BEST OUT OF WASTE COMPETITION

Date- 23.09.2017

Total Number of Students Participated: 32

Organized by : Dr. Dakshina Bisht

Best out of Waste Competition was conducted on 23.09.2017 at Lecture Hall - 1 at Santosh Medical College & Hospital, Ghaziabad, NCR Delhi. The hands and imagination minds came together in a creative burst of energy during the "Best out of waste" competition. The competition focused on students about preserving the environment by reusing and recycling waste material. Students participated with full enthusiasm and showed their skills. For this they utilized waste material like broken bangles, plastic bottles, old CDs, beads, etc. This shows that the young generation was very aware of the harmful effects of creating waste rather than throwing them away without any use. Which could help take steps to preserve the planet.

A handwritten signature in black ink, appearing to be 'Dr. Dakshina Bisht', is written over a horizontal line.
