Subject: SHORT TERM RESEARCH PROJECTS: FINANCIAL ASSISTANCE SCHEME – 2020-2021

To: jaggarwal38@gmail.com <jaggarwal38@gmail.com>

Dear Dr. Juhi,

We are pleased to inform you that your research project titled **“A comparative study on nutritional status, hematological & biochemical parameters among elderly population with & without pulmonary tuberculosis in a tertiary health care hospital in Ghaziabad dist, India”** has been approved for grant of financial assistance of Rs.30,000/-(Rupees Thirty Thousand Only).

You may send your consent to undertake the Research Project. If you have not forwarded the proposal through proper channel, may please submit the permission of the Head of the Department/Institution where you intend to conduct the research. Only on receipt of your consent and “No Objection Certificate” from the competent authority, the financial assistance will be released.

With good wishes,

(Subhash Chand Khatri)
Secretary General

Dr Saurabh Gupta <saurabh.suresearch@gmail.com>
To: "Dr. Juhi Aggarwal" <jaggarwal38@gmail.com>

Phase III Clinical Study_For Chronic Spontaneous Urticaria

2 messages

Kartik Sahni <kartik.sahni@insigniacs.com>

Tue, Nov 3, 2020 at 3:25 PM

To: triptavinay@yahoo.co.in, jyoti batra <drjyotibatra89@gmail.com>, dean.research@santosh.ac.in
 Cc: CLINICAL OPERATIONS - ICS <clinical.operations@insigniacs.com>

Dear Mam

As discussed, pursuant to our MoU we wish to initiate the following study at Santosh Hospital:

Specifications	Study No.: ICS/SYN/2020-001
Phase	III
Participants (N)	220
Indication	Chronic Spontaneous Urticaria
Specialty	Dermatology
Treatment Duration (Days)	28
No. of Visits	4
Hospital & Doctor Charges (Per Patient)	2000
Total Charges (All study completers)	2000 X 220 = 440,000
Lab & Clinical Investigation Charges (Per Completed Patient)	2000
List of Investigations	<ul style="list-style-type: none"> • CBC x 2 • Sr. Creatinine x 2 • LFT (SGOT, SGPT, Total Bilirubin) x 2 • UPT x 1 • ECG x 2 • HbA1C x 1 • RFT (eGFR) x 2
Total Charges for Study Lab & Radiological Investigations	1600 x 220 = 352,000
Total Study Budget (Hospital, Doctor + Lab Charges)	INR 7,92,000/-

The protocol synopsis is attached herewith. Request you to kindly advise on the below points:

1. Name and details of the investigator who will participate in the study
2. Confidentiality agreement to be signed by the investigator, template attached
3. Draft of the clinical trial agreement is attached.

Based upon the confirmation of names and details of the investigator, our team will contact the investigator and start the next steps to file for EC approval and study initiation at Santosh.

Regards

Kartik

Subject: Dermatology Study Payment Due to SMCH as on 30 April 2021

To: dean research <dean.research@santosh.ac.in>

Dear Mam

Pl. find below status update on patient numbers at SMCH for Dermatology Study under Dr. V.K. Garg alongwith details of payment due to each party:

A.	Total Per patient cost	INR 3600/-
B.	PI Charges	1000/-
C.	Institution Charges	1000/-
D.	Lab. Charges	1600/-
E.	Total No. of Patients Enrolled	60
F.	Completed	53
G.	Drop-outs	7
H.	Payment for Completers to PI	53 x 1000 = INR 53,000/-
I.	Payment for Completers to Institution	53 x 1000 = INR 53,000/-
J.	Payment for Completers to Lab. Charges	53 x 1600 = INR 84,800/-
K.	Payment for Drop-outs to PI	7 x 500 = INR 3,500/-
L.	Payment for Drop-outs to Institution	7 x 500 = INR 3,500/-
M.	Payment for Drop-outs to Lab.	7 x 800 = INR 5,600/-
Total Payment to PI (H + K)		INR 56,500/-
Total Payment to Institution (I + L)		INR 56,500/-
Total Payment to Lab. Charges (J+M)		INR 90,400/-
Total Study Payment Due till date		INR 2,03,400/-

This is for your information. We are processing the payment transfer for the completed activities till date as per details above. This is for your information.

Regards

Kartik

Clinical Trial Agreement

This Clinical Trial Agreement herein after known as "CTA" has been executed by and between:

Insignia Clinical Services Private Ltd. (ICS), a company incorporated under the laws of India as registered under the Indian Companies Act, 1956 having its business address at Unit No. 512, 5th Floor, Best Sky Tower, Netaji Subhash Place, Pitampura, New Delhi-110034 (hereinafter referred to as **"CRO"**) (which expression unless repugnant to the context includes its associates, administrators, successors in interest and permitted assigns) through _____, who has been authorized by M/s. _____ (hereinafter referred to **"Sponsor"**) to execute this CTA on behalf of CRO and Sponsor.

AND

Santosh Medical College & Hospital i.e. Teaching and Training Hospital at No.1 Road, Ghaziabad- 201001 (U.P) (herein after referred to as **"Institution"**) (which expression unless repugnant to the context includes its associates, administrators, successors in interest and permitted assigns) through _____ who has been authorized to execute this CTA on behalf of Institution.

And

DR.....(hereinafter referred to as the **"Principal Investigator"** or **"PI"**), an **independent consultant / employee** of the Institution located at has been appointed as Principal Investigator for the purpose of conducting clinical trial at Santosh Medical College & Hospital i.e. Teaching and Training Hospital at No.1Road, Ghaziabad- 201001 (U.P)

(hereinafter each referred to as a "Party", and collectively as "Parties")

WHEREAS:

- A. **ICS** is a Delhi-based Contract Research Organization (CRO) providing services primarily in India, directly or through its affiliates, associates, agents and subsidiaries. The major activities conducted by ICS include design, setup and management of clinical studies with human beings for the owners and / or manufacturers of pharmaceutical products, medical devices and food supplements / nutraceuticals.
- B. **Sponsor Name** is a pharmaceutical manufacturing company engaged in manufacturing and distribution of pharmaceutical product and desires to carry out a

clinical trial involving study drug “.....”, according to the protocol entitled_____ (herein after referred to as ‘Study’) incorporated herein by reference as Exhibit A and all subsequent amendments thereto;

- C. **Sponsor Name** has appointed CRO to manage the Study and assist Sponsor with site management services. (For all information/documentation provided by Site/PI to CRO under the Agreement, the CRO shall then provide the same to **Sponsor Name**);
- D. CRO and Institution are related through a **Memorandum of Understanding** dated 19th October 2020 for conduct of such Clinical Studies at the Institution. This agreement will be an extension to the said MOU and will cover specific aspects related to terms and conditions of arrangements between CRO, Institution and Principal Investigator for the purposes of successful execution of Study at the Institution.
- E. The Institution is a medical facility qualified and equipped with adequate resources to undertake the study and the institution and PI have agreed to perform the study on the terms and conditions hereinafter set forth.
- F. The **PI** is a qualified medical practitioner and has been engaged by the institution to participate in the study as an investigator and being responsible to conduct the study, statement issued by institution attached hereto as Exhibit-**E**. PI has agreed to conduct the Study at the Institution only after the prior written approval of **Institutional Review Board / Independent Ethics Committee** (IRB/IEC).

NOW , THEREFORE in consideration of the premises and the mutual promises and covenants express herein the Parties agrees herein:

1. PERFORMANCE OF THE STUDY:

1.1 Compliance with the Agreement: The purpose of this agreement is to conduct the study at the study site of the institution. The protocol has been sponsored by the sponsor and is approved by / or is subject to the approval of the Drug Controller general of India (DCGI) under the Drugs & Cosmetics Act, 1940 including any amendments thereof (hereinafter referred as Drugs & Cosmetics Act. 1940) and / or any other law or rules for the time being in force in India as well as approved by the Ethics Committee (EC). In the event the protocol is amended, such change shall be notified and if required under the law, prior approval of DCGI and/or EC shall be obtained. The institution and the PI agree to perform the study in strict compliance with the protocol and terms and conditions of this agreement including any amendments thereto. The PI shall perform the study at the study site of the institution. Ten Institution and PI further represent, warrant and covenant that the PI is and at all times, during the term of this agreement, shall be (a) in good [professional standing, (b) in possession of all requisite professional licenses, approval and permissions, (c) full

qualified to conduct the study and to act as PI under this agreement, (d) fully experienced and knowledgeable with respect to all matters pertaining to the study and (e) responsible for supervision of all persons who may assist the PI or otherwise be engaged in the Study. In the event that the institution and/or the PI use the services of sub-investigator, investigational staff, or other to conduct the study pursuant to this agreement, the PI and institution shall be responsible that all are appropriately licensed and credentialed and shall conduct the study in compliance with the terms and conditions of this agreement. The Institution and PI shall be liable for any breach of such agreement by such individuals.

1.2 Replacement of Principle Investigator: In the event the PI is unable to continue, either on account of his death or early termination of engagement from institution or becoming incapacitated, in such circumstances, the institution shall provide a written notice to CRO within three (3) calendar days of becoming aware of PI's inability to continue. The Sponsor/ CRO shall then appoint the Co-Investigator as a party to this agreement by way of amendment to this agreement. In case the Sponsor /CRO terminate this agreement, the Institution shall take all necessary steps to accommodate the decision.

1.3 Delegation of Duties: The PI will personally supervise the study and may not delegate this duty to any other individual without Sponsor/ CRO's prior written approval. He /She may delegate other duties as necessary to their investigators and qualified personnel in accordance with regulatory requirement and upon notice to sponsor /CRO. The institution may not replace the PI without Sponsor's/CRO's prior written approval. If the PI is to be temporarily absent from the Institution the Institution shall designate an Investigator qualified and trained to assume such responsibilities to temporarily supervise the study on behalf of PI. All such designation of responsibility will be reported to Sponsor/ CRO in writing and DCGI and/or EC prior to its commencement.

1.4 Investigator and Staff Training: The institution and PI shall insure that other investigator and designated staff attend all study related training conducted by Sponsor/CRO.

1.5 Use of Study Drug: Sponsor shall provide the study drug and all related document and any material wherever required for conduct of study. Neither the PI nor Institution shall make use of study drug, study related documents and materials, for purposes other than performance of the study in accordance with the protocol and this study. The PI and Institution shall account for and return to sponsor or otherwise dispose of in accordance with Sponsor's Instruction any unused study drug, materials and equipments and confidential information provided for the purposes of the study. In case of destruction of study drug at institution, the Institution shall promptly provide certificate of such destruction. This provision does not apply to the documents that should be maintained and

retained in secure manner by the PI at the Institution as per study protocol, the agreement and /or applicable guidelines laws and regulations.

1.6 Adverse Event Reporting: Principal Investigator and institution also agrees to report to Licensing Authority as defined in Clause 3(2) (i), (ii),(iv) of New Drugs and Clinical Trials Rules., 2019 including any amendments thereof , Ethics Committee and Sponsor immediately , but not later than 24 hours or within such mandatory timelines as amended from time to time and specifically mentioned here above, After learning of any adverse event and all other important medical events, including but not limited to adverse reactions, as identified in the protocol, affecting any Study Subject. Principal Investigator and Institution further agree to follow up such report with detailed written reports in compliance with all applicable legal and regulatory requirements.

1.7 Additional Research: Institution and PI shall not conduct any additional research nor facilitate any third party to conduct any such research on study subject during the study OR biological samples collected from study subjects during the study , data derived from the study without prior written concern of Sponsor and CRO.

2. TRIAL DRUG; MATERIALS TRANSFER; RECORDS RETENTION; INSPECTION:

2.1 Institute/Trial Site and Principal Investigator acknowledge that the trial drug/device is owned or controlled by Sponsor/CRO and that neither the terms of this Agreement nor the Protocol, nor any activities conducted by Institute or Investigator for the Trial, shall be construed to grant to either Institute or Principal Investigator any rights in or to the Compound.

2.2 Except as otherwise agreed by the Parties, CRO will provide the Compound and any control/placebo material to be administered to Trial subjects as part of the Trial (collectively, the “Trial Drug”) free of charge to Institute for administering or dispensing solely by or under the supervision of Principal Investigator or sub-investigator to Trial subjects at the Trial Site in Strict compliance with the Protocol.

2.3 Institute/Trial Site and Principal Investigator shall use the Trial Drug solely to conduct the Trial in strict compliance with the Protocol and for no other purpose, and shall not transfer the Trial drug to any third parties. Institute and Principal Investigator shall handle, store, ship and dispose of the Trial drug as directed by Sponsor or its designee and in compliance with all applicable laws, rules and regulations.

- 2.4** Institute/Trial Site and Principal Investigator will ensure that empty and partially used Trial Drug container and any Trial Drug remaining at the Trial close-out visit at the Trial Site or upon early termination of this Agreement are disposed of or returned to Sponsor in accordance with the Protocol.
- 2.5** Neither support of the Trial, nor Institute participation in the Trial, impose any obligation, express or implied, on Institute or Principal Investigator to purchase, prescribe, provide favorable formulary status for or otherwise support Sponsor's products.
- 2.6** Unless required by the Protocol, Institute will not modify the Trial Drug or its container. If the Institute policy requires any modification to the Trial Drug container, such modification must be approved in advance in writing by Sponsor/CRO. Principal Investigator solely for purposes of the Trial and only as specified in the Protocol and this Agreement. They may, however, be retained in the Institute for use in a future study to be approved by Ethics Committee (EC).

3. RECORDS MAINTENANCE AND RETENTION:

- 3.1** The Institute and Principal Investigator shall prepare and maintain records, reports and Data provided in the Protocol, Ethics Committee (EC) requirements, and in accordance with all applicable local, state and Central laws and regulations. Institute or Principal Investigator shall cooperate with the Sponsor/CRO in making records, reports and Data developed under this Agreement.
- 3.2** Institute or Principal Investigator shall ensure the storage of Data related to Study in accordance with the requirements of current Good Clinical Practices, in suitable and secured storage facilities and under appropriate conditions, for a period of time required under the agreement applicable laws and regulations in INDIA or until 5 years after completion of all regulatory activity, whichever period is longer, unless to the extent that Sponsor requires the return or destruction of this Data, in which case this request shall be complied with to the extent allowed by applicable laws and regulations. Before the destruction or deletion of such Data, Sponsor's written approval shall be obtained.

4. PAYMENTS:

- 4.1 Budget And Compensation:** The compensation and fees to be paid by the sponsor for this study is contained in the budget described in **Exhibit B** attached hereto and incorporated by reference in this agreement. Payment shall be due and payable in accordance with the schedule set forth in **Exhibit B**.

4.2 Fair Market Value: The party's acknowledge and agree that the compensation and support provided by the sponsor to the institute provision to this agreement represents the fair market value for the research service conducted by Institution and the Principal Investigator has been negotiated in an arm's length transaction, and has been determined in a manner that takes into account the volume or value of any reference or other business otherwise generated between the sponsor and the situation are the principal investigator.

4.3 Third Party Pay or billing: Neither the institution nor the Principal Investigator shall bill any third party for the Study Drug or any other item or services furnished by the sponsor in connection with the Study, or any services provided to subjects in connection with the Study for which payment is made as part of the study except as may be specifically authorised by compensation standard set forth in **Exhibit B**.

4.4 No part of any consideration paid hereunder is a prohibited payment for the recommending or arranging of the referral of business or the ordering of item of services; nor are the payments intended to include illegal referrals of business Nothing contained in this agreement shall be construed connected in any manner as an obligation or inducement for the Institution or Principal Investigator to recommend that any person or entity purchase Sponsor's product or those of any entity affiliate with the Sponsor

5. TERM & TERMINATION:

5.1 This Agreement will be in force for a period of the trial or its time extended from the date of its signing. The term of this Agreement may be extended by consent of all parties to this Agreement. The Date of execution of this Agreement by all parties shall be the effective Date.

5.2 This Agreement will become effective after it is fully executed and signed by all the parties hereto and shall continue in effect for the full duration of the Study according to the Protocol unless extended or sooner terminated in accordance with the provisions of this Agreement.

5.3 Unless earlier terminated in accordance with the provisions of this Agreement, the term of this Agreement shall commence on the Effective Date and shall terminate 6 months after completion of Study at Institution (hereinafter known as "**Expiration Date**").

6. TERMINATION BY SPONSOR/ CRO:

- 6.1** The Agreement may be terminated by the Sponsor at any time in the exercise of its sole discretion upon thirty (30) calendar days prior written notice to the Institution. reasons for termination may include but not limited to ;
- Breach of Contract, including failure to comply with protocol and applicable laws and regulations,
 - Receipt of safety information that makes it prudent to do so.
 - No subject recruited within 6 month at study site following initiation of study at site.
 - Notwithstanding the above Sponsor/CRO may immediately terminate the study within its sole judgment, if such termination is necessary based on patient safety, OR breach of compliance with applicable laws and regulations or evidence suggesting lack of sufficient efficacy of study drug herein without sponsor /CRO having any financial or other liability of any nature resulting in any such termination.
- 6.2** Upon notice of termination of this Agreement by either Institute or Sponsor or Principal Investigator, Institute shall cease enrolling Clinical Trial Subjects into the Study, and shall discontinue conduct of the Study as soon as is medically practicable.
- 6.3** Upon any early termination for any reason other than breach of this agreement by the Institution or PI, the Sponsor shall reimburse the institution for non-cancellable commitments made or incurred in accordance with this agreement prior to institutions receipt of Notice of Termination (reduced by all applicable prior payments made by Sponsor under this agreement). No cancellation penalty shall apply. Upon notice of such receipt of notice of termination, the Institution and PI shall use all reasonable efforts to avoid any additional cost and expenses. In the event the prepaid any portion of payment for work pursuant to this agreement that is not actually performed as a result of termination of this agreement, the institution and PI shall return such payment for such unperformed services or unexpended or cancelled fees.
- 6.4** If, upon the Effective Date of Termination, sponsor has advanced funds which remain unutilized or surplus, Institute shall repay such funds within sixty (60) days of the Effective Date of Termination. In the event Institute fails to repay such funds in a timely manner, Sponsor may deduct an equivalent amount from any payment then or later due from Sponsor to Institute under this or any other arrangement between the parties.
- 6.5** Upon termination of this Agreement, all unused Materials and all Sponsor Confidential Information (except for such records that Institute is required by law or regulation to retain) in Institute's possession shall be promptly delivered to Sponsor at Sponsor's expense, or, at Sponsor's option, destroyed with the destruction certified in writing.

7. OWNERSHIP:

- 7.1** All reports, data, technical information,(including without limitation, written, printed, graphic video and audio material, any computed data base and computer data readable data form), original works of authorship and all other information generated(the “**Data**”) by the institution, the PI , any other designated personell in the course of conducting the study shall be the sole and exclusive property of Sponsor or its designee I.e. CRO, which may utilise the Data in any way it demmes appropriate, subject to and in accordance with applicable laws and regulations of India and the terms of this agreement .

8. CONFIDENTIALITY:

- 8.1** Both parties agree to treat any confidential information obtained from the other party, or generated by the party or its Representatives as a sole and direct result of performing the services under this Agreement including, without limitation, confidential commercial, business, scientific, medical and technical information, the study drug, Protocol, Investigator Brochure, Case Report Forms, safety information, and any other data or information generated or resulting from the study recorded and available in any form or on any media (paper, disc, photos, computer systems) (hereinafter “the Confidential Information”)
- 8.2** Both parties agree not to divulge the Confidential Information to any third party or parties, unless necessary as it relates to the performance of duties outlined in the scope of services or use said Confidential Information for any purposes other than understanding and evaluating the performance of those services. Parties further agrees to limit disclosure only to those of its officers, employees, agents, affiliates and consultants as are necessary to carry out the services in this Agreement. Parties shall take all reasonable steps to prevent the disclosure of the Confidential Information as provided herein.
- 8.3** Parties will ensure that it will incorporate similar confidentiality language (no less restrictive than this Agreement) in its written contracts with all representatives, agents, affiliates and consultants to protect Confidential Information. Any Confidential Information or IP produced for performing services under this agreement can only be used by the Sponsor for the specific study.
- 8.4** The above provisions of confidentiality shall not apply to that part of the Information which any party is able to demonstrate by documentary evidence:
- a. was fully in their possession prior to receipt from the other party; or

- b. was in the public domain at the time of receipt; or
- c. becomes part of the public domain through no fault of the party; or
- d. is lawfully received by it from a third party having a right of further disclosure; or
- e. is developed by it independent of the Information; or
- f. is required by law or upon a court injunction to be disclosed.

8.5 Parties agree that upon termination or expiration of this Agreement, at the other party's request, it shall return to the other party all Confidential Information, retaining copies of any such Confidential Information as is reasonably necessary for regulatory and insurance purposes or as it deems necessary to demonstrate the satisfaction of its obligations hereunder, all subject to the ongoing obligation to maintain the confidentiality of such Confidential Information.

9. DISCLOSURES:

9.1 The confidentiality obligation shall not, however, be applied to Confidential Information, which:

- a) Was, as evidenced, in the possession of the receiving party prior to receipt of the confidential information from the other party,
- b) The party has received from a third party without any obligation of confidentiality and which has a right to deliver such information to the other party, or
- c) On ground of law has to be delivered.

9.2 Any party invoking an exception set forth above has the burden of proof with respect to the existence of such an exception.

9.3 Each party shall promptly return to the other party any Confidential Information no longer needed for the purposes of this agreement or if so requested by the other party.

9.4 Should any third party, e.g. Regulatory Authority demand access to Confidential Information on grounds of law, the party shall without any delay and prior to making such a disclosure notify the other party of such a demand in writing and take prior written consent before making such disclosure. The party may then deliver only the specified Confidential Information, which the request concerns.

10. PUBLICATION:

- 10.1** The Parties also understand and recognize that this Study is part of a multi-site study and that data from all sites will be pooled and analyzed, and agree that premature disclosures of data from a single site may be misleading. Sponsor /CRO, shall have the right to coordinate one or more publications of the aggregate multi-site Study results.
- 10.2** Site/PI will report the findings of the Study to Sponsor in the form of Study reports, to be submitted to Sponsor at such stages or intervals in such forms and containing such information as set out in the Protocol (including for instance the progress and the number of included patients) and/or as further agreed between the Parties.
- 10.3** The Parties acknowledge that Sponsor shall have the exclusive right to publish and present the results of the Study. Sponsor shall take into account that these results represent a joint effort among Sponsor, CRO, the Site and PI. Sponsor shall mention the PI of the Site in a footnote in the manuscript as one of the participating Principal Investigators of the Study.
- 10.4** The PI/Site shall have no right to publish and present the results of the Study unless the prior written consent of Sponsor has been obtained. Sponsor recognizes the wishes of Site/PI to publish details of academic research in scientific journals. Sponsor shall however have the full right to withhold such consent.
- 10.5** Sponsor shall retain ownership of all original and completed CRFs, data, analyses and reports that result or are derived from the Study.

11. INVENTIONS & PATENTS:

- 11.1** Any invention, discovery, or improvement related to Sponsor's products or technology which is conceived or reduced to practice as a consequence of Trial Site's performance of the services hereunder (the "Inventions") shall be the sole and exclusive property of Sponsor and shall be used by Sponsor as Sponsor deems appropriate. Trial Site agrees to execute and have executed, at Sponsor's cost, assignments of the Inventions to Sponsor / CRO (including ensuring contracts between Trial Site and its Representatives include appropriate assignment language to require its Representatives to comply with the terms of this assignment provision and this Agreement), along with other documents that may be necessary or helpful to Sponsor / CRO in filing patent applications, or which may relate to any litigation or interference and/or controversy in connection therewith. The entire control, prosecution, and conduct of any patent application filed by Sponsor shall be outside the jurisdiction of, and without expense to, Institution/PI or its Representatives. Institution/PI acknowledges that Sponsor / CRO has the exclusive right

to file patent applications in connection with the Inventions. Institution /PI warrants that it will not, and will ensure (including incorporating similar language in its contracts with study sites and investigators) that its Representatives will not prevent Sponsor / CRO from filing patent applications for, or from applying the results of research carried out for Sponsor / CRO hereunder.

- 11.2** All reports, data, technical information, original works of authorship and all other information, furnished by or on behalf of Sponsor / CRO, or created specifically for Sponsor / CRO as a deliverable under this Agreement (“Work Product”), shall be the sole and exclusive property of Sponsor.
- 11.3** Notwithstanding the foregoing, Sponsor / CRO acknowledges that Institution /PI possesses certain inventions, processes, know-how, trade secrets, improvements, other intellectual properties and other assets, including but not limited to analytical methods, procedures and techniques, procedure manuals, personnel data, financial information, computer technical expertise and software, which have been independently developed by Institution /PI and which relate to its business or operations (collectively “Institution Property”). Sponsor / CRO and Institution /PI agree that any Institution Property or improvements thereto which are used, improved, modified or developed by Sponsor / CRO under or during the term of this Agreement are the sole and exclusive property of Institution /PI and Sponsor / CRO shall be liable for any misuse or unauthorized use/ dissemination of the same. In no event shall Institution /PI be precluded from use of this Property and its general knowledge, skills and experience, and any of its ideas, concepts, know-how and techniques used or developed by it in the course of providing services under this Agreement.

12. INSURANCE AND INDEMNIFICATION :

- 12.1** Institute shall maintain medical professional liability insurance with limits in accordance with local standards for each medical professional involved in the Study, or require that each medical professional maintain such insurance.
- 12.2** The sponsor/CRO shall indemnify and hold harmless the institution from any and all liability of trial subjects, loss, or damage it may suffer as a result of the sponsor’s negligence or breach of contract or caused by the investigational medicines, compliance with the protocol written by the sponsor, or use of the Results. Sponsor/CRO will ensure that appropriate medical insurance cover is obtained to cover the financial cost of any liabilities arising out of loss / damages occurring to trial subjects as a result of participation in Clinical Trial under the conditions specified as per the terms of this agreement.

12.3 The Institute and PI agrees to indemnify and hold harmless the sponsor/CRO from any and all liability of trial subjects, loss, or damage it may suffer as a result of the institution's negligence or breach of contract.

12.4 The obligation of the Sponsor hereunder shall apply only if the Indemnities provides prompt notification upon receipt of notice of any claim or suit, permits the Sponsor and its attorneys and personnel to handle and control the defense of such claims or suits including pretrial , trial or settlement and the indemnitees further agrees that it will not settle or compromise any such claim or suit without the prior written consent of the Sponsor/CRO.

13. USE OF OTHER PARTIES' NAMES:

13.1 The Principal Investigator and Institute shall not use Sponsor's name or the name of any party hereto in connection with any advertising or promotion of any product or service without the prior written permission from Sponsor/ CRO.

14. NO JOINT VENTURE ETC.:

14.1 This Agreement shall not constitute, create, or in any way be interpreted as, a joint venture, partnership, or business organization of any kind.

15. MONITORING; AUDIT; REGULATORY INSPECTIONS:

15.1 The Principal Investigator and Institute shall, permit authorized personnel of the Sponsor/ CRO and any Regulatory Authority including EC to inspect the facilities of the Study Site before, during and after the Study.

15.2 The Principal Investigator and Institute shall notify to the Sponsor immediately by telephone or facsimile if the Drugs Controller General-India, or any other governmental or regulatory authority requests permission to or does inspect the Principal Investigator and Institute s facilities or research records relating to this Study whenever and will provide in writing to the inspecting authority copies of all materials, correspondence, statements, forms and records which the Principal Investigator and Institute/ Trial Site receives, obtains, or generates pursuant to any such study.

15.3 The Principal Investigator and Institute/ Trial Site will permit the Sponsor/CRO to;

- (a) Examine, inspect and audit the work performed here under and the facilities, systems and equipment at or with which the work is conducted.

- (b) Inspect and copy all Data, documents and records related to such work and the Study.

16. FORCE MAJEURE:

- 16.1** Any event occurring after signing the agreement, which a party could not reasonably have taken into account at the time of the conclusion of the agreement and which prevents or delays the affected party from fulfilling of its obligations under the agreement or makes the fulfilment thereof unreasonably difficult and which cannot be overcome without unreasonable loss of time or cost, shall constitute an event of force majeure. An event of force majeure shall include: strike, war, revolt, import or export prohibition, acts of God, interruption of public traffic or distribution of energy, legal labour dispute, fire or any other reason having as severe and unusual effects beyond the control of the party.
- 16.2** If a party would wish to invoke existence of an event of force majeure as a cause for the non compliance with any of its obligations under the agreement or delay or exemption from liability, it shall without delay inform the other party of the delay or termination of its contractual obligation in writing.

17. GOVERNING LAW:

- 17.1** The validity, interpretation, and performance of this Agreement shall be governed and construed in accordance with the laws of INDIA as applicable within the NCT of Delhi.

18. JURISDICTION:

- 18.1** The place of jurisdiction for any dispute or claim before a court or an arbitrator shall be Delhi, notwithstanding any other provision to the contrary in any law in this regard.

19. ARBITRATION:

- 19.1** All disputes or claims whatsoever arising out of or in respect of the terms and conditions of this agreement or relating to the admissibility or liability or quantity of compensation or damages payable to or by any of the parties to this agreement to the trial subject or his/her legal representative or the nominee shall be referred by the aggrieved party or person to the arbitration of a sole arbitrator to be appointed by the Chairman of the Ethics Committee within 30 days of the receipt of a written request by the aggrieved. The Indian Arbitration and conciliation Act 1996 as amended from time to time shall be applicable to such arbitration proceedings. The award of the arbitrator shall be final and binding on all the parties thereto.

20. AMENDMENT:

20.1 This Agreement and Protocol may only be amended by the mutual written consent of the parties hereto. The parties agree that this Agreement constitutes the sole, full and complete Agreement by and between the parties and supersedes all other written and oral Agreements and representation between the parties with respect to the Study. No amendments, changes, additions, deletions, or modifications to or of this Agreement shall be valid unless reduced to writing and signed by the parties. All changes and amendments to this Agreement shall be agreed in writing between the parties.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed, in triplicate, by their officers, thereunto duly authorized to sign on behalf of their party.
