In case of any emergency (non-availability of blood components), the blood banks will provide the back up to each other respectively.
- Provision of support staff and services for blood donation camps.  
Blood center Santosh Medical and Dental College Hospital and Ghaziabad blood bank will cooperate with each other and will provide the necessary staff and services for organizing indoor as well as outdoor blood donation camps respectively.

### 3 Location

Santosh Hospital Blood Banking services are provided from the Room no 222, second floor of Santosh Hospital, Ghaziabad. Ghaziabad Blood Bank is located 321/2 1<sup>st</sup> Floor Kalpana Building Kallupura, Ghaziabad. Both the blood bank operates in compliance with the Blood Safety and Quality Regulations.

### 4 Quality Management Specification

The originating Blood Bank undertakes to ensure that all blood and blood components will be accompanied by appropriate documentation and will be transported in a validated manner which ensures that the blood remain within specification throughout the transport period and until they are transferred to controlled temperature storage.

The supplying and receiving Blood Banks will adhere to the quality system for blood banks as required by the Drug and Cosmetic act. Where relevant, the following particulars will apply:

- There are standard operating procedures for the storage, and transport of blood and blood components within both the Blood Banks.
- Blood components will be transported in accordance with the Regional/National Transfer Policy
- "Cold chain" procedures, supported by documentary evidence, ensure specified temperatures and storage conditions are satisfactorily maintained at all times.
- Staff receive appropriate and regularly updated training in all of the above activities and appropriate records of this training are kept.

5 **Traceability**

It is essential that there is complete traceability for all units transferred.

Full records will be maintained of the transfer and return of all components and there will be a documented process in place to confirm the member of staff who transported and received the components.

The originating Blood bank will be responsible for full final traceability of units transferred to the other Blood Bank. At the time of transfer the originating Blood Bank will record that the units have been transferred. One trained technician will accompany. Technician accompanying the blood will be responsible for appropriate use of equipment and processing of components/testing, with permission and in presence of the staff of other Blood Bank where the facilities are being used.

6 **Transport**

Originating Blood Bank will be responsible for providing transport required for all products and will be responsible for all units in transit until their arrival at the receiving hospital has been documented.

7 **Charging**

THAT there shall be "No" financial commitments / obligations by both the parties for extending their mutual support and consent

9 **Compliance**

The originating blood bank will wish to assure themselves that the procedures and practices within the receiving blood bank satisfy the requirements of this Agreement.

10 **Remedies for Non-Performance**

In the event of either party not performing according to the agreed terms of this Technical Agreement, the following procedures will apply: -

- Where one party considers that the other party has failed to meet its obligations, that party will initiate a meeting with the other within four weeks.
- Following the meeting, the party which has not performed adequately will be given four weeks to resolve the issue, to the satisfaction of the other party. There will be joint discussion between both parties to reach a mutually acceptable outcome.
- Where non-performance has not been rectified within the agreed timescale, the non-performance can be taken through identified performance management arrangements. The local Hospital Transfusion Committee will be informed and the Chair of that committee will ensure the issue is resolved in an acceptable timescale. Where this is not achieved the HTC Chair will escalate the matter as appropriate.

INFLIBNET Centre

Memorandum of Understanding (MoU) for Shodhganga/Shodhgangotri  
(A Repository of Theses and Dissertations submitted to the Universities in India)

This Memorandum of Understanding (MoU) is made and entered into on 13.02.2020 between the INFLIBNET Centre, an IUC of University Grants Commission located at Gandhinagar, hereinafter referred to as "INFLIBNET" and Santosh Deemed to be University, here in after referred to as the 'University'.

Deemed University  
H10.803

WHEREAS, INFLIBNET Centre, an Inter-university Centre of the University Grants Commission, as its mandate, promotes open access to scholarly content generated in universities. The Centre has computers, network, software infrastructure and technical know-how required for hosting electronic versions of theses and dissertations in open access with interface to search, retrieve and access these content.

U-0539

WHEREAS Santosh Deemed to be University (University / Deemed University / Inter University Centre) has agreed to take part in the process of digitisation of old theses and dissertations (not available in computerized machine-readable format) and building-up of digital repository and to promote, share and host its ETD in 'Shodhganga: A reservoir of Indian theses submitted to the Universities in India' and other universities in open access. 'Shodhganga' is a name coined by INFLIBNET Centre for referring to the repository of Indian Electronic Theses and Dissertations. The word "Shodh" originates from Sanskrit and stands for research and discovery. The 'Ganga' is the holiest, longest and largest river in Indian subcontinent which has held heart of its people captive and drawn millions of people to its banks since the dawn of history. The Ganga is the symbol of India's age-long culture and civilization, ever changing, ever flowing, ever loved and revered by its people. "Shodhganga", a repository of theses and dissertations submitted to Indian universities, is expected to keep growing to a formidable size as more and more researchers from India submit their research works to this ever growing reservoir. Under the initiative called "ShodhGangotri", research scholars / research supervisors in universities are requested to deposit electronic version of approved synopsis submitted by research scholars to the universities for registering themselves for the Ph.D programme.

This Memorandum of Understanding (MoU) defines responsibilities, liabilities and commitments of the institutions involved to ensure proper system implementation, to meet the objectives pertaining to submission and access to Electronic Theses and Dissertations as envisaged by the UGC vide its Notification (Minimum Standards & Procedure for Award of M.Phil/Ph.D Degree), Regulation, 2009 dated 1st June, 2009.

NOW, THEREFORE, in consideration of the mutual agreements herein contained, INFLIBNET and the University agree to the following terms and conditions:

I. INFLIBNET Centre

1. Provide access to ETD hosting server(s) at the INFLIBNET Centre 'Shodhganga'/Shodhgangotri' to the University with accompanied software interface enabling University / its student to create metadata and upload their theses and dissertations in ETD repositories designed for this purpose. The INFLIBNET will take the responsibility of keeping the data intact and usable, keep back-up of the data so as to avoid its loss. The INFLIBNET will deploy

tools and techniques of digital preservation to ensure continuing access to scholarly content in digital formats and to protect them from media failure, physical loss and obsolescence.

2. Recommend to the UGC to extend financial assistance to the Universities under Sections 12(B) and 2(f) of UGC Act for digitization of theses and dissertations not available in computerized machine-readable format and / or for procurement and installation of a suitable computer system / infrastructure for creation of ETDs.
3. Provide configuration of system, specifications and technical guidance to the University for procurement of computer hardware and related systems for setting-up of ETDs.
4. Provide guidelines, technical standards and specifications for digitization of Ph.D. theses submitted to the university in past and for theses not available in computerized machine-readable format.
5. Impart training to at least one person from the university (from library field and / or from computer field) in creation, updation and computerized operation of digital repositories of ETDs especially on 'Shodhganga'.
6. Extend access to an anti-plagiarism software or provide services to evaluate theses for possible plagiarism and submit a report to the concerned university.
7. The INFLIBNET may refuse to host any material deemed by the INFLIBNET to be controversial in nature or is in violation of copyright act.
8. This right of refusal will not relieve the University / Ph.D. scholar of liability, both to INFLIBNET and to the public, for matter contained in the theses that may be libelous or actionable and to both INFLIBNET and copyright owners for copyright infringement by the Ph.D. Scholar.
9. The INFLIBNET Centre will not be responsible for i) errors, omissions, inaccuracies and quality of content or misinformation or for any damages caused to the user or any third party from the use of content provided in the theses; ii) safety and archiving of loaded content in cases of "force majeure" including natural calamities; and iii) printed version of theses.
10. INFLIBNET Centre will recommend or provide access to plagiarism software which university may use to detect plagiarism before awarding the degree.
11. The INFLIBNET Centre replicates the content of theses and dissertations on different server and other auxiliary storage media. However, the INFLIBNET Centre does not take the responsibility for the archiving or backing-up of loaded content. The universities, therefore, should also keep a back-up of their theses and dissertations.

Checked and Verified

12. INFLIBNET Centre also maintains a repository called "Shodhgangotri" for hosting the approved synopses of research topic submitted to the universities by the students for registering themselves under the doctoral programme. Research students/their supervisors are encouraged to submit approved synopses/research proposals and register their priority on a research proposal through the repository.

## II. The University

1. The University would grant non-exclusive worldwide license to the INFLIBNET Centre for hosting and distributing their theses in digital format in 'Shodhganga'/'Shodhgangotri' or any other server designated for this purpose.
2. The University / its researcher scholars agree to host / upload a computerized machine-readable file in mutually agreed format of all theses on to the 'Shodhganga'/'Shodhgangotri' server at the INFLIBNET.
3. The University will not hold INFLIBNET Centre responsible for any errors and omissions contained in the original theses.
4. The University commits to digitize theses and dissertations and their bibliographic records submitted to the university and provide necessary infrastructure including manpower support for operation of ETDs.
5. Commits to utilize the assistance provided by the UGC on recommendation of the INFLIBNET for implementation of ETDs including their digitization.
6. Deputes at least one person from the university (from library field or from computer field) for undergoing training on implementation of ETD organized by the INFLIBNET and ensure that the person trained by INFLIBNET on ETD is / are deployed for the same job.
7. Arranges to provide training to research scholars or users of its library and staff of colleges affiliated to University in creation of electronic version of theses and their deposition in the ETDs.
8. Ensures use of standard software and metadata schema suggested / provided by the INFLIBNET for setting-up / development / operation of its ETDs .
9. Creates bibliographic records of all theses and dissertations submitted to the university in standard bibliographic formats prescribed by the INFLIBNET Centre from time-to-time and contributes these records for inclusion in the INFLIBNET's Union Catalogue (IndCat).
10. Commits to sharing of library ETD resources / databases with the INFLIBNET Centre as well as with other universities.

Pg 3 of 4

Checked and Verified

11. The University would agree to host their ETDs in the digital repositories 'Shodhganga or other servers' set-up at the INFLIBNET Centre, and grant non-exclusive licence to the Centre to make electronic version of theses in full-text (theses that are born digital as well as those that are digitized using scanners / digital cameras) accessible through open access ETD.
12. The University shall not use electronic version of theses digitized using funds given by the UGC for any commercial purposes. The University shall not rent, sell or license the use of or deliver or release or otherwise part with the possession of the systems / software or the INFLIBNET ETDs databases, Shodhganga or any part thereof to any other party (individual, institution, organization, etc.)
13. The University will also commit their own funds or grants for fulfillment of the project, if the project on implementation of ETDs demands more resources and funds to complete it.
14. The University will use the plagiarism software recommended by the INFLIBNET and made accessible to test the thesis submitted by the student for plagiarism before awarding the Degree. If the university is not subscribing to such software, it will use the software from the nearest Regional Centre, if any.
15. University would encourage and ensure that Research Scholars/ Research Supervisors deposit host their approved Research Proposals/ approved synopses on the "Shodhgangotri" once Ph.D. is registered.

### III. Termination

Both, the Parties, will have rights to terminate the MoU at any time in case of breach of obligations and terms and conditions of the MoU.
