

EXAMINATION REGULATIONS

MBBS

ESSENTIALITIES FOR QUALIFYING TO APPEAR IN PROFESSIONAL EXAMINATIONS:

(1) INTERNAL ASSESSMENT:

- a) The Internal Assessment examinations shall be conducted throughout the course on regular intervals.
- b) It shall be based on day to day assessment relate to different ways in which students participation in learning process during the course of study is evaluated as follows:
 - (i) Theory & Preparation of subject for students' seminar;
 - (ii) Practical / Clinical & Preparation of clinical case for discussion;
 - (iii) Viva Voce & Clinical case study / problem solving exercise.

The student must secure at least 50% marks of the total marks fixed for internal assessment in a particular subject in order to be eligible to appear in final university examination of that subject.

- (i) (a) The Internal Assessment marks and the attendance percentage must be exhibited periodically on the Notice Board of the college and sent to the parent, in duplicate, after completion of the each I.A. examination for the knowledge of the parent / students and to his / her parent with a request to acknowledge the receipt of the same in the duplicate copy duly signed and sent back to the office for record.
- (b) After the second terminal examination the IA marks and Attendance percentage shall be sent to the parents about those students who have not improved their performance, in duplicate with a request to acknowledge the receipt of the same in the duplicate copy for office record.
- (c) Finally, after the 3rd Terminal or Pre-Professional Examination, the parent of such students who have still not improved his/her performance in securing the minimum required IA Marks and Attendance percentage shall be called by the respective Deans and get an Affidavit from the student and the parent clearly informing that he/she is allowed in the

University Examination of the respective year or Phase of study after improving the same.

- (ii) A failed candidate in any subject should be provided an opportunity, if need be, to improve his / her internal assessment marks by conducting a minimum of two examinations in theory and practical separately and the average, be considered for improvement.
- (iii) The consolidated internal assessment marks scored out of the total marks (both in theory, practical and viva taken together) should be submitted to the University duly endorsed by the Dean of the College, at least fifteen days prior to the commencement of the theory examinations.
- (iv) A candidate should obtain a minimum of 50% of marks in internal in a subject assessment to become eligible to appear for the University examination.

ATTENDANCE REQUIRED FOR ADMISSION TO EXAMINATION :

- a) 75% of attendance in a subject for appearing in the examination is compulsory provided he/she has 80% attendance in non lecture teaching, i.e. seminars, group discussion, tutorials, demonstrations, practicals, Hospital [Tertiary, Secondary, Primary] postings and bed side clinics, etc.
- b) A candidate lacking in the prescribed attendance in any one subject in the first appearance shall be denied admission to the entire examination.
- c) No candidate will be permitted to anyone of the parts of MBBS Examinations unless he / she has attended the course in the subject for the prescribed period and produces the necessary certificate of study, attendance and progress from the Dean of the college.
- d) Attendance earned by the student will be displayed on the Notice Board of the concerned Department and college at the end of every 3 months and a copy of the same should be sent to the University and also to the parent of the student concerned.
- f) The monthly attendance of the students shall be received by the Dean of the college from the HODs concerned on or before second of every

month and the consolidated percentage of attendance will be displayed on the college notice board.

- g) The parents of the candidate who have secured less than 80% of attendance in the first month shall be informed. If such candidate has not improved his/her attendance in the subsequent month also, the parent concerned would be called for to meet the Dean of the college along with the student concerned to get an undertaking, both from the parent and the student concerned, that his/her ward will improve the attendance at 80%, failing which the student is not eligible to apply for the University examinations

CONDONATION OF LACK OF ATTENDANCE:

The Condonation of shortage of attendance up to a maximum of 10% in the prescribed eligible attendance for admission to an examination rests with the discretionary powers of the Vice Chancellor. A candidate lacking the attendance shall submit an application in the prescribed form and remit the stipulated fee, at least 15 days prior to the commencement of theory examination. The Head of the Department and the Dean of the college should satisfy themselves on the reasonableness of the candidate's request while forwarding the application with their recommendations to the Controller of Examinations who would obtain the Vice-Chancellor's approval for condonation of attendance and admission to the examination. No application would be reviewed if it is not recommended and forwarded through proper channel.

Condonation for lack of attendance shall be taken up for consideration under the following circumstances:

- (a) Any illness afflicting the candidate. The candidate should submit to the Dean of the college a Medical Certificate from a registered Medical Practitioner soon after he/she returns to the institutions after treatment.
- (b) Any unforeseen tragedy in the family. The parent / guardian should give in writing the reasons for the ward's absence to the Dean of the college;
- (c) 35% of marks in Internal Assessment as per MCI are compulsory for condonation of lack of attendance.

UNIVERSITY EXAMINATIONS:

(1) COMMENCEMENT OF EXAMINATION:

- a. The University Examinations will be held twice in a year i.e. in **August 1st** (MBBS Phase I) and in **March 1st** (MBBS Phase II, MBBS Phase III-Part-I & MBBS Phase – III – Part-II).
- b. The University **Supplementary** examinations also held twice in a year i.e. in **October** (MBBS Phase I) and in **1st August** (MBBS Phase II, MBBS Phase III-Part-I & MBBS Phase – III – Part-II).
- c. Theory examinations not to be held on Sundays. If the date of commencement of the examination falls on a public holiday, the next working day will be the date of commencement of examination.

(2) TIMING OF EXAMINATIONS:

- (a) Phase I - Professional examination:

At the end of one academic year in the month of August of the next year.

As per MCI Amendment Notification dated 19th April, 2010 – 'The Supplementary examination for 1st professional MBBS examination may be conducted within 6 months so that the students who pass can join the main batch and the failed students will have to appear in the subsequent year provided that the students who pass the supplementary examination shall be allowed to appear in the second professional MBBS examination only after he/she completes the full course of study of three semesters [i.e. 18 months] for the second professional MBBS examination irrespective of the examination of the main batch.'

- (b) Phase II - Professional examination

At the end of 1 ½ years from the commencement of Phase II in the month of March of the subsequent year.

- (c) Phase III – Part I Professional examination:

At the end of one year of Phase III in the month of March of the next year.

- (d) Phase III – Part II Professional (Final Professional) examination:

At the end of 2nd year of the Phase III in the month of March of the next year.

- (e) Internship – 1 Year

From 1st April after passing Phase III – Part-II Examinations in March.

(4) CARRY OVER OF FAILED SUBJECTS :

- (a) Passing in First MBBS Professional examination is compulsory before proceeding to Phase II training.
- (b) A student who fails in the II MBBS professional examination, shall be permitted to carry the failed subjects to Phase III of the M.B.B.S. course but shall not be allowed to appear in III MBBS Professional Part I examination unless he / she passes all the subjects of the Phase II MBBS Professional examination.
- (c) Passing in II MBBS Professional examination is compulsory before entering Part II of Phase III (final year) of the course.
- (d) Passing in III MBBS Professional (Part I) examination is not compulsory before entering for Part II training; however passing of III MBBS Professional (Part I) is compulsory for being eligible to appear for III MBBS Professional, (Part II) examination.

REVALUATION OF ANSWER PAPERS:

There is no provision for revaluation of answer papers. However, re-totaling only is allowed in the failed subjects on payment of prescribed fee within 15 days from the date of receipt of Mark sheet through the Principal / Dean of the college.

CLASSIFICATION OF SUCCESSFUL CANDIDATES:

Distinction will be awarded to successful candidates who secure 75% marks or more as a course aggregate in the first appearance taking University theory, practical and viva alone.
