Event Report

TITLE – Value added course 2021: Pediatric Dermatology

Preface:

Department of Dermatology had conducted a value added course on Pediatric Dermatology (VAC-66) for MBBS students in two batches consisting of 50 students each. The first batch completed the course from 10th to 31st July, 2021 from 1pm to 5pm, every Saturday and the second batch completed the course from 15th August to 4th September, 2021 from 1pm to 5pm, every Saturday. The attendance of the students of both the batches is enclosed below. The course contents consisted of - Basics of Dermatology, Red Flags, Normal Dermatological Findings and Treatment of Choice. The first session on basics of dermatology included primary and secondary lesions, their types, distribution and how to make a diagnosis based on this, followed by a second session on red flags which included the important dermatological conditions like macular and popular skin rash and vesiculobullous lesions. Normal dermatological findings in the pediatric age group and treatments of choice for various disorders were taught in the third and the fourth sessions respectively.

Execution:

The course was conducted under the supervision of Dr V. K. Garg (Prof. and HoD) along with the faculty of the department of dermatology

Tangible Outcomes

Skillful presentation and excellent student and faculty participation made these sessions a success.
