

EXAMINATION REGULATIONS MS COURSES

DISSERTATION :

(a) Guidelines :

- (1) Every candidate pursuing MD/MS degree course is required to carry out work on a selected research project under the guidance of a recognised P.G. teacher. The result of such a work shall be submitted in the form of a dissertation.
- (2) All candidates admitted to undergo Post-Graduate Degree (Non-clinical Clinical) courses shall be assigned a topic for dissertation / Thesis by the head of the concerned Unit and the title of the topics assigned to the candidates be intimated to the Controller of Examinations of this University by the Head of the Department through the Head of the Institution before the end of 1st year of the course.
- (2) 4 copies of dissertation shall be submitted six (6) months prior to the commencement of the theory examinations on the prescribed date to the the Controller of Examinations of this University.
- (3) Two copies are to be submitted as an electronic version of the entire dissertation in a standard C.D. format by mentioning the details and technicalities used in the C.D. format.
- (4) The concerned Professors/Readers are to supervise and to see that the dissertations are done properly by utilizing the clinical materials of their own department/institution. The students must learn the design and interpretation of research studies, responsible use of informed consent and research methodology and interpretation of data and statistical analysis. They should seek the help of qualified staff members in the conduct of

research. If necessary, they can utilize the facilities in other Institutions. They must learn to use the library and computer based search. This training will help them to develop skills in planning, designing and conduct of research studies.

(5) The dissertation is aimed to train a postgraduate student in research methods and techniques. It includes identification of a problem, formulation of a hypothesis, search and review of literature, getting acquainted with recent advances, designing of a research study, collection of data, critical analysis, comparison of results, drawing and conclusions.

(6) The dissertation should be written under the following headings :

- i. Introduction
- ii. Aims and objectives of study;
- iii. Review of literature;
- iv. Materials and methods;
- v. Results;
- vi. Discussion;
- vii. Conclusion;
- viii. Summary;
- ix. Reference ;
- x. Tables ;
- xi. Annexure.

(7) The written text of dissertation shall be not less than 50 pages and shall not exceed 150 pages excluding references, tables, questionnaires and other annexure. It should be neatly typed in double line spacing on one side of paper (A4 size, 8.27” x 11.69”) bound properly. Spiral binding should be avoided, The dissertation should be certified by the Guide, Head of the department and the Principal of the Santosh Medical College and Hospital.

- (8) The topic of the dissertation should be submitted at the end of First Year. The Candidate should also inform the name of the Guide for the dissertation to the University while submitting the dissertation topic.
- (9) If there is change in the dissertation topic, the same has to be informed before the end of the first year course.

(b) Guide:

The academic qualification and teaching experience required for recognition as a Guide for dissertation work by the University is as laid down by the Medical Council of India as a P.G. Teacher.

(c) Co-guide:

A co-guide may be included provided the work requires substantial contribution from a sister department or from another institution recognised for teaching / training by the Medical Council of India.

(d) Change of guide:

In the event of a recognised guide leaving the college for any reason or in the event of leaving the college or death of the guide, guide may be changed with prior permission from the University.

EVALUATION OF DISSERTATION:

- a) The dissertation should be approved by the Professor of that branch and the same has to be forwarded to the Controller of Examinations by the Head of the Department through the Dean / Principal of that college six months prior to practical examination and examined by a set of two examiners.
- b) No marks will be allotted for dissertation in M.D. / M.S. Post-Graduate

(Non-Clinical) degree course and the Board of Examiners should mark the dissertation either “Approved” or “Not Approved”.

- c) No grading should be given as ‘Good’, ‘Very Good’ or ‘Excellent’ for the approved dissertation.
- d) Two copies of the evaluation report of the dissertation should be submitted by the Examiners to the Controller of Examinations of this University.
- e) If the dissertation is “Not Approved” or “Rejected” by the majority of the examiners, the results shall be withheld till the resubmitted dissertation is approved.
- f) If the candidate fails in the written / practical examination but his dissertation is “Approved”, the approval of the dissertation shall be carried over to the subsequent examinations.

POSTING AND TRAINING IN OUTSIDE CENTRES :

The Head of the Post-graduate Departments in consultation with the Head of the Institution should make necessary arrangements for their Post - graduate candidates to undergo training in various skills in other centers within and outside the State if advanced facilities are available in that institution or hospitals. The attendance certificate of such training shall be obtained from that institutions and submit to the Controller of Examinations.

ATTENDANCE REQUIREMENTS FOR ADMISSION TO THE UNIVERSITY
