free exchange of ideas. Personal development, Professionalism and the highest ethical standards are foundational elements of our mission.

## Dr. Jyoti Batra

DEAN RESEARCH

The nature of research activity in a medical university defines the intellectual climate of the institution. Experimental investigation of the mechanisms and consequences of human disease and trauma provides insight for developing novel strategies to maintain wellness and treat sickness.

The role of Research Unit of Santosh Deemed to be University is to drive strategy that supports individual scientists and research staff with their facilities and administrative needs. To facilitate this vision, Santosh deemed to be university provides research support in terms of academic databases. A professional development fund and Academic Research Grant enables faculty to pursue quality research. An attractive reward system is in place to encourage quality publications.

## Dr. Dakshina Bisht

IQAC DIRECTOR

Our focus is to offer an environment where you will become leading practitioners in Medicine who choose to make a difference in the lives of others. To enable this, we create a collaborative culture where faculty, staff and students can push their limits, explore new possibilities and raise their knowledge and skills to new and higher levels.

We believe we pursue academic excellence and intellectual diversity in an environment where we can all come together for Interdisciplinary accomplishment working through an ever-evolving, innovative and rigorous curriculum of new knowledge. Our programs focus on best practices in patient care, delivered through innovative teaching strategies and state of the art facilities ensuring a seamless transition from basic to clinical science applications. Our committed and experienced faculty and staff will help you shape your mind & develop your abilities.

## Dr. Alpana Agrawal

## DENTAL COLLEGE

### A center of excellence Santosh Dental College imparts Real-Life, Experience-Based Teaching

The government of India, under Section 10A (4) of the Dentists Act 1948, granted permission to start the BDS course with an intake of 40 students from the academic session 1995-96 in Santosh Dental College, Ghaziabad. Initially, the course started with 40 students. The Central Government granted permission for increasing the student capacity from 40 to 100 from the batch of 2004-2005. The students are given a complete understanding of the biological and physical processes of oral health care. They learn the skills associated with the prevention, diagnosis, and treatment of diseases related to the oral cavity.

The students learn to serve society by improving the dental and oral health of individuals. The associated dental hospital provides special dental care in pediatrics and oral surgery.
