VISION

- To be a global leader in Medical, Dental and Allied Health Science Education, Healthcare and Research.

MISSION

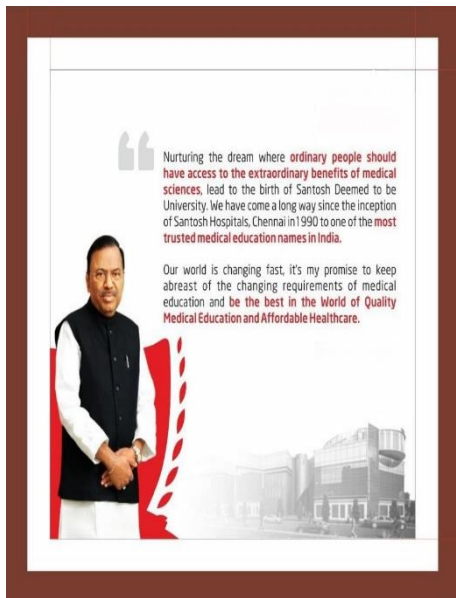

- To be a multidisciplinary Higher Education institute providing Holistic teaching and training, affordable high quality integrated healthcare and opportunities for translational and innovative research envisaged as an institute of Eminence.
- To create compassionate globally competent Healthcare professionals, committed to the quest for excellence, ethical and global values.
- To provide equal opportunities and inclusive environment irrespective of gender, cultural, economical and regional backgrounds.
- To promote use of technology to enhance skill sets for lifelong learning, self employability and entrepreneurship.

CORE VALUES

- Excellence that is reflected in the innovative conduct and advancement of education, research and patient care.
- Respect for every individuals regardless of their gender caste, class or belief.
- Integrity that embraces the highest standards of ethical behaviour and exemplary moral character.
- Diversity is reflected in actions that appreciate all individuals.
- Cooperation that is manifested by collegial communication and collaboration.

Founder Chairman

**Dr.P.Mahalingam,
MD [General Medicine],
DM [Cardiology], FCCP,
Founder Chairman**

A man from simple beginnings, Dr. P. Mahalingam came to Chennai to pursue MBBS from Govt. Kilpauk Medical College, MD General Medicine from Govt. Stanley Medical College, DM Cardiology from Madras Medical College and received his F.C.C.P fellowship by 1993. Though he was a Doctor to “Bharat Ratna” Dr.M.G. Ramachandran and other important public and social figures, he has offered his talents to the masses also. For this and all his other significant contributions to Indian healthcare systems, he has been invited to share his insights at many conferences and delegations. For his dedication to public healthcare he has received number of awards from National and International forums.

Vice Chairman

Dr Santosh Mahalingam
MD[Internal Medicine]
Vice Chairman

Dr. Santosh Mahalingam s/o Dr.P. Mahalingam, completed his MBBS in 2005, Compulsory Rotatory Residential Internship from Madras Medical College in 2007 and MD Internal Medicine from Sri Ramachandra University, Chennai in 2012. He was admitted into Madras Medical College for DM Neurology program in the year 2012. He instead decided to pursue his passion of establishing Santosh Group of Hospitals, Diagnostic Centers and Educational Institutions as a Pan-India Healthcare network.

Message from Chancellor

Dr Manoj Goyal

Namaskar

We are on the threshold of completing, yet another landmark year in the journey of “Santosh “. We are past our Silver jubilee year with 25 years of glory and excellence in the field of Medical Education, Health care services & Research. The vision for the next milestone is to turn challenges into opportunities, Revamp existing Infrastructure, an Eco-friendly Green campus, Optimal use of resources both Human & technology thereby enhancing our performance and Capacity building. In the pursuit for implementing NEP 2020, we will have a Dynamic curriculum, based on national needs and global trends with an emphasis on bringing innovation & critical thinking, thereby promoting Translational research for a productive & memorable outcome.

Key achievements

1. University was awarded most innovative idea in the Healthcare sector by TCS & CII for E-ICU during covid-19
2. Our university fostered Academic & Research Collaboration with International Universities & Institutions like (Lincoln (Malaysia), WMU (USA), DPU (Thailand) & IndDEC (UK) (British centres for excellence)
3. As a part of Industry- academia Interaction 1st cadaveric workshop Conducted along with APAID for delegates from Vietnam in collaboration with Industry partner Noris (Israel)
4. Finally in our pursuit towards IOE (Institution of Eminence), we are Aggressively moving towards National & International Accreditation & Recognitions.

We look forward, you being a part of our this Endeavour

JAI HIND

Message from Vice Chancellor

Dr Tripta S Bhagat

Santosh Deemed to be University Ghaziabad is a leading educational institution committed to providing excellent education and healthcare services to its students and patients. It is always a pleasure to present the Annual report as it is always a reflection of your team's achievements, hard work and dedication. In this annual report, we present the achievements and progress of the university in the academic year 2021-2022. The university has made significant strides in various areas, including academics, research, innovation, and extracurricular activities.

Medical College and Hospital.

The university's medical college continues to be one of the most sought-after medical colleges in the country. The college offers undergraduate (UG) and postgraduate (PG) programs in medicine, and the number of seats has increased in both programs. In the academic year 2021-2022, the college increased the number of seats in MBBS UG courses from 100 to 150, and the number of seats in MD /MS PG courses to 107. PG program in Radiology and Emergency Medicine have also been introduced. This increase in seats has allowed more students to pursue their dream of becoming doctors and has helped to address the shortage of doctors in the country.

New Programs

In the academic year 2021-2022, the university introduced new programs in MSc and BSc. These programs are designed to provide students with the necessary knowledge and skills to excel in their chosen fields. The MSc program focuses on areas such as Radiology, Microbiology, and Health Management, while the BSc program is offered in B. Optom,

Anesthesias. These programs have been well received by students, and we have seen a significant increase in the number of applicants.

PhD Program

The university has also made progress in its PhD program, which is designed to promote research and innovation. In the academic year 2021-2022, the university enrolled several PhD students in various fields. The PhD program provides students with the necessary skills and resources to conduct cutting-edge research in their respective fields. The university is committed to providing a supportive and collaborative environment for PhD students to excel.

Research and Innovation

The university has made significant progress in its research and innovation initiatives. In the academic year 2021-2022, the university published several research papers in national and international journals. The university's researchers also filed several patents for their innovations, which have the potential to revolutionize various industries. The university has also supported several startups that have emerged from its research and innovation initiatives. These startups have created job opportunities and contributed to the country's economy.

Extracurricular Activities

The university recognizes the importance of extracurricular activities in the overall development of its students. In the academic year 2021-2022, the university organized several sports and cultural events to promote students' physical and mental well-being. The university also organized several Faculty Development Programs (FDPs) and Continuing Medical Education (CME) programs to enhance the skills of its faculty members. Additionally, the university conducted several workshops to provide students with hands-on experience in various fields.

In conclusion, the academic year 2021-2022 has been a year of progress and achievements for Santosh Deemed to be University Ghaziabad. The university has increased the number of seats in its UG and PG programs, introduced new programs in MSc and BSc, and made progress in its PhD program. The university's research and innovation initiatives have resulted in several publications, patents, and startups. The university has also organized several extracurricular activities to promote the overall development of its students. The university is committed to providing excellent education and healthcare services and looks forward to continuing its progress in the years to come.

With Best wishes Tripta S Bhagat Vice Chancellor, Santosh Deemed to be University, GZB NCR.

Introduction

A unique model Institution, Santosh Deemed to be University serves as a distinct institution delivering quality medical/dental education & healthcare services. In addition to offering degrees in Medicine & Dentistry, the University provides an environment for translational research and innovations in health sciences and comprehensive healthcare.

SANTOSH (Deemed-to-be University) has its roots in a group of Institutions established by the Santosh Trust. The Trust was established in 1995 by one of India's DYNAMIC CARDIOLOGIST, with the mission of empowering youth through quality, affordable health education and health services. The Trust has established 2 institutions spread in two campuses at Ghaziabad UP.

Santosh Medical College and Hospital and Santosh Dental College are the two colleges of the Trust, then affiliated to Ch, Charan Singh University and later was declared the two constituent Units of Santosh "Deemed to be University" by Ministry of Human Resource Development on 6th June 2007. Attaining the University status Ghaziabad based standalone Santosh Deemed to be University a health University is one of the perfect templates to define quality induced education. For any institution to rise above all and flourish, the quint essential pre-requisite needed is a body of dedicated faculty, sincere administration, and diligent students. When all these three meets and amalgamate, then we get a perfect blend of learning. Santosh University provides today's health sciences students with distinguished and committed faculty, who provide thoughtful and humanistic mentoring. State of the art learning facilities and clinical Labs.in teaching Hospitals. All the colleges are supported by on campus super-specialty teaching and network group of Hospitals. All the courses are recognized by the Ministry of Health and Family Welfare of the Government of India.

The university has been offering an MBBS course since 1995 with a total intake of around 50 students per year. 2005 onwards, the course was recognized by the Ministry of Health and Family Welfare of the Government of India and the capacity of accepting a particular number of admissions was increased to 100. 25years after its inception, the institute is considered as the best medical university of India.

In the same manner, Santosh Dental College started in 1995 with an aim of imparting a higher level education in dentistry. The institution offers a foundation course in BDS since 1996 by accepting about 40 students annually. But the number of admissions went up higher to 100 per year after 2005.

In 2022 the MBBS seats were increased from 100 to 150 and Postgraduate seats were also increased. Two more streams of Post graduation was also added to the Medical College, in Radiology 6 MD seats and 3 Emergency Medicine Seats were added.

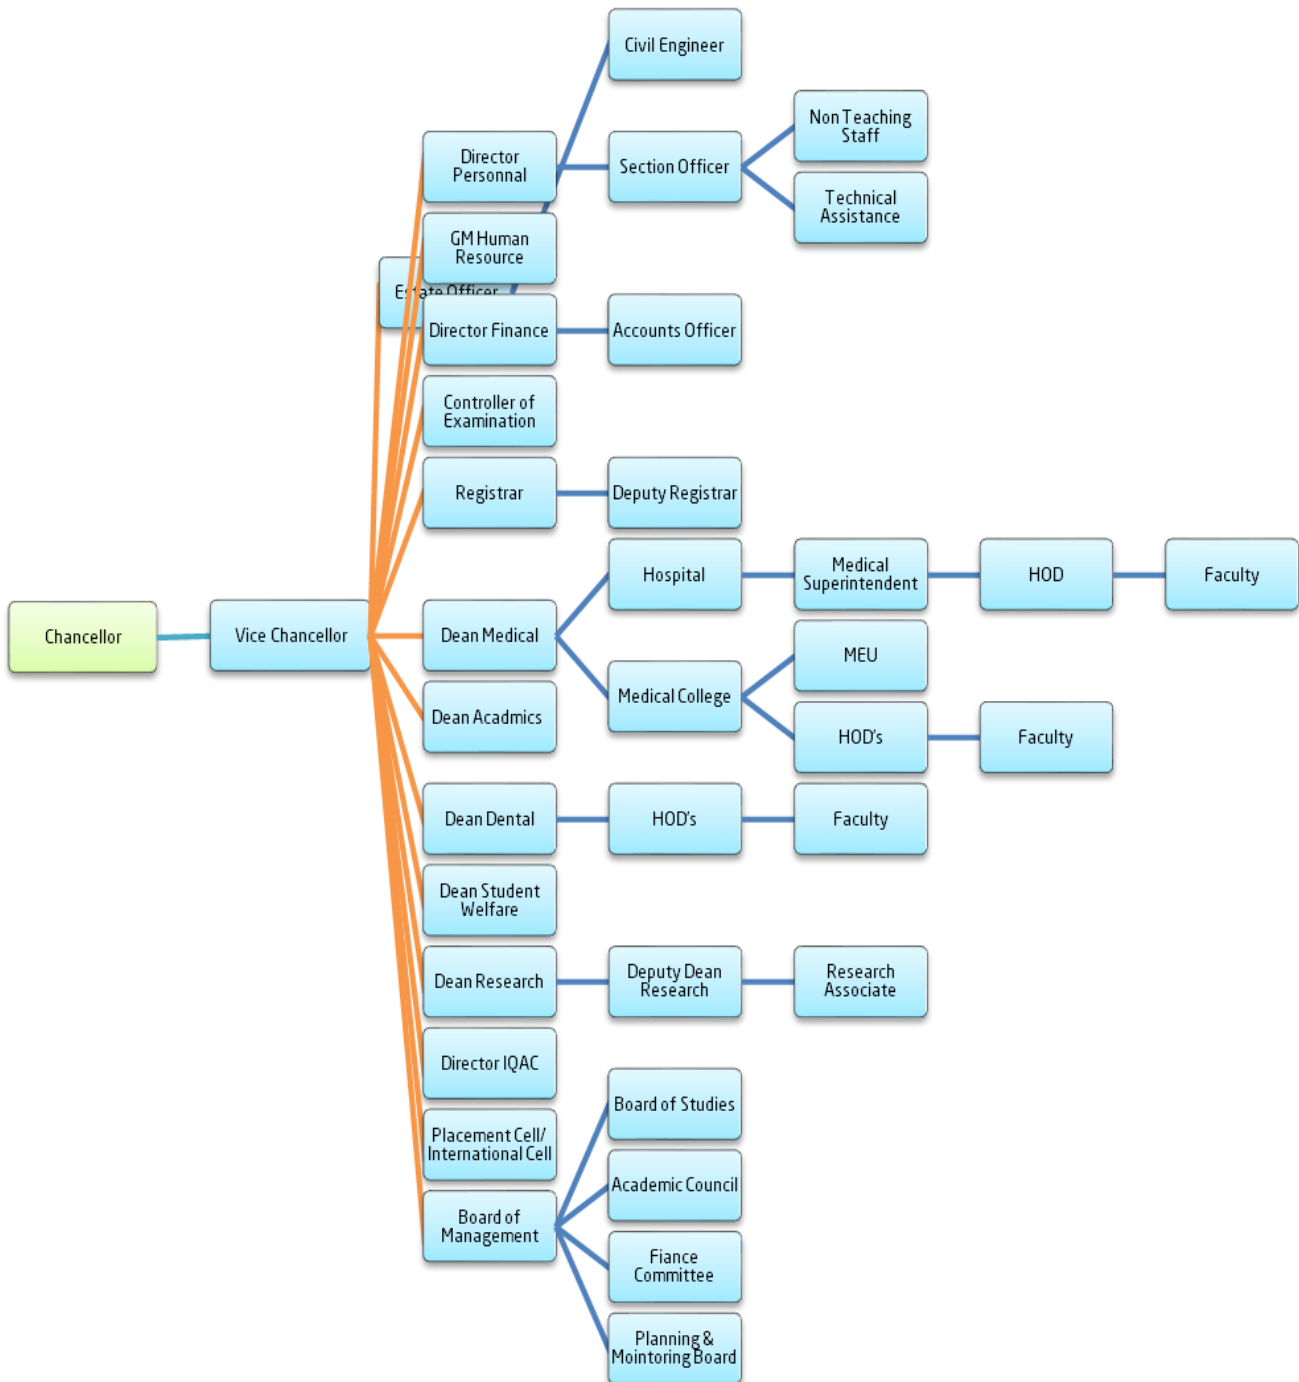

The offices of Santosh Deemed to be University are housed on the 4th floor of the Medical College. The University currently offers 44 programs in disciplines related to health sciences and dental Sciences.

These include undergraduate, postgraduate, doctoral and diploma programs. The University has attracted students from almost all the states of India as well as from international destinations. The professional programs have received uninterrupted recognition from the respective statutory Regulatory authorities.

M.Sc and Ph.D Courses were introduced in 2012 which were under the Ambit of Santosh Deemed to be University. . The students are provided with a plethora of 27 value added courses. In addition to their curriculum, 6 teaching programs are offered at the UG, PG and Ph.D. levels through 29 departments. The students are facilitated to participate in community-connect programs of village adoption, implementation of all national programs which enable them to evolve as holistic citizens of the country.

We have a standardized 'Mentor-Mentee system' which helps to assess the slow-learners and advanced learners on entry and implement special programs for both the groups without any stigmatization. Each mentor would have 10 students under their teacher-parent care system, which will take care of both academic and personal issues. These approaches include bridge and remedial courses, communication skill courses, and psychological counselling services for slow learners. The advanced learners are provided opportunities to take additional courses with extra credits, research projects, conference participation, etc., it is seen that this system has made normalization of all students and everyone becomes equally competent.

Dean, SMCH, GZB, | - | Chairperson |
| 2 Dr. Akshay Bhargava,
Dean, SDCH, GZB | - | Member |

Teachers:

- 3 Dr. Rani Srivastava
Professor of Clinical Psychology,
SMCH, GZB - Member
- 4 Dr. Seema Sharma
Professor of & Head of Oral Pathology &
Microbiology, SDCH, GZB - Member
- 5 Dr. Pradeep Kumar
Professor of Biochemistry, SMCH, GZB - Member

Non - Teaching Staff:

- 6 Mr. Ravindran In charge
Medical Record Department - Member
- 7 Mrs. Asha Lata Karanwal
Nursing Superintendent - Member

UG & PG Students:

- 8 Mehak Agarwal [MBBS 2017-18] - Member
- 9 Dr. Vidisha Singh [MD 2019-20] - Member
- 10 Dr. Ishann Malhotra [MDS 2020-21] - Member

Four members nominated from the panel of Group A,B,C & D by the Vice-Chancellor

- 11 Dr. Shalabh Gupta - Member
- 12 Dr. Preeti Sharma - Member
- 13 Dr. Dakshina Bisht - Member
- 14 Dr. Neelima Agarwal - Member
- 15 Dr. Gajendra Kumar Gupta
Professor of Community Medicine
SMCH, GZB. - Member Secretary

COMMITTEE FOR MONITORING THE CODE OF CONDUCT FOR TEACHING STAFF, NON-TEACHING STAFF AND STUDENTS

- | | | | |
|-----|--|---|------------------|

| 3. HOD of Periodontics, SDC&H
(Dr. Shweta Bali) | - | Member |
| 4. HOD of Conservative Dentistry &
Endodontics, SDC&H
(Dr. Sumita Giri) | - | Member |
| 5. HOD of Oral & Maxillofacial Surgery,
SDC&H (Dr. Amit Bihari Lal) | - | Member |
| 6. HOD of Paediatrics & Preventive
Dentistry, (Dr. Nidhi Gupta) | - | Member |
| 7. HOD of Oral Pathology & Microbiology,
SDC&H
(Dr. Neeraj Grover) | - | Member |
| 8. HOD of Public Health Dentistry, SDC&H.
(Dr. Priyanka Bhushan) | - | Member |
| 9. HOD of Oral Medicine Diagnosis &
Radiology, SDC&H | - | Member |

BIOMEDICAL WASTE MANAGEMENT COMMITTEE

- | | | | |
|-----|---|---|----------------|
| 1. | Dr. Susheel Gaur
Medical Superintendent
Santosh Hospital GZB | - | Chairperson |
| 2. | District BMW Officer | - | Invited Member |
| 3. | Quality Manager
Dr. Ashutosh Rawat,
Professor & HOD of Microbiology, SMCH | - | Member |
| 4. | Hospital Infection Control Officer
Dr. Ankita Gupta
Asst. Professor of Microbiology, SMCH. | - | Member |
| 5. | Nursing In-Charge
Ms. Dhina Jacob, ANS | - | Member |
| 6. | Medical Officer (Surgery)
Dr. Shalabh Gupta
Professor & HOD of Surgery, SMCH. | - | Member |
| 7. | Medical Officer (Emergency)
Dr. Ashok Kumar
Professor & HOD of Medicine, SMCH | - | Member |
| 8. | Medical Officer (Obst. & Gynae)
Dr. Manisha Gupta
Professor of OBG, SMCH | - | Member |
| 9. | Microbiologist/ Pathologist
Dr.K Gupta
Professor & HOD of Pathology | - | Member |
| 10. | OT Nurse/ Technician/ Assistant
Mr. Paliwal,
OT Technician | - | Member |
| 11. | Lab Technician
Mr. Ashwani, | - | Member |

	Lab Technician, Biochemistry		
12.	Housekeeping in-charge Mr. Vishnu Durai	-	Member
13.	Pharmacist Ms. Preeti	-	Member
14.	Nodal Officer Dr. Geeta Gupta Professor of Microbiology	-	Member Secretary

IQAC

Chairperson-

1. Dr. Tripta Bhagat - Hon'ble Vice Chancellor

Members -

Teachers to represent all level (Three to Eight):

2. Dr. Shalabh Gupta - Dean Academics
3. Dr. Alka Agarwal - Dean, Santosh Medical College & Hospital
4. Dr. Akshay Bhargava- Dean, Santosh Dental College & Hospital
5. Dr. Sushil Gaur - Medical Superintendent
6. Dr. Jyoti Batra - Dean Research
7. Dr. Rajiv Ahluwalia - Vice Dean Dental, Professor & Head Orthodontics
8. Dr. Kanika Bhalla - Associate Professor Oral Pathology
9. Dr. Mayurika Tyagi - Associate Professor Pathology

One Member from Management:

10. Sh. D. Balram

Suggested Senior Administrative officers:

11. Dr. Alpana Agrawal, Registrar
12. Dr. Gajendra Kumar Gupta, Controller of Examination
13. Dr. Ezhilrajan, Deputy Registrar

1. Sh. J. Kamalakanan, Finance Officer
2. Mr. Chakravarthy, General Manager (Admin) One nominee each from Local society, Students and Alumni:

Nominee Local Society -

1. Dr. Raj Arya, External Member

Students -

2. Mr. Arjit Bansal - Student (2018-2019 MBBS)
3. Dr. Hunny Sunil Khaitan (2020-2021 Prosthodontics)

Alumni -

4. Dr. Radhika Batra - Alumni (2016-2019 UG & PG)
5. Dr. Praveen Kumar - Alumni (2005-06 MDS)

One nominee each from Employers/Industrialists/Stakeholders:

Stakeholder -

6. Dr. Parvesh Miglani, Chairman, Diplomatic Dental Center

One of the senior teachers as the coordinator/Director of the IQAC:

7. Dr. Dakshina Bisht - Director IQAC, Professor of Microbiology

**SELECTION COMMITTEE FOR SELECTION OF VARIOUS FACULTY
POSTS (DENTAL)**

- | | | |
|---|---|------------------|
| 1. Dr. Tripta S Bhagat
Vice Chancellor
Santosh University, Ghaziabad | - | Chairperson |
| 2. Shri. Balram
Nominee of the BOM | - | Member |
| 3. Dr. Akshay Bhargava
Dean, Santosh Dental College | - | Member |
| 4. Dr. Rahul Paul
Professor & HOD of Orthodontics
and Principal, IP Dental College
External Expert | - | Member |
| 5. Dr. V.P.Gupta
Registrar
Santosh Deemed to be University, Ghaziabad | - | Member Secretary |

SELECTION COMMITTEE FOR SELECTION OF VARIOUS FACULTY POSTS (MEDICAL)

- | | | |
|---|---|------------------|
| 1. Dr. Tripta S Bhagat
Vice Chancellor
Santosh University, Ghaziabad | - | Chairperson |
| 2. Shri. Balram
Nominee of the BOM | - | Member |
| 3. Dr. Alka Agrawal
Dean, Santosh Medical College | - | Member |
| 4. Dr. Yogesh Goel
Professor & HOD of Paediatrics,
Saraswati Medical College
External Expert | - | Member |
| 5. Dr. Alpana Agrawal
Registrar
Santosh Deemed to be University, Ghaziabad | - | Member Secretary |

MEDICAL EDUCATION UNIT OF SANTOSH MEDICAL COLLEGE & HOSPITAL

1. Dr. Tripta S. Bhagat, Vice Chancellor - Officer In-Charge
2. Dr. Alka Agrawal, Dean - Member
3. Dr. Shalabh Gupta, Professor & HOD Surgery - Member
4. Dr. Ashutosh Rawat, Professor & HOD of Microbiology - Member
5. Dr. Veenu Agarwal, Professor & HOD of Paediatrics - Member
6. Dr. Manisha Gupta, Professor of Obst. & Gynae. - Member
7. Dr. Shivani Bansal, Professor of Medicine - Member
8. Dr. Deepika Agarwal, Professor & HOD Community Medicine - Member
9. Dr. Juhi Aggarwal, Professor & HoD Biochemistry - Member
10. Dr. Dakshina Bisht, Professor of Microbiology - Coordinator

A. The supporting staff

1. Mr. Siva Kumar - Stenographer
2. Mr. D. Kannan - Computer Operator
3. Mr. Govind - Technician in Audiovisual aids, photographer & artist

B. Equipments

- Two Multimedia PCs internet enabled with colour Monitors - 2
- Computers will be utilized for the entire media
- Operation, i.e. for connectivity with printers, digital
- Photography and scanners. It should have video-editing facility
- Multimedia projector - 2
- Screen for projection - 2
- Scanner + printer + copier - 1
- Laptop - 1
- Magnetic Board /flip boards - 2
- Overhead projector - 1
- PA system with cordless mikes (2) and Collar mikes (2) - 2+2

C. Journals - MEU/ college library should have:

1. Books on Medical Education - Ten
2. And should have access (print or web) to at least two of the following Journals
 - Medical Teacher
 - Medical education
 - Academic Medicine
 - The Clinical Teacher
 - BMC medical education

CONSTITUTION OF RESEARCH COMMITTEE

ADMISSIONS

The admissions to UG / PG Medical and Dental programs for 2021-22 was through merit of NEET only.

The admission to other courses offered by the University is based on merit in the qualifying examination, taking into consideration marks secured in the optional subjects relevant to the course.

CONSTITUENT COLLEGES AND HOSPITAL

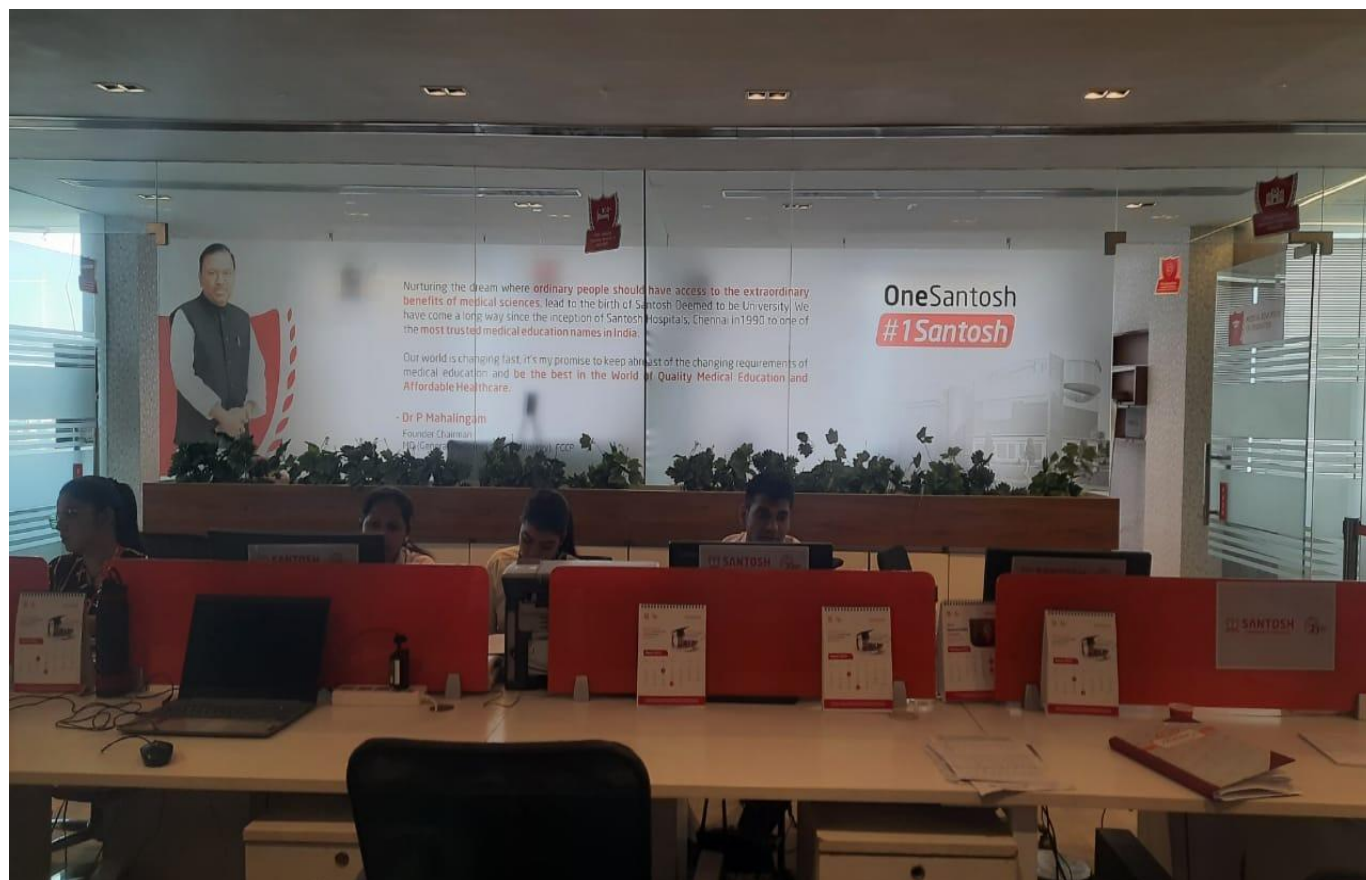

There are two Constituent Units of the Santosh Deemed to Be University.

1. Santosh Medical College and Hospital.
2. Santosh Dental Colleges and Hospital.

Santosh Medical College

Santosh Medical College and Hospital was established in 1995. The college has since produced twenty batches of medical graduates. Many of our students have done exceedingly well in academics and are pursuing their postgraduate career in Institutions of repute in the country and abroad. Medical Council of India has since accorded permission and duly recognized the College to start/ run Undergraduate Courses, Postgraduate courses in 20 disciplines. The college has been accorded the Deemed Universities Status by the Ministry of HRD duly recommended by UGC in the year 2007. The Medical College provides State-of-the-art facilities to boost the learning process.

Admission Cell

Courses under Medical Faculty

Under Graduate Programme

- M.B.B.S. (Bachelor of Medicine and Bachelor of Surgery)
- B. Optometry (B. Optom)
- B.Sc. Clinical Nutrition & Dietetics
- B.Sc. Clinical Nutrition & Dietetics
- B.Sc. Anaesthesia and Operation Theatre Technology

Post Graduate Programme

- M.D General Medicine
- M.D Pulmonary Medicine
- M.D Paediatrics
- M.D Anaesthesiology
- M.D Skin & VD

- M.S Ophthalmology

Ph.D Programmes

- Department of Anatomy
- Department of Physiology
- Department of Biochemistry
- Department of Microbiology
- Department of Community Medicine
- Department of TB & Chest
- Department of Haematology
- Department of Obstetrics & Gynaecology
- Department of Pharmacology
- Department of Clinical Psychology
- Department of Orthopaedics (Occupational Therapy)
- Department of Haematology
- M.D Radiology
- M.D Emergency Medicine
- M.D Psychiatry
- M.D Physiology
- M.D Biochemistry
- M.D Pathology
- M.D Pharmacology
- M.D Microbiology
- M.D Community Medicine
- M.D Anatomy
- M.S General Surgery
- M.S Orthopaedics
- M.S Obstetrics &Gynaecology
- M.S Oto-Rhino-Laryngology

M.Sc. Programmes

- M.Sc. Medical Microbiology
- M.Sc. Medical Anatomy
- M.Sc. Medical Physiology
- M.Sc. Medical Biochemistry
- M.Sc. Trauma & Critical Care
- M.Sc. Clinical Psychology
- M.Sc. Medical Lab Technology
- Master of Hospital Administration (M.H.A)
- M.Sc. Medical Imaging Technology
- M. Optometry

Courses under Dental Faculty

Under Graduate Programme

- BDS (Bachelor of Dental Surgery)

Ph.D Programmes

- Orthodontics & Dentofacial Orthopaedics
- Oral & Maxillofacial Surgery
- Paediatric & Preventive Dentistry
- Integrated Implantology

Diploma Programmes (Paradental)

- Diploma in Dental Hygiene
- Diploma in Dental Mechanics

Fellowship Courses

- Emergency Medicine
- Lingual Orthodontics
- Critical Care Medicine (CCM)
- Minimally Invasive Surgery
- Elderly Health Care
- Preventive And Interceptive Pedodontics
- Family Planning Program
- Transfusion Medicine

Post Graduate Programme

- M.D.S. (Prosthodontics and Crown & Bridge)
- M.D.S. (Conservative Dentistry & Endodontics)
- M.D.S. (Periodontics)
- M.D.S. (Orthodontics & Dentofacial Orthopaedics)
- M.D.S. (Oral & Maxillofacial Surgery)
- M.D.S. (Oral Pathology & Microbiology)
- M.D.S. (Paediatric & Preventive Dentistry)

- Paediatric Pulmonology
- EMG & NCS
- Endo-Urology (Fieu)
- Clinical Proctology
- Hands On Training Of Basic Posterior Segment Examination Techniques By Direct & Indirect Ophthalmoscopy
- Critical Care Medicine (FCCM)
- Oral Implantology

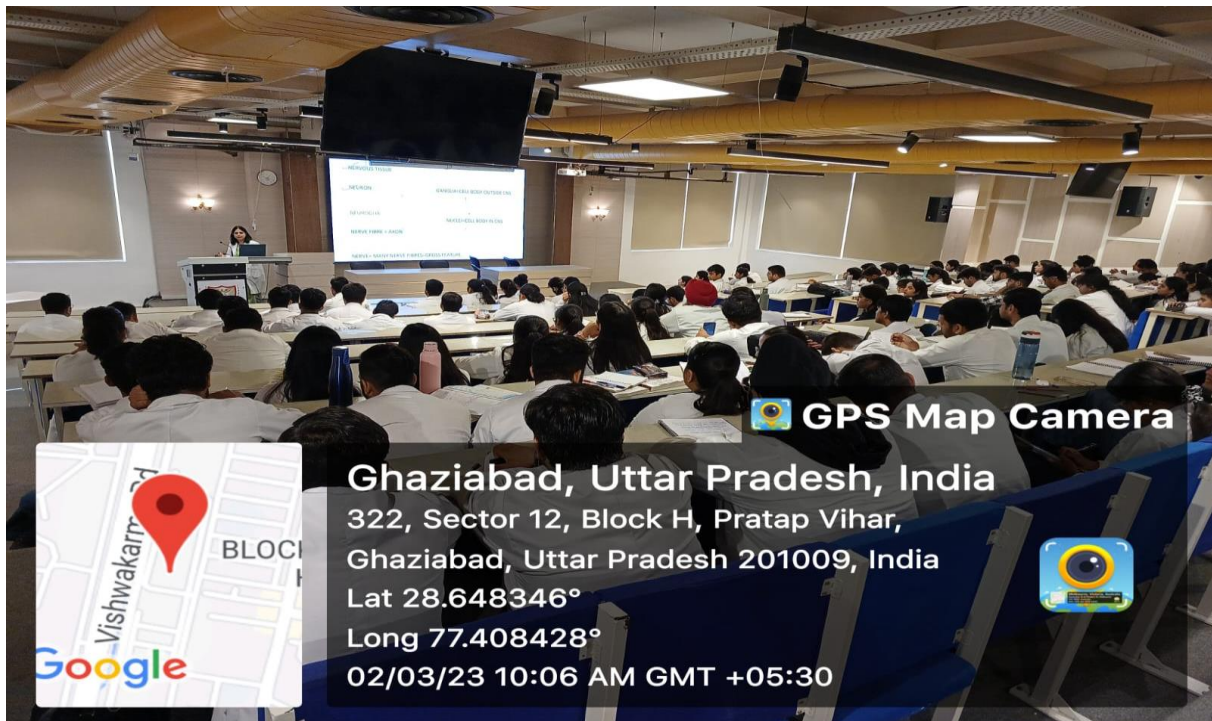

Value Added Courses

- Phlebotomy- Sample Collection And Its Procedures
- Fine Needle Aspiration And Exfoliative Cytology
- Early Intervention In Infants
- Adolescent Health
- Aesthetic Dentistry
- Delivering Bad News Skills For Life-Limiting Serious Illnesses And Life - Altering Chronic Illnesses
- Stress Management Skills At Workplace While Pursuing Academics
- Suturing
- Porcelain Laminate Veneers
- Electromyography [Emg], Nerve Conduction Studies [Ncs], Electroencephalogram [Eeg] And Evoked Potential [Ep]
- Infection Control
- Skills In Preventive Gynae-Oncology
- Approach To Vestibular Disorders
- Interceptive Orthodontics In Paediatric Dentistry
- Basic Suturing Skills On Suture Board
- Basic Laparoscopic Skills
- Methodology For Long Term Preservation Of Body And Body Parts
- Biopsy Procedures In Clinical Practice
- Study Of Nerve Conduction Velocity
- The Art And Science Of Taking Orthopantomographs And Lateral Cephalograms
- Splints And Plaster Technique
- Emergency Management Of Polytrauma Patients
- Basic Life Support [Bls] And Medical Emergencies
- Digital Scanning In Dentistry
- Master The Perfect Knot
- Course On Diagnostic Nasal

We have a premier 740+ bedded hospital in the heart of Ghaziabad. To provide quality care at subsidized rates to one and all based on our motto. Our facility in Ghaziabad brings Multi-Speciality care within the reach of a vast region of population. Recognizing the need to bring advanced technology and clinical expertise together, we have taken steps to choose both with the utmost care and have onboard, outstanding clinicians with an exemplary track record to lead and develop teams for excellence in practice, education and research. We are also committed to compassionate care as reflected in sensitivity and responsiveness to patients and their families. For us patient and family satisfaction is paramount. To empower the clinician, we have put together the technology that would enable early and accurate diagnosis and precision in treatment. For all care givers including nurses, technicians and paramedics who would build their careers with us, we offer an institutional ethos that would nurture individual growth and foster team spirit. While the need spurs us towards excellence in outcomes and care, we promise to always judge ourselves by global standards that are grounded in evidence-based medicine and cost-effective care. We have 250+ well experienced Doctors with 24*7 Emergency Services, Laboratory Services and Pharmacy

Our Specialties

▪ Anesthesiology	▪ Cardiology
▪ Cardiothoracic Surgery	▪ Cosmetic Surgery
▪ Critical Care	▪ Dental Care
▪ Ear, Nose & Throat	▪ Endocrinology
▪ Gastroenterology	▪ General Surgery
▪ Gynecology	▪ Immunology & Rheumatology
▪ Internal Medicine	▪ Neonatology
▪ Nephrology	▪ Neurology
▪ Neurosurgery	▪ Obstetrics
▪ Oncology	▪ Orthopedics
▪ Pediatrics	▪ Physiotherapy
▪ Plastic Surgery	▪ Psychiatry
▪ Pulmonology	▪ Trauma & Emergency
▪ Urology	▪ Radiology

Diagnosics

The hospital currently has facilities such as Laboratory (Biochemistry, Microbiology, Serology, Hematology, Clinical Pathology, Histopathology, and Cytopathology) Blood Bank, CTScan, X-ray, Ultra-sound, ECG etc., on site now. However, new equipment and newer diagnostic services are planned to make the hospital self-sufficient and ensure the patient can meet all his/her requirements for diagnostics under a single roof. Newer equipment are available the in the following areas:

- Ultra Sound
- ECG
- Labour R
- Laboratory
- Labour Room
- Colposcopy
- PFT
- MRI
- CT Scan
- Dietary Service
- BSL2 Lab
- Tread Mill
- XRAY
- Blood Bank
- ECHO
- Bronchoscopy

Santosh Dental College

The Government of India, under Section 10A (4) of the Dentists Act 1948, granted permission to start the BDS course with an intake of 40 students from the academic session 1995-96 in Santosh Dental College, Ghaziabad. Initially, the course started with 40 students. The Central Government granted permission for increasing the student capacity from 40 to 100 from the batch of 2004-2005. The students are given a complete understanding of the biological and physical processes of oral health care. They learn the skills associated with the prevention, diagnosis, and treatment of diseases related to the oral cavity. The associated dental hospital provides special dental care in pediatrics and oral surgery. The College imparts Real-Life, Experience-Based Teaching.

Courses under Dental Faculty

Under Graduate Programme

- BDS (Bachelor of Dental Surgery)

Ph.D Programmes

- Orthodontics & Dentofacial Orthopaedics
- Oral & Maxillofacial Surgery
- Paediatric & Preventive Dentistry
- Integrated Implantology

Diploma Programmes (Paradental)

- Diploma in Dental Hygiene
- Diploma in Dental Mechanics

Post Graduate Programme

- M.D.S. (Prosthodontics and Crown & Bridge)
- M.D.S. (Conservative Dentistry & Endodontics)
- M.D.S. (Periodontics)
- M.D.S. (Orthodontics & Dentofacial Orthopaedics)
- M.D.S. (Oral & Maxillofacial Surgery)
- M.D.S. (Oral Pathology & Microbiology)

1. Introduction:

As the University is a Deemed to be University declared under section 3 of the UGC act

1956, the Controller of Examinations takes the sole responsibility of the evaluation protocols and procedures for the conduct of all the University Examinations for its Constituent Units, viz.: Santosh Medical College & Hospital and Santosh Dental College & Hospital.

2. Examinations Calendar:

The Examinations Calendar for Academic Year 2020 - 21 is given below;

Batc	Examinations	Examinations Dates
BDS I	Regular	13.10.2021 to 23.10.2021
	Supplementary	21.02.2022 to 03.03.2022
BDS II	Regular	06.10.2021 to 23.10.2021
	Supplementary	21.02.2022 to 08.03.2022
BDS III	Regular	13.10.2021 to 29.10.2021
	Supplementary	21.02.2022 to 03.03.2022
BDS IV	Regular	06.10.2021 to 02.11.2021
	Supplementary	21.02.2022 to 23.03.2022

Batch	Examinations	Examinations Dates
MBBS I Prof.	Regular	05.01.2022 to 21.01.2022
	Supplementary	21.03.2022 to 05.04.2022

MBBS II Prof.	Regular	05.01.2022 to 21.01.2022
MBBS III Prof. (Part I)	Regular	21.02.2022 to 11.03.2022
MBBS III Prof. (Part II)	Regular	21.02.2022 to 12.03.2022
Batch	Examinations	Examinations Dates
MD/MS	Regular	02.05.2022 to 19.05.2022
	Supplementary	
MDS Final Year	Regular	04.05.2022 to 12.05.2022
M.Sc. I	Regular	16.08.2021 to 27.08.2021
M.Sc. Final		16.08.2021 to 25.08.2021
Ph.D. Course Work	Regular	21.03.2022 to 24.03.2022
	Supplementary	

Being a Medical University, our University conducted the examinations in offline mode, as per the NMC/MCI and DCI Guidelines.

3. Question Papers Preparation

- i. Panel of 5 Paper Setters and Panel of 5 External Examiners were obtained from the respective Heads of the Departments.
- ii. Vice-Chancellor selected any two from each panel and 2 sets of question papers for each course were obtained from the respective Paper Setters.
- iii. Around 149 sets of question papers have been received from the external paper setters for various subjects / papers for this year for the conduct of all Regular and Supplementary Examinations at all levels.
- iv. Moderation committee was constituted by the Vice-Chancellor and accordingly question papers were evaluated for validity. Difficulty level of the question papers was also assessed simultaneously.
- v. Three sets of question papers were prepared, printed and sealed for each of the courses for University Examinations.

All panels and Question papers were obtained in a confidential manner from the HODs and respective paper setters. Question Papers were moderated thereafter.

4. Conduct of Examinations:

- i. The date sheet / schedule of examinations was communicated to the students through mail and through hard copies on the Notice Board of the Institutions.
- ii. Sealed Question Papers prepared for each of the courses for University Examinations were opened 30 minutes prior to the start of each examination by an authorized person nominated by the Vice- Chancellor who chose one set among the three sets, in front of Superintendent of Examinations, Invigilators and students in the examination hall on examination day.
- iii. All Examinations were conducted with Integrity and with high discipline.
- iv. After the examinations, the answer sheets were collected and bundled in the respective covers and sealed properly.

5. Evaluation Process:

- i. For this Academic Year, overall 95 External Examiners were invited from other institutions from within and outside the state and 91 internal examiners were appointed from the institution for the conduct of Practical Examinations and Valuation of Theory Papers.
- ii. The Answer sheets were evaluated in multiple valuation mode by both Internal as well as External Examiners as per the regulations.
- iii. The results were submitted to the Controller of Examinations on the same day or at the earliest possible along with the answerscripts in a sealed envelope.

6. Results Declaration:

- i. The results were tabulated, checked and verified.
- ii. The Result Declaration Committee was constituted under the directions by the Vice Chancellor.
- iii. The results were discussed in a meeting of the Result Declaration Committee, after which result were finally passed for release and publication.
- iv. Accordingly, the results were published on the Notice Board and at the University Website within a period of 14.3 days on an average.

v. Summary of Results:

S.No.	Year	No. of students Appeared	No. of students Passed	Pass Percentage	Last day of Exami	Date of Result Declarati	Average Days for Result

1.	M.Sc.	I	23	23	100	27.08.2021	06.09.2021	10
2.	M.Sc.	III	11	10	91	25.08.2021	11	
3.	BDS	I	89	84	94	23.10.2021		
4.	BDS	II	52	52	100	23.10.2021		
5.	BDS	III	72	72	100	29.10.2021	09.11.2021	13
6.	BDS	IV	57	57	100	02.11.2021	11	
7.	MBBS	I	101	94	93	21.01.2022	31.01.2022	10
8.	MBBS	II	98	87	89	21.01.2022	2	
9.	MBBS	III P-I	100	87	87	11.03.2022	21.03.2022	9.5
10.	MBBS	III P-II	97	93	96	12.03.2022	2	
11.	Ph.D.	I	32	8	25	24.03.2022	21.04.2022	28
12.	MD /	III	28	27	96	19.05.2022		15.5
13.	MSDS	III	16	16	100	12.05.2022	31.05.2022	

7. Students Grievances on Evaluation:

- i. There were 04 students who applied for retotaling among the students who have appeared for the Examinations.
- ii. The average days considered for redressal is 15 days.
- iii. All 04 students' grievances were resolved.

S.No.	Program me	Total No. of Appeared	No. of student raised Query	Queries solved	Percentage of queries resolved
1.	BDS	70	0	0	100%
2.	M.Sc.	34	0	0	
3.	MBBS	396	4	4	
4.	MD / MS	28	0	0	
5.	MDS	16	0	0	

8. Examination Reforms during 2021 - 2022:

- i. All the University Examination Regulations and Exam related Procedures were uploaded online to students for better accessibility at all times.
- ii. The University has driven into a paperless system of Question Papers setting. The Question Paper Setter Panels were invited through Emails and

received online in a protected mode from the HODs. Email invites were sent to Question Paper Setters. Question Papers were received online through a secured Email id. The moderation of Question Papers is also done in a paperless manner.

- iii. Similar process was followed for inviting the External Examiners too. Each HOD sent the Panel in a protected form. Further all interactions with External Examiners were completely paperless.
- iv. Examinations are conducted under CCTV coverage and Mobile Jammers installed to prevent students from using unfair means.
- v. The university has automated system of Examinations through ERP integration for Students interface. Examinations Forms, Admit Card generation, marking of Examinations Attendance, Award of Marks and Results Tabulation is being automated using the ERP system.

Research

Santosh University has progressively improved its research capabilities and outcomes over the last five years. The university now has a colossal mass of faculty and students dedicated to quality research. High standards of research and impact factor in the research publications by the faculty and the students indicate an improved performance of Santosh University in the field of research.

A progressive outlook on developing the university's research capabilities is reflected in:

- More than 100 scholars actively involved in various researches
- Progressive improvement in research outcomes with more than 200 publications
- Tie-ups with national and international institutions to strengthen research activity

Facts and Figures

Environment

- 100 plus faculty and research scholars - 56 professors and 45 Ph.D. students
- Tie-up with leading research institutes in India
- Eminent professionals guiding research scholars
- International collaboration for joint research and faculty development

Outcomes

- Total number of papers published (indexed 2009 - 14): 260+
- Number of papers published (SCOPUS): 94
- Number of books published: 23
- Received "Young Scientist" award from I

Research 2021-2022

S.NO.	NAME	TOTAL
1	Seed Money by Institution	53.6 Lakhs
2	Teachers awarded national/ international fellowship / Financial support	16.3%
3	Research fellows in the university enrolled during the last five years	09
4	Grants for research projects / clinical trials sponsored by non-government sources	187.71
5	Grants for research projects / clinical trials sponsored by government sources	1.0
6	Grants for research projects / clinical trials sponsored by government/non-government sources	188.7
7	Ratio of research projects/clinical trials per teacher funded by government / industries and non-government	0.51
8	Awards / recognitions received for innovation / discoveries	34
9	Start-ups incubated on campus during the last five years	2

16	Revenue generated from advisory / R&D consultancy projects	206.65
17	Extension and outreach activities conducted in collaboration during the five years	39
18	Percentage of students participating in extension and outreach activities	20.2%
19	No. of Collaborative activities per year	33
20	No. of Collaborative activities per year	32

NATIONAL & INTERNATIONAL COLLABORATIONS.

Collaborations between Institutions are beneficial in forming global partnerships and fostering relationships with other institutions. The number of students choosing to study internationally is constantly increasing and hence it is only logical that Universities would want to increase internationalization and attract applicants from across the globe.

For most students it is an opportunity to travel internationally via exchange programs at partnered Universities and provide students the ability to study, work and travel in an international capacity.

Santosh University is an educational hub and invests in cross cultural University partnerships. This helps to propagate academics, research and health care needs of the society. As a result of the expansion of communication methods academics and researchers are finding it easier than ever to collaborate with their other organisations in making the exchange of academic ideas much simpler to organize as sharing of experience is essential for both academic and scientific accomplishment.

Santosh has established well for over two decades and has got a committed team of teaching and non-teaching staff members. The Team is poised to take the success story of this institution to other parts of the State/Country. The UP Government has approved establishing a new Medical College at the nearby District in the ensuing academic year. The Trust has ambitious plans to impart quality medical care facilities at competitive cost.

The engagement between academic research faculties and industry is a pathway for significant benefit to University, Industry and Society. Our University has more than 68 International & National MOU & Collaboration that benefit our staff and students at large.

Information of Technology Unit

IT in University ensures usage of technology to store and access information for the benefit of student and faculty. The ultimate goal of IT in an academic set up ensures overall dissemination of quality and updated information to keep student and faculty in sync with the latest. The University has a committed IT team who constantly reviews and renews the IT infrastructure to facilitate the teaching learning and administration. The students and teachers are regularly trained in terms of the updated software available in order to meet the global demand in learning, research and communication. The virtual experience of education through IT expands and helps the students to explore what they would otherwise be missing. Students admission, periodic evaluation through out terminals and professional examinations, helps to assess short comings and take corrective actions at the right time.

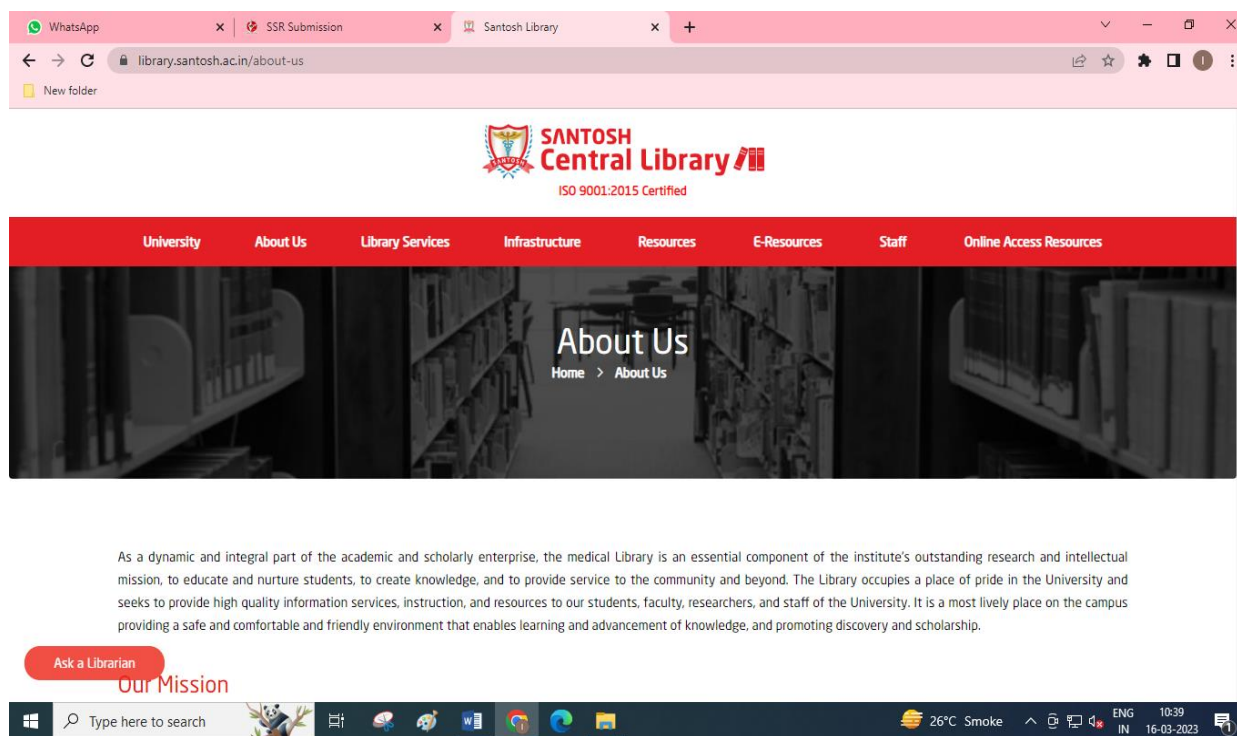

The University prioritizes plans for adequacy of infrastructural development on teaching learning and administration. The following are the SOP adopted for ensuring adequate infrastructure:

- At the beginning of the academic year need - assessment for replacement / up gradation / addition of the existing infrastructure is carried out based on the suggestions from BOS members through the Heads of Departments
- HOD after reviewing course requirements, working condition of the existing equipment and students' grievances (if any) including the suggestions of the Faculty members, Lab Technicians and System Administrator and recommend for the above.
- Optimal deployment of infrastructure is ensured through conducting workshops/training programs for faculty on the use of new technology.
- The University always been reviewing the current needs and accordingly the internet bandwidth in the campuses were upgraded from time to time. The current bandwidth of Internet Facility is 500 MBPS.

Prominent Initiatives are as follows:

- ERP is utilized for core functions such as student admissions, evaluation, administration, placement, alumni and finance etc.
- 5 Lecture capturing system from Impartus are available that are automated audio-video recording solution for classroom lectures. It helps the student to access the lecture again anytime and anywhere later. It provides them with close to a classroom experience. It is also supported by easy interface of editing. It is presently utilized by 29 departments.
- CAL in Pharmacology gives students a virtual experience in pharmacokinetics and pharmacodynamics, keeping in mind animal ethics.
- The campus is 100% Wifi enabled giving the students an access to journals and other e resources from any part of the campus.
- The Departments are equipped with 290 computers and laptops supporting 31 LCD/ OH projectors.
- There are 4 smartboards available in the lecture theatres.

Central Library

As a dynamic and integral part of the academic and scholarly enterprise, the medical Library is an essential component of the institute's outstanding research and intellectual mission, to educate and nurture students, to create knowledge, and to provide service to the community and beyond. The Library occupies a place of pride in the University and seeks to provide high quality information services, instruction, and resources to our students, faculty, researchers, and staff of the University. It is a most lively place on the campus providing a safe and comfortable and friendly environment that enables learning and advancement of knowledge, and promoting discovery and scholarship.

The Medical Library exists to serve, support, and enhance the teaching, learning and research needs of the medical community by:

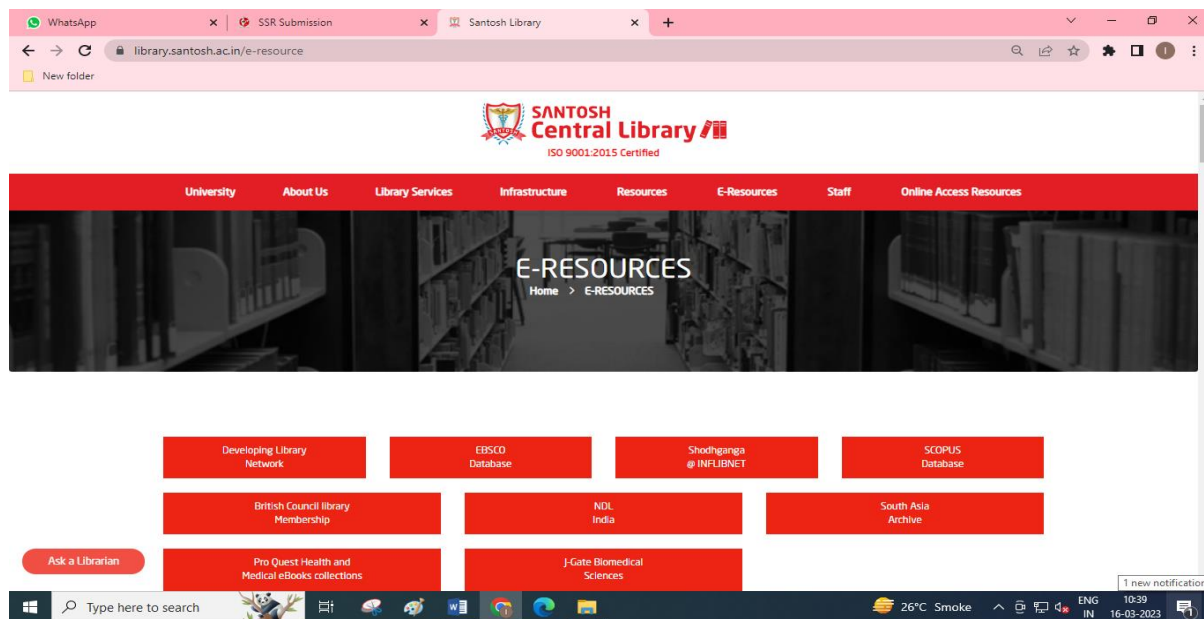

- Delivering the highest quality information when, where, and in the form needed.
- Contributing to the development of knowledge within the academic community.
- Providing education to ensure effective use of information and information-gathering methodologies for lifelong learning.
- Collaborating with educators, researchers and healthcare providers in planning and executing the information components of programs conducted by those groups.
- Maintaining up-to-date knowledge of information technology and advances in health sciences informatics in order to improve the distribution of information.
- Fostering the use of resources by alerting users to new products and actively promoting the full range of library services.
- Encouraging interaction with clientele to determine priorities and evaluate programs.

- Contributing to the scholarship of health sciences librarianship and informatics, and participate in University, professional and community activities.
- 'Recruiting, developing, and retaining a diverse, exceptional faculty and staff committed to the achievement of the Library's Mission.
- Creating an exemplary program of library outreach to the 'University community and beyond.

The Medical Library is located at the first and second floor of the Medical College Building.

Report on Orientation and training on NISP

Organized by Ministry of Education's Innovation Cell

Nominated Senior Faculty: Dr Jyoti Batra, Dean Research

Date-29/07/2021

An Online Orientation cum Training Session on NISP Implementation for 3rd phase nominated faculty- 29 July, 11:00 AM-12:00 PM

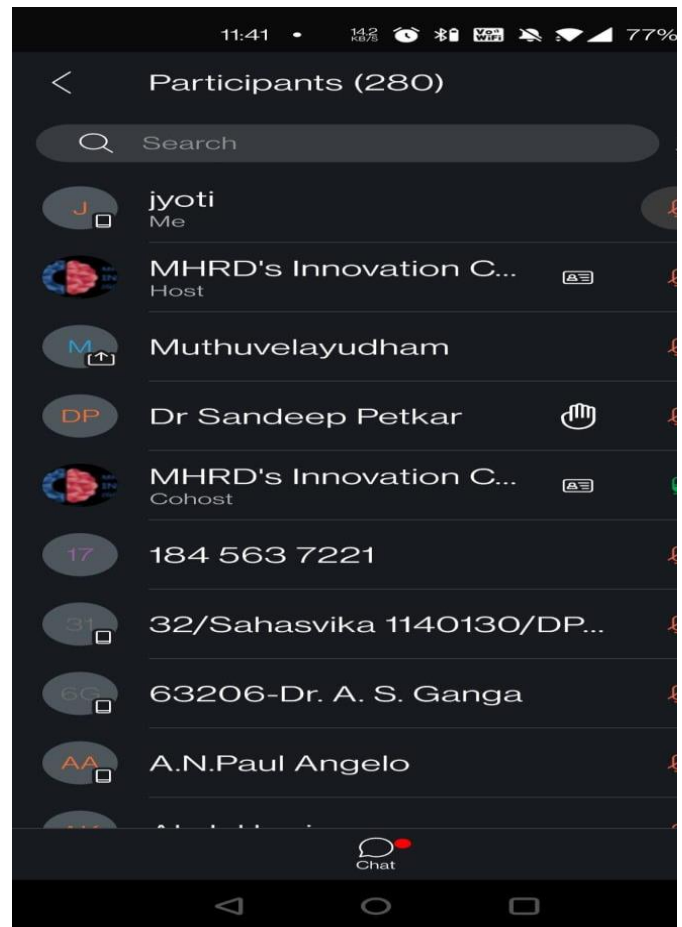

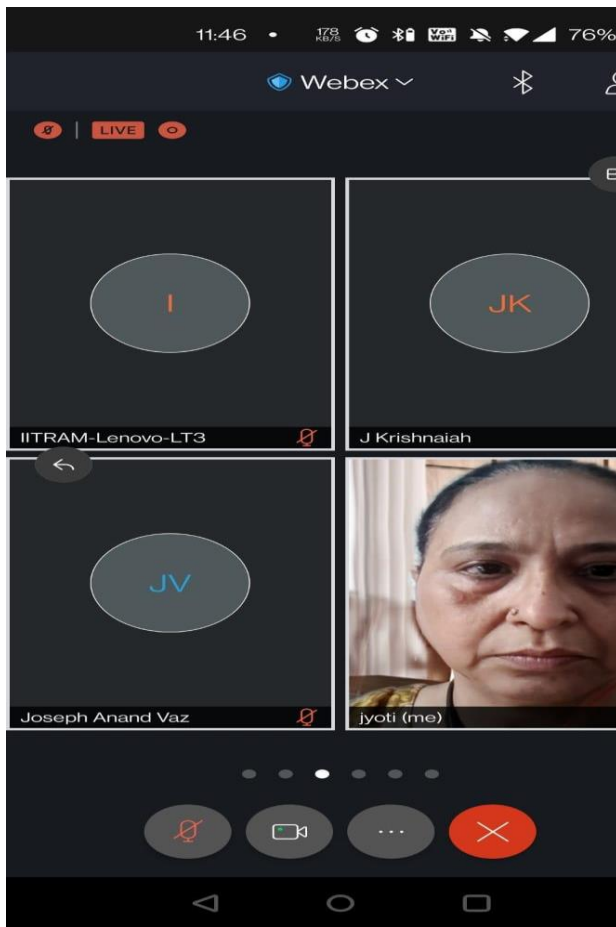

As nominated senior faculty from Santosh Deemed to be University, I attended the session 'Orientation cum Training session' organized by the Ministry of Education's Innovation Cell.

Learning Objectives of the session were:

1. Why should HEIs adopt and where to start the adoption of NISP?
2. What are the provisions and components in NISP for HEIs to implement?
3. What are the desirable approaches, expected outcomes, and likely impacts which will be created both at the Micro & Macro level and Short- and Long-Term?
4. Task Sheet preparation: To do list for adoption; Submission of progress on NISP dashboard
 - 280 senior nominated faculty participated in the event

Outcome

1. To constitute IIC and register with innovation cell of Government
2. A set of 'to do list' will be shared with each participant of HEI

DEPARTMENT OF DERMATOLOGY & PATHOLOGY

Event Report

TITLE-DERMATO-PATHOLOGY CASE (DPC) MEET

Department of Dermatology and Pathology organized an Inter-departmental Clinico-Pathological case meet on 15th July 2021, at Santosh Hospital, Ghaziabad. It was attended by the esteemed faculty and post graduate students of Department of Dermatology and Pathology. Dr Aarthi (P.G 2nd year) Department of Pathology addressed the meet. Two skin biopsy cases were presented by the post graduate students of Dermatology and Pathology. Expert opinion and discussion were done by Dr V K Garg, Professor and Head of Department Dermatology, Dr Priyal, Senior Resident, Dermatology Department and Dr Mayurika Tyagi, Associate Professor and Dr Abhishek Pathre, Assistant Professor, Pathology Department. Finally vote of thanks was given by Dr. Aarthi (P.G 2nd year), Pathology Department. Thanks to Dr Abhishek Pathre, who played an important role in coordinating the

event and guiding the PGs in making their presentation. Special thanks to Dr. Mayurika Tyagi for his guidance throughout the presentation. It was a good activity and we hope to have such activities in future to achieve the ultimate goal of patient care.

Tangible Outcomes

Skilled presentation and discussion with a good deal of audience participation and thought provocation made this DPC effective.

Respected Madam/Sir,

The event report is for your kind information, review, records, and further use in press-releases/promotions/other purposes appropriately.

DOCTORS DAY

National Doctors Day is celebrated on July 1, to mark the birth and honour the contributions of renowned physician and former West Bengal chief minister Dr Bidhan Chandra Roy.

On this occasion, CME was conducted by department of ENT on topic **“Innovations, Outcomes and New techniques in ENT”**. A panel of guest senior faculty was invited and *Transoral Robotic Surgery* was discussed with the panel.

TORS is a new emerging technique where surgeon uses *Da Vinci* system for oral surgeries for inaccessible areas with far better outcomes. Its role in oral cancers and its advantages and disadvantages over the conventional methods was discussed in detail for the understanding post graduate students.

Department of Community Medicine
FIELD VISIT

Event- Visit to the Sewage Treatment Plant

AIM- To conduct a field visit to the Sewage Treatment Plant and teach students about the methods adopted for treatment of sewage.

Date- 9th Aug 2021

Time- 10 AM

Venue- Sewage Treatment Plant, Dundaheera, Ghaziabad

Activity- The Department of Community Medicine, Santosh Medical College, Ghaziabad conducted a field visit to Sewage Treatment Plant, Dundaheera, Ghaziabad for the MBBS graduates and the Interns posted in the department.

The staff of the treatment plant arranged an on-site visit and explained the process followed in their premises. Steps of sewage treatment including screening, sedimentation, aeration and chlorination were explained to the students in detail. The quality standards being followed and tests employed after disinfection of water like checking the pH, calculating the biological oxygen demand (BOD), chemical oxygen demand (COD) and other laboratory tests were also taught to the students.

Students -Fourteen (14) students of MBBS Batch 2020-21 and Interns of Batch 2016-17 posted in the Department of Community Medicine, Santosh Medical College, Ghaziabad.

Team-Dr. Anupama Singh, Dr. Nehajetli, Mr. Rajesh Kumar, Mr. Naresh.

**Santosh Deemed to be University
Department of ENT
Activity Report**

Department of ENT organized a Webinar on Recent Advances in Ear Surgery on 11th August 2021. A panel of senior guest faculty was invited to speak upon and discuss the newer surgical developments in ear surgery.

Latest modifications in Endoscopic ear surgery equipment like the different camera settings, endoscope holders and light energy sources that reduce the thermal injuries to the middle ear during surgeries.

A new surgical visualization system called the 3D exoscope system, a viable alternative to surgical microscopes for otologic and neurotologic surgery which can be used to access difficult angles during the surgeries.

Residents also learned about the technical improvements and growing expertise in the handling of the endoscope which allows introducing an exclusive endoscopic approach to the middle ear, lateral skull base, middle cranial fossa, and posterior fossa/cerebellopontine angle pathologies.

Santosh Deemed to be University

Azadi ka Amrit Mahotsav Resolve@75 was celebrated on 13.8.21 at Santosh Deemed to be University at Santosh Medical College and Santosh Dental College from 3.45pm to 5pm.

86 participants were there including Chancellor Dr Manoj Goyal, Vice Chancellor Dr Tripta S Bhagat, Deans, Registrar, HoDs of different departments, Faculty, Staff and Students.

Opening Speech was given by Chancellor Dr Manoj Goyal, following which 3 events were conducted

- 1.** Running of 2 kms
- 2.** Brisk Walk from Santosh Medical College to Santosh Dental College.
- 3.** Kite Flying

National Flag was respected and all the participants vowed to keep themselves Fit by exercising daily for minimum 30 minutes. They also pledged to educate other masses also.

President of Prosthodontic Society of India Dr Akshay Bhargav was invited as Peoples Representative in this event.

Multiple activities of Sports are planned till 2nd oct 2021 by the University on daily basis.

Santosh University
Summary of Program Conducted**

- **Name of Workshop- Post Partum Care Program**
- **Venue-** Post Partum Ward, OBGY Department
- **Date /Month/Year-** 3.9.2021-4.9.2021
- **Organising Unit /Collaborating agency-** The Department of Obstetrics & Gynaecology , Santosh deemed To Be University, in collaboration with 'First Cry'
- **Number of participants- Faculty/Students with proof-** 7 faculty/ 6 Postgraduate students/Post-partum patients

- **Expenditure incurred if any-** None

Post-partum period is a time which requires medical and emotional support for the mother to take care of her ailments after delivery and to help her accept the responsibility of the newborn baby. This is the time when the body regains its pre pregnancy state, both anatomically and physiologically. The support of health care staff and the family plays a vital role in helping the mother to cope up the physical and psychological stress.

An initiative was taken by the department of Obstetrics and Gynecology along with the company of 'First Cry', where free gift hampers were distributed to the patients who delivered at Santosh hospital. The gifts contained basic requirements for the newborn along with sanitary pads for the mother.

Participants
- **Expenditure incurred if any-** None

India is home to 243 million adolescents - children aged 10 to 19 years - the most adolescents of any country. It accounts for about 21.3% of population of the country. These young children come across different health problems varying from adolescent nutritional deficiencies to behavioural disorders, mental health problems, teen pregnancy and its related complications including unsafe abortion etc. A big challenge is that majority of these children and their parents are either unaware or ignorant of these problems. Hence as health care workers, we should create awareness in this target population. A virtual session was taken for adolescents and their parents of Rotary club of Ghaziabad by Dr Neelima Agarwal, Professor & Head, Santosh Deemed to be University, Ghaziabad, on 4.9.2021. The session

was attended by more than 50 participants from the Rotary club of Ghaziabad.

**SANTOSH DEEMED TO BE UNIVERSITY
TEACHERS DAY CELEBRATION
Date: 6TH SEPTEMBER, 2021**

A Day Dedicated to Teachers

Teacher's Day is celebrated in India every year on 5th September to appreciate the role played by teachers in the life of students-the leaders of tomorrow. The day is also celebrated to pay tribute to Dr.Sarvepalli Radhakrishnan, former President of the country and a visionary educator. Amidst the pandemic, Santosh Deemed to be University celebrated this day with great enthusiasm on 6th September, 2021 from 2- 3.30 PM to express gratitude to the teachers. Teachers mould the lives of the students by guiding them by enriching their personalities, imparting ethical and moral values and have more influence on them. This day is dedicated to the teachers with the sense of respect, appreciation, encouragement and support for their devotion to their students. The whole event was meticulously planned by the Student Committee and the IQAC The program started with a short game for teachers which was cheered on by the students as the teachers were being welcomed by students with flowers as a mark of respect.

Honourable Chancellor, Vice Chancellor, Registrar, Dean Academics, Dean Medical, Dean Dental, Dean Research and IQAC Director graced the occasion with their presence. The programme commenced with positivity and prosperity with the lamp lighting ceremony and was followed by an invocation song. Words of wisdom were imparted our honourable Chancellor Sir and Vice Chancellor mam who thanked the students for their efforts and wishes for teachers day.

Few awards were distributed to the students who won the intercollegiate event by our University and along with the cash prizes that were given earlier the winners were felicitated

by their certificates. Student Research cell organised the Best Innovative Research Idea Award were given to the winners with certificates and their efforts were appreciated.

The cultural programme unfolded with a dance performance sang many beautiful songs and recited few poems on teachers' day which have made the event much more successful and glorious. As kit on the theme, life@college was the highlight of the event and the performances of all the students entertained the audience a lot.

Overall event was very successful and full of entertainment, blessings, wishes and emotions. All the teachers were really happy and students took pictures along with them. The team work of student committee was commendable and the decorations have increased the beauty.

The entire programme was applauded by everyone present and will always remain a beautiful memory in the hearts of one and all present.

VERTICAL INTEGRATION: DEPARTMENT OF BIOCHEMISTRY & PEDIATRICS

The Department of biochemistry organized a lecture for MBBS & BDS 1st year students (batch 2020-21) and post graduate students on 17th September 2021 on the topic of "METABOLIC SCREENING AND INBORN ERRORS OF METABOLISM" by Dr. K.C. Aggarwal, Prof & head, Dept of Pediatrics, Santosh Medical College and hospital. The session was moderated by Dr. Juhi Aggarwal, Prof and Head, Department of biochemistry.

The main objective of this guest lecture is to enhance the knowledge of the students on the clinical aspects of inborn errors of metabolism, its rationale diagnosis and management. This interactive session was based on new technologies and practical approaches in the field of genetic endocrine disorders. The special emphasis was on correlation of biochemical aspects of metabolism with the clinical presentation. The active participation of the students was well appreciated by the Orator.

The session was followed by the clinical case study and MCQ questionnaire which was filled by students.

VALUE ADDED COURSE: DEPARTMENT OF BIOCHEMISTRY

The Department of biochemistry inaugurated and organized the first session of value added course for MBBS 1st year students (batch 2020-21) on 11th September 2021. The value added course is titled as Phlebotomy- sample collection and its procedures. The session was introduced by Course Director, Dr. Juhi Aggarwal, Professor & head, Dept of Biochemistry. The session included a talk on the Clinical Anatomy of Venous System by Dr Arun Nagtilak, phlebotomy principles by Dr. Sojit Tomo and POCT Principles & training by Dr. Juhi Aggarwal. The session was well received by the participants. The course is divided into 4 parts covering every consecutive Saturday from 11/09/2021 till 16/10/2021. The course is well defined & learning is delivered by the experienced faculty of the Santosh Medical College & Hospital.

VALUE ADDED COURSE- II: DEPARTMENT OF BIOCHEMISTRY

The Department of biochemistry organized the 2nd session of value added course for MBBS 1st year students (batch 2019-2020) on 18th September 2021. The value added course is titled as Phlebotomy- sample collection and its procedures. The session was introduced by Course Director, Dr. Juhi Aggarwal, Professor & head, Dept of Biochemistry with a talk on Clinical Biochemistry sample analysis. The session included a talk on the Basics of standard precautions for sample collection by Dr Arun Nagtilak. The session was well received by the participants. There was overall learning with respect to the processes involved in the diagnostic laboratory.

SANTOSH DEEMED TO BE UNIVERSITY
DEPARTMENT OF PULMONOLGY & ANAESTHESIA
SANTOSH MEDICAL COLLEGE & HOSPITAL

Topic: "Sepsis & mechanical ventilation for ARDS".

Department: Pulmonology & Anaesthesia.

Date & Time: 18.09.2021 at 12.00 PM

Venue: Dept. of Pulmonology Santosh Medical College, Ghaziabad.

Speaker: Dr. Anil Kumar, Dr. D Sarkaar.

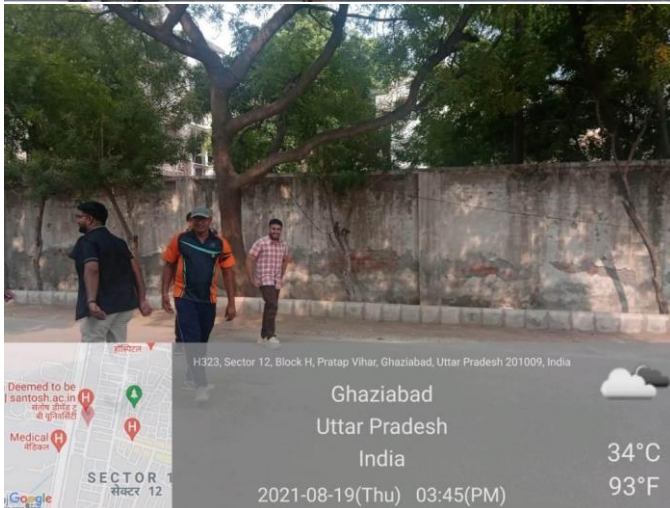

No. of Participants: All PGs of Both Dept.

Saturday dated 18/09/21 we had academic discussion and interaction with Anaesthesia department. Topic- Sepsis & mechanical ventilation for ARDS Patients. Participated by Consultants and PG. from both departments. Senior faculty members share their ideas & experiences. Fruitful academic session. Thanks everyone for their contribution. Looking forward for such sessions with other department as well.

Department of Biochemistry

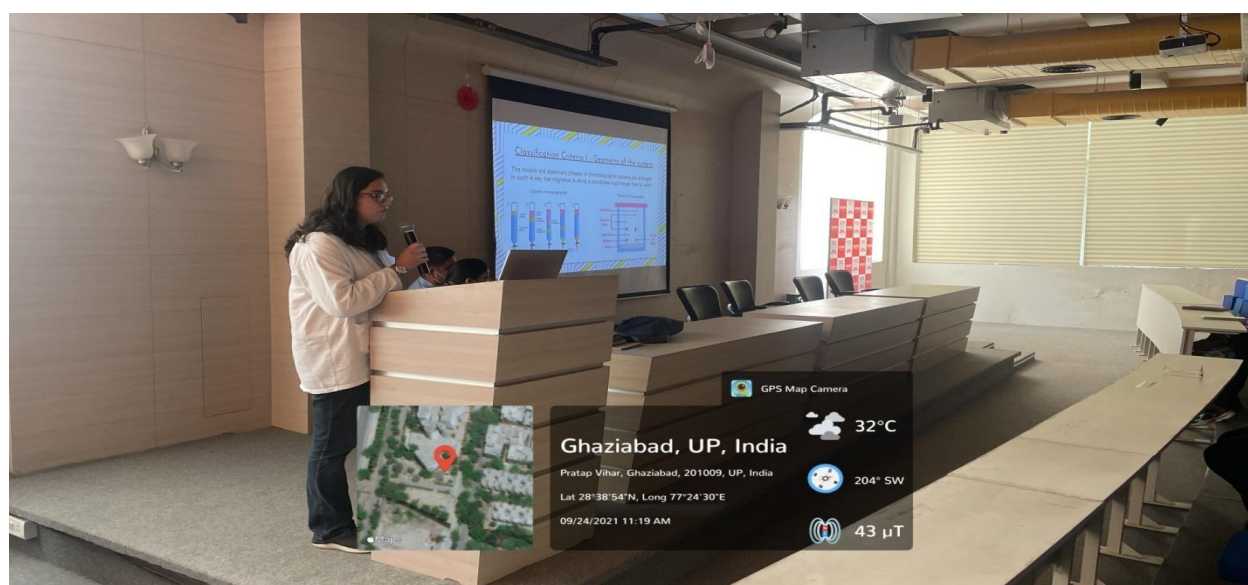

- **Name of Event-** SDL activity-LAB Instrumentation.
- **Venue-** Maharaja Hall , Santosh Medical College
- **Date /Month/Year-** 22,24,29 Sep 2021
- **Organizing Unit /Collaborating agency-**
- **Number of Participants- Faculty/Students with proof-** 100
- **Expenditure incurred if any-** None
- **Program conducted-**

HIGHLIGHTS DEPARTMENT OF BIOCHEMISTRY- SDL ACTIVITY

Department of biochemistry organized a discussion under the **SELF DIRECTED LEARNING initiative on 22.09.21, 24.09.21 and 29.09.21 for MBBS 1st year students (batch 2020-2021)**. There was dynamic participation amongst students and faculty from the department of biochemistry.

Throughout the activity, which was conducted under the supervision of the mentors i.e. faculty of the department, a great deal was learned. The topic was "**LAB INSTRUMENTATION**" where the whole batch was divided as Batch-A, B, C, D, E AND F. The various lab instrumentation techniques were discussed in the teaching activity which includes- colorimetry, sample collection procedures, spectrophotometry, Ph meter, and chromatography and sample collection. These techniques provided the students aid required for the laboratory processes and their principles but also showed the communication, team work and social skills involved. This revealed that biochemistry is not just about experimentation and development of method to reach new understanding, but is very much focused around social aspects and the friendly interaction with like-minded people in which one can further their knowledge.

Santosh Deemed to be University Santosh Medical College & Hospital Summary of Program Conducted

- **Name of Event-** Road Safety Week 2021
- **Venue-**Reception Area, Santosh Medical college & Hospital
- **Date /Month/Year-**29 Sep 2021
- **Organizing Unit /Collaborating agency-** Dr. Shalabh Gupta Dean Academics& Dr. Alpana Aggarwal Medical Superintendent , Santosh Medical College

- **Number of Participants- Faculty/Students with proof-** More Than 100 of Faculties, PG and UG students and Public.

- **Expenditure incurred if any-**None

- **Program conducted-**

Road safety week 2021 Scheduled from 24 to 30 September 2021 was celebrated at Santosh Hospital Ghaziabad on 29th Sep 2021. It was organized by Dean Academics Dr. Shalabh Gupta along with Medical Superintendent Dr. Alpana Aggarwal, Faculty, Junior & Senior Doctors, Students & public Participated in the campaign.

3 Activities were done:

1. Awareness Campaign about road safety.
2. Distribution of fliers.
3. Road Safety Pledge.

REPORT ON NATIONAL HEALTH SKILLS CONCLAVE (NHSC) 2021

HIGHLIGHTS OF WORKSHOP were

- Largest and 1st of its kind health skill workshop in the country.
- Medical Dental and Paramedical Skills
- Acquired skills for the safety and betterment of healthcare services.
- Complete health care sector participation.
- Dedicated audience of 700+ participants from colleges all over the country
- 100+ national faculties.
- Prioritized learning while social distancing
- New conceptual learning for a modern India
- Potential hub for innovation
- Equal participation from all its member students, interns, PGs & faculty
- Motivational / Leadership Lectures
 - Lecture on Management of Research and Innovation.

Date:25/11/2021

To,

Dr. Shalabh Gupta ,

Organising Secretary,

Santosh Medical College, Ghaziabad

Sub.- Regarding request for grant of CME Accreditation

Sir/Madam,

Please refer your letter dated received 24 November 2021 by email with receipt number 9/21. It is noted that the **Santosh Medical College, Ghaziabad** is conducting the Workshop/Seminar /Conference /CME /Webinar/Live Surgery '**Various Topics**' on 25 November 2021 at Santosh Medical College, Ghaziabad.

It is also noted that CME will be imparted during the conference by the organizer. Since U.P. Medical Council has no policy of Accreditation of CME points of its own. At present it has been decided that the norms for Accreditation CME points as per MCI, New Delhi CME guideline will be adopted. This council is awarding Three (3) accreditation hours for a day and awarding you Three (3) hours as per your schedule.

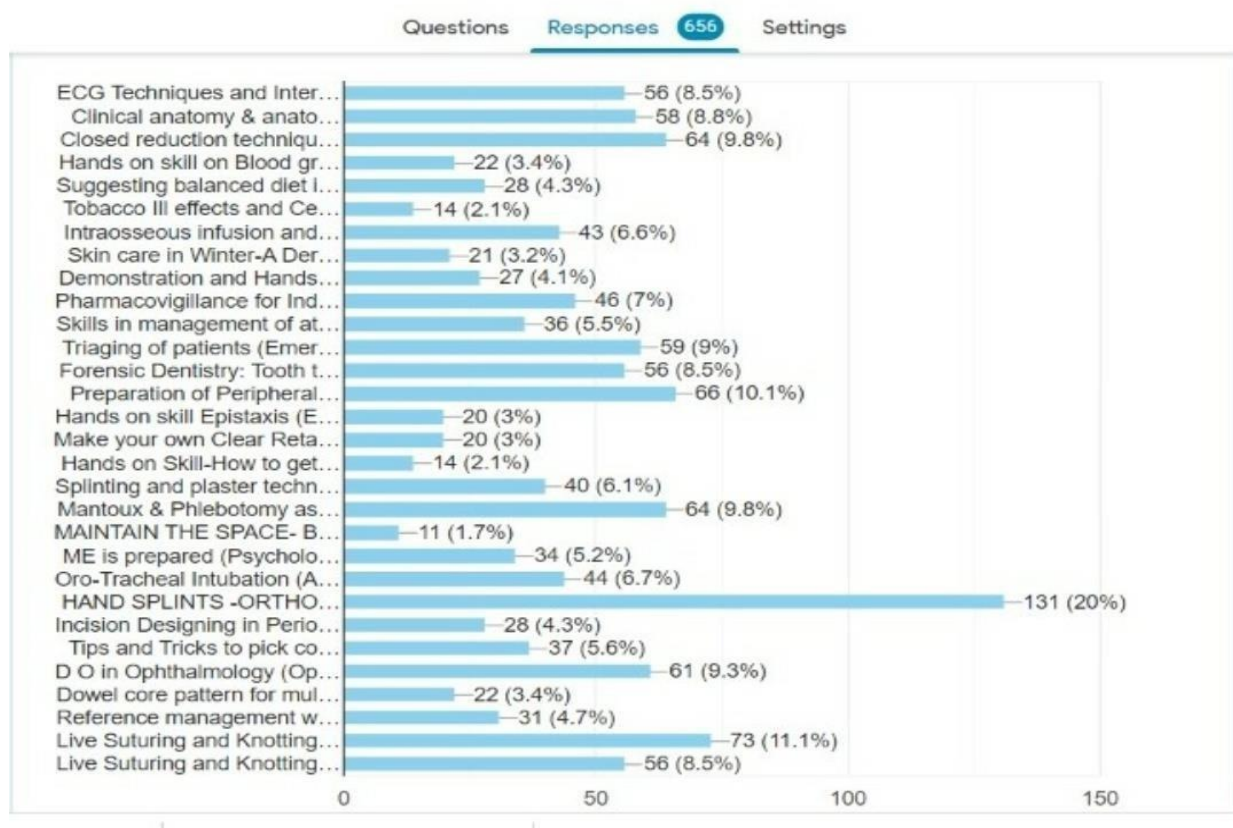

I would like to inform you that Accreditation for CME programme is hereby granted as per schedule of Credit Hours, as approved by U.P. Medical Council. Please submit the list of Experts who attended the CME programme along with their registration numbers (if possible) and also provide **Consent of Patient for Live Cases** (If Any).

I wish you good luck for successful conduction of the conference.

Santosh Medical College, Ghaziabad Department of General Medicine

Hand on Skill: "ECG Techniques and Interpretation".

1.1 Time: 9.00 AM to 10.00AM

Venue - Hall A

1.2 Total 56 People registered online for this skill.

Event Report:

National health skill conclave was held at Santosh medical college on 25/11/2021 for developing medical skills in MBBS and BDS students by all the departments in pertaining to various clinical skills.

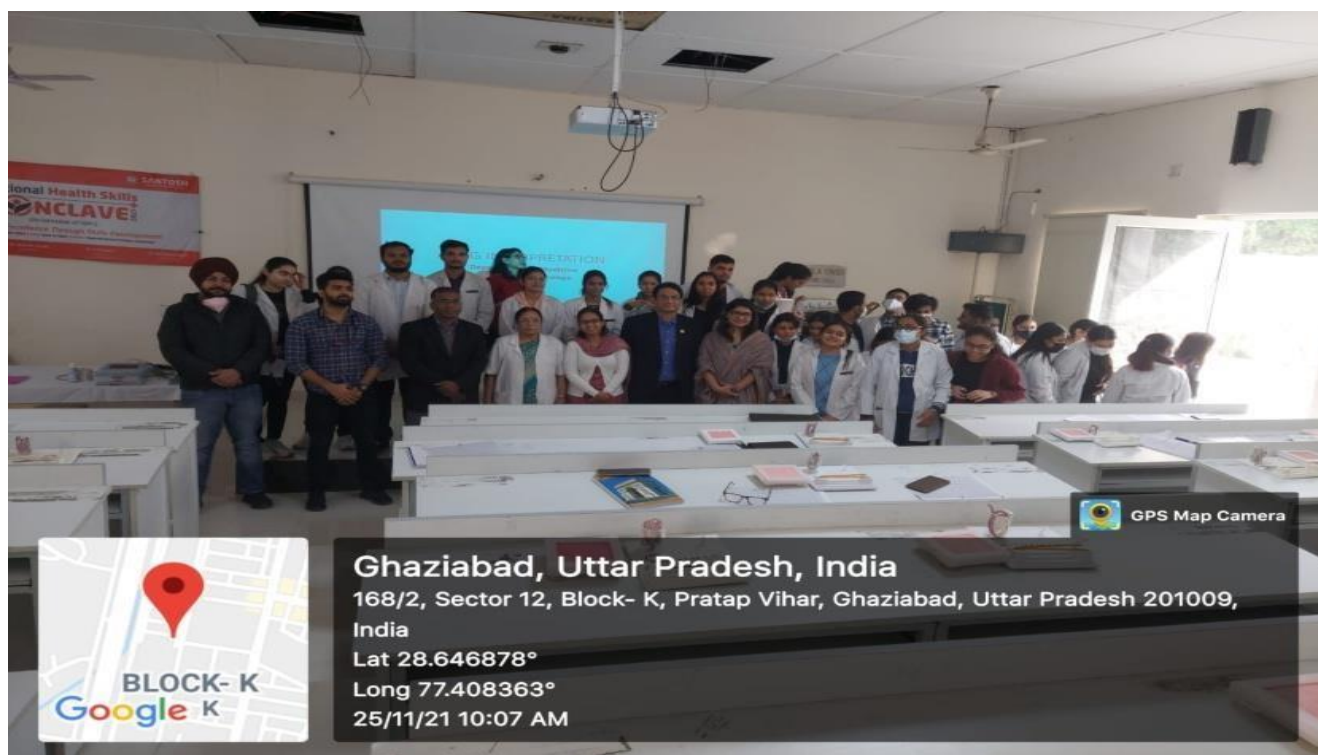

A lecture on **ECG techniques and interpretation** was conducted in Santosh Medical College by the department of General medicine and an interactive workshop was conducted using hands-on experience, group learning or other interactive teaching methods. The workshop was attended by Dr. Shalabh Gupta (Dean Academics , Santosh Deemed to be University), Dr Alka Aggarwal (Dean Santosh deemed to be university) Dr. Ashok Kumar (HOD , department of General Medicine) , Dr. Shivani Bansal (Professor , department of General medicine) and Dr. Kailash Chandra Aggarwal (HOD, Department of Pediatrics), Medical & Dental Faculties and Students, .

The Workshop started with welcoming Dr. Shalabh Gupta who also delivered the opening remarks. Then an interactive lecture was delivered on ECG introduction by Dr. Ashok Kumar using ECG Machine, Interactive Visuals, and hands on experience in ECG recording on paper and basic principles of electrocardiography were taught to all the students. It is very important to understand the basic principle of ECG formation, recording & Method prior to interpretation without which the inference is incomplete with respect to disease process. Dr. Shivani Bansal delivered an interactive lecture on ECG reading and interpretation in various

pathologies of the heart. The workshop was an interactive session between the Students and professor with questions and query on ECG reading and interpretation. Closing remarks were delivered by Dr. Ashok Kumar by stressing upon the need for accurate interpretation of ECG by medical professionals in various life threatening emergencies

SURGERY SKILLS - SUTURING & KNOTTING

Department of General Surgery conducted SURGERY SKILLS - SUTURING & KNOTTING on 25th Nov 2021 in NHSC 2021. 135 students participated. Faculty who taught the Skills were: Dr Shalabh Gupta Dean Academics and HoD Surgery, Dr Tripta S Bhagat VC and Prof of Surgery, Dr Gyanendra S Mittal Prof of Surgery and Dr Rahul Gautam AP Surgery. Pgs of department also participated actively.

135 students who participated were given Hands on Training on Suture Boards and Knotting Boards.

In each session 50 students were taught. They were taught:

1. How to handle Needle holder, Forceps and Scissors
2. How to load a Needle and Suture
3. Hand movements
4. How to make a surgical knot
5. How to make a hand knot
6. How to make proper use of suture
7. Art of Suturing and Knotting

Full one hour was devoted and students enjoyed the practice.

**Santosh Medical College &
Hospital Santosh Deemed to
be University Department of
Gynaecology & Obst.**

Hand on Skill: "Skills in management of atonic PPH".

Time: 12.00 Pm to 1.00PM Venue - Hall A

Name of Skill - SKILLS IN THE MANAGEMENT OF ATONIC PPH

Department- Department of Obs & Gynae, Santosh Medical college& Hospital

Faculty Coordinators- Dr Neelima, Dr Alpana, Dr Manisha

Organizing Unit /Collaborating agency- Department Of Obstetrics &Gynaecology , Santosh Deemed To Be University

Details of Skill -

Department of Obstetrics & Gynaecology, Santosh Deemed To Be University, conducted a workshop on **Skills on prevention of atonic PPH on 25/11/2021.**

Following activities were conducted-

Welcome address- Dr Neelima Agarwal (Professor and Head)

Introduction to PPH-A Challenge to Safe motherhood- Dr.Manisha Gupta (Professor)

Role play directed by Dr. Supriya Chaubey (Assistant Professor).The role play depicted a scenario of the labourroom where a lady has just delivered and now having Postpartum hemorrhage. The concept of PPH drill was well portrayed and the importance of quick reflexes of an obstetrician to control the hemorrhage and thereby saving a younglife was emphasized through the role play. The importance of Team work and presence of a senior obstetrician was also illustrated. The participants were Interns and Post graduates of the Department

Hands on session - Manual massage, bimanual compression of uterus and exploration of perineum and cervix onMannequin - Dr Sugandha Dev (Assistant Professor)

B-Lynch sutures were demonstrated on the models of the uterus indigenously made by the Department - Dr. Seema Naushad (Senior Resident)

Condom catheter ...hands on the Foleys catheter and condom - Dr Sonia Kuruvilla (Assistant Professor)

The participants were the students of MBBS. All the participants were given hands on training for different techniques required in emergency in a case of PPH. A total 50 students participated in the workshop.

CLINICAL ANATOMY & ANATOMICAL SKILLS THROUGH MODEL MAKING

The Dept. of Anatomy is pleased to participate in NATIONAL HEALTH SKILL CONCLAVE, organized by Santosh University under the patronization of our CMD sir-DR P. MAHALINGUM , VC sir- DR SANTOSH MAHALINGUM& supervision of Prof.(Dr)Shalabh Gupta-(Dean Academics) & his team.

The topic was:

"CLINICAL ANATOMY & ANATOMICAL SKILLS THROUGH MODEL MAKING"

OUR AIM:

1. TO MAKE THE STUDENTS UNDERSTAND THE REAL ANATOMY OF HUMAN PARTS& CREATE THEM (AS READ INBOOKS OR SEEN WHILE DISSECTION).
2. THROUGH MODEL MAKING,WE TEACH THE DEVELOPMENTAL PROCESS OF HUMAN BODY & EXPLAIN THEDEVELOPMENTAL ANAMOLIES
- 3.HELPS THE STUDENTS IN UPDATING & POLISHING THEIR CREATIVE ABILITIES
- 4.HELPS IN CORRELATING KNOWLEDGE OF ANATOMY WITH CLINICAL PROBLEMS

COORDINATOR ,PLANNER& EXECUTOR : DR NISHA V. KAUL, PROF & HOD ANATOMY,SMC-GZB

STUDENTS OF FIRST YEAR , THIRD YEAR & PHDSCHOLARS OF ANATOMY STUDENTS WHO ACTIVELY PARTICIPATEDMs Manu Gupta- PhD scholar SAHIL PUNIYA SUMAN PANJA SANJIVNI SHARMA SAMIKSHA GOYAL

PRARTHANA PATHAK NIDHI YADAV KANISHKA SINGH SANYAM SANGWAN KESHAV SOOD SAMBHAV TRIPATHI

HOW WAS IT CONDUCTED

THE WHOLE EXERCISE INCLUDED:

1. Conceptualizing the plan
2. Procurement of material
3. Model making
4. Capturing the pics of models
5. Making a PPT of them
- 6 Live demonstrations of models along with their projection on screen

Name of the Skill - How to plan and calculate a balanced diet for an adult

Department - Department of Community Medicine

Faculty Coordinators - Dr. Anupama Singh (Assistant Professor), Dr. Abhishek (PG - IndYear)

Details of Skill - The conclave was conducted on 25/11/21, in Hall B of Dental College. The topic of the session was "How to calculate and plan a balanced diet for an adult?" It was a one- hour session and 28 students enrolled for it. The sub-topics included:

- What is balanced diet?
- What are micro-nutrients and macronutrients?
- How to calculate calorie intake, protein, carbohydrates and fats in a balanced diet.

Students were interested in calculation of Basal Metabolic rate (BMR) and asked questions regarding Ideal weight calculation. Students were given exercise regarding adequate calorie intake calculation based on BMR and level of activity of an adult. Most of the students were able to correctly do the exercise and understand the procedure for adequate calculation for balanced diet. Furthermore, in future workshops we can hold sessions for dietary calculation in case of diabetics, hypertensives, burn patients and other such cases.

GEOTAGGED PICTURES OF THE EVENT

Department of Dermatology

Hand on Skill: "Skin care in winter-A Dermatologists perspective".

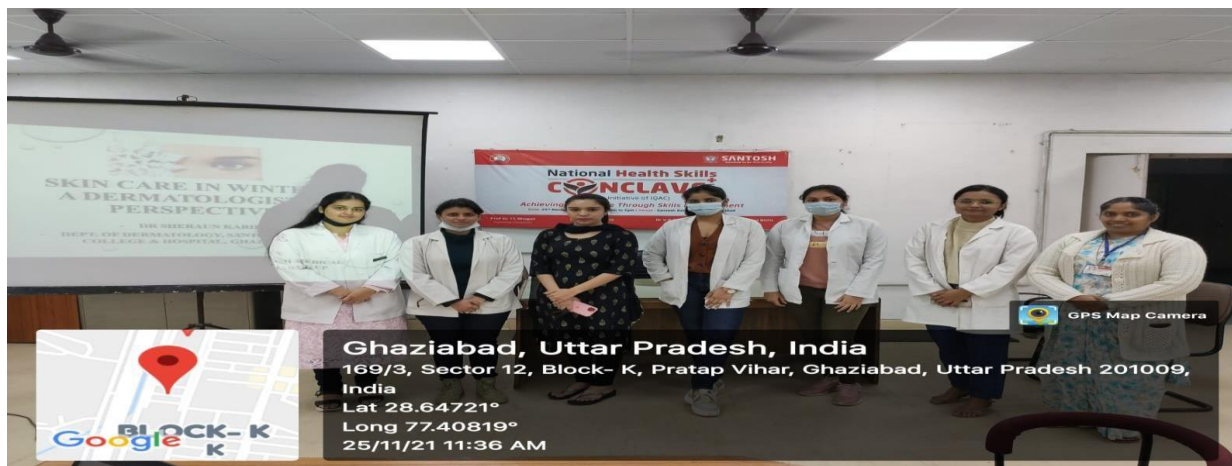

Time: 11.00 AM to 12.00 PM

Venue - Hall B

On 25th of November 2021, department of Dermatology, Venereology & Nephrology at Santosh medical college and Hospital Ghaziabad have given a talk in National skills conclave 2021. Our aim was to make the students well acquainted to "Skin care in winters" by discussing the various dermatoses caused in winters and some practical solutions on how one can prevent and treat them. Total 6 Students attended.

Department of Biochemistry & Microbiology

Hand on Skill: "Mantoux & Phlebotomy as skills learning hands on training" Time: 2.00 PM to 3.00 PM

Venue - Hall B

Name of the Skill: PHLEBOTOMY

Department: BIOCHEMISTRY

Faculty Coordinators: Dr. JUHI AGGARWAL and Dr. SOJIT TOMO
Details of Skill:

The Phlebotomy session at the Skill Conclave was conducted from 2-3 PM at Hall B. The students were divided into two batches with

Microbiology and Biochemistry conducting the sessions simultaneously. After half hour each the batches were swapped between the departments. Each session started with the presentation on Phlebotomy given by Dr. Juhi Aggarwal, Head of Department, Biochemistry. The principles of phlebotomy were discussed by Dr. Sojit Tomo.

The presentation introduced to the students the topic of Phlebotomy, its history and the duties of a phlebotomist. The presentation also illustrated the different types of tubes used in Phlebotomy and impressed upon the participants the importance and rationale of the order of draw to be followed while collecting a sample. The presentation illustrated the various sites for drawing blood and concluded with the common problems that may be encountered while drawing blood.

Following the presentation, the students were demonstrated the technique of phlebotomy on Mannequins by Mr. Manoj Tyagi, Senior Technical supervisor, Central Lab, Santosh Hospital. The different colour coded tubes were displayed and the analytes estimated in each tube was discussed. In addition, needles of different gauges were also shown to the participants. The students were given the hands-on opportunity to identify and palpate the vein, draw the blood from the mannequin and transferring the blood to different tubes. The ideal methods of phlebotomy were discussed during the demonstration and the questions raised by the participants were addressed after the demonstration. The session concluded with a group photo of the instructors and participants. The enthusiastic participation of the students encouraged the faculty to bring about various other biochemical techniques for hands on training.

Name of the skill: Mantoux test

Venue: Hall B Dental Block, Santosh University

Organizing Department: Microbiology

Date: 25/11/2021

Duration: 2 hrs

Faculty coordinators: Dr. Ashutosh Rawat, Dr. Dakshina Bisht, Dr. Ritu Jain and Dr. Ankita Gupta

Details of skill:

Workshop conducted in skillcon 2021 on 25th November 2021. Mantoux test, also known as Tuberculin skin test is a tool for screening tuberculosis and for tuberculosis diagnosis. The skill

programme was attended by undergraduate students of medical college, paramedical and postgraduate dental college students. Under this activity the skill was imparted under three sections:

- a) Administration of Mantoux test
- b) Reading of results
- c) Interpretation of Mantoux test

The preparation steps included collecting of supplies, providing patient education, washing hands, locating and cleaning the injection site, and preparing the syringe. When preparing to administer the Mantoux tuberculin skin test, the area for administering the test should have a firm, well-lit surface, and that equipment and supplies should be ready. Supplies should include a vial of tuberculin, a single-dose disposable tuberculin syringe, a ruler with millimeter (mm) measurements, 2x2 gauze pads or cottonballs, alcohol swabs, a puncture resistant sharps disposal container, record-keeping forms for the patient and provider, and a pen. The tuberculin is administered using a single-dose disposable tuberculin syringe that has a one quarter to one-half inch, 27-gauge needle with a short bevel.

Participants were explained about the principle and method of Mantoux administration on suitable mannequins. Students were explained about the process of reading of the test. They were shown the results through charts and diagrams and also explained about the interpretation of results. The participants were given role play to demonstrate Mantoux test on each other. In addition to Mantoux test students were also emphasized on hand hygiene and biomedical waste management. The skill workshop was a great success and each participant enjoyed it a lot.

Number of students participated: 56

Department of Ophthalmology, Santosh Medical College & Hospital (Ghaziabad) participated in National Health Skill Conclave 2021 organized by organizing team of Santosh Deemed to be University on 25th November 2021. Objective of this session was to give hands on training to the MBBS students & interns on Direct Ophthalmoscopy. **Collaboration:**

- The skill Conclave was organized by organizing team of Santosh Deemed to be University consisting of chief patrons by Dr. P. Mahalingam & Dr. Santosh Mahalingam, organizing Chairperson Prof. Dr. Tripta S Bhagat & organizing Secretary Prof. Dr. Shalabh Gupta.
- The skill Conclave was carried out under the guidance of HOD of Ophthalmology Department Dr. Sarita Aggarwal, Dr. Yogesh Arora & Dr. Shikha Pawaiya.
- The event was promoted through the official social network of the University as well as on some of the Social Groups of professionals in the individual capacity of the organizing members and promoters.
- All the faculty members and post graduate of the department & participants who enrolled for this skill took part in the event.

Execution:

Skill Conclave was executed in Hall B of Dental College of Santosh University, Ghaziabad on 25th November 2021 from 4-5 pm.

A short video was played for the participants to make them understand the concept of Direct Ophthalmoscopy.

The Direct ophthalmoscope & its various parts were explained to the participants, how to handle direct ophthalmoscope, different slits & their uses were also explained.

Process of Direct Ophthalmoscopy involves Distant Direct Ophthalmoscopy & Direct Ophthalmoscopy. Both of these were explained as well as demonstrated to the participants.

After that all the 70 participants were divided into 4 groups, 1 volunteer from each group were selected & rest of the participants were asked to perform Direct Ophthalmoscopy & Distant Direct Ophthalmoscopy in that volunteer.

Participants were taught about Distant Direct Ophthalmoscopy & normal anatomy of retina. Hands on training were given on how to appreciate retina, its glow & all its structures as well as what all pathologies they could detect while performing this step & to correlate the retinal pathologies with systemic diseases.

Each of the participants was taught how to approach the optic disc with Direct Ophthalmoscopy & what all points should be noted while doing the process.

Each participant was able to see optic nerve head, fovea & surrounding blood vessel.

Each participant will be receiving e certificates for their participation from the organizing team.

Vote of thanks was delivered to the participants and organizers by Dr Sarita Aggarwal who extended gratitude to the Chairman Sir, VC sir, MS and Dean, organizing team of skill Conclave & faculty, PGs of department.

Tangible Outcomes:

All the participants in the event acquired new skill and were benefitted from the same.

Department of Oral & maxillofacial Surgery

Hand on Skill: "Closed reduction techniques for Mandibular fracture".

Time: 09.00 AM to 10.00PM

Venue - Hall C

NAME OF THE SKILL: Closed Reduction Techniques for Mandibular Fracture

DEPRATMENT: Oral and Maxillofacial Surgery

FACULTY CO-ORDINATORS: Dr. Amit B.Lall, Dr. Mayank Singhal and Dr. Sanjeev Tomar.

DETAILS OF THE SKILL: The skill workshop was conducted in Santosh Dental College on 25th November 2021. It was attended by the undergraduate students. The skills were demonstrated by the faculty members from the department of oral and maxillofacial surgery. The students were provided with models and armamentarium to practice various closed reduction techniques. The programme was well appreciated by the attenders.

Department of Conservative Dentistry

Hand on Skill: "Demonstration and Hands-on Workshop: Access Cavity Preparation on Maxillary and Mandibular Molars along with localization of canals under endodontic microscope".

Time: 11.00 AM to 12.00PM

Venue - Hall C

A skill program on "**Access cavity preparation and localization of canals under microscope in maxillary and mandibular molars**" was conducted by department of Conservative Dentistry & Endodontics under "NATIONAL HEALTH SKILL CONCLAVE 2021" on 25/11/2021 at SANTOSH DENTAL COLLEGE & HOSPITAL.

Total no. of students attended:

Santosh dental college, Ghaziabad	SGT Dental college, Gurgaon
21	05

FACULTY PRESENT:

Dr. Sumita Giri Nishad, Professor &
Head Dr. Chetna Arora, Professor

Dr. Shubhra Malik, Professor

SALIENT FEATURES:

LECTURE - A lecture highlighting the principles of access preparation of maxillary and mandibular molars was delivered by **Dr. Chetna Arora**

DEMONSTRATION & HANDS ON - Demonstration of access opening of maxillary molar with mesiobuccally (MB 2) canal identification and mandibular molar with 2 canals and 4 canals were visualized under microscope by **Dr. Shubhra Malik**. After demonstration every student was provided with maxillary/mandibular molars for HANDS ON activity of the same.

HIGHLIGHTS: Each student has done Access opening of maxillary/mandibular molar and visualized under microscope.

Department of Oral Pathology

Hand on Skill: "Forensic Dentistry: Tooth Tales".

**Time: 12.00 Pm to
1.00PM**
Venue - Hall

Department of Oral Pathology conducted a skill workshop on 25th Nov 2021 in Santosh Dental College and Hospital under National Health Skill Conclave organized by Santosh Deemed to be University.

Name of the skill: Forensic dentistry: Tooth Tales.

Department: Oral Pathology & Microbiology

Faculty coordinators: Dr. Kanika Bhalla Prabhat, Dr. Neeraj Grover

Details: The program was conducted to create awareness about the advances and scope of the Forensic Dentistry amongst the students. Around 60 delegates registered and attended the workshop which included under graduate students, post graduate students and interns. The program was conducted in the Pre-clinical Lab in Santosh Dental College & Hospital from 12-1pm. The events of the program included a brief lecture on Forensic Odontology followed by a demonstration on Chieloscopy and Rugoscopy. The students performed hands-on skill on the study models and did procedures of lip printing and palatal rugae patterns with full zeal. The students enthusiastically and whole heartedly participated as Forensic Odontology is the emerging upcoming stream in the scope of Oral Pathology.

Santosh Dental College and Hospital, Ghaziabad,Event Report

Name of the Skill: "Maintain the Space: Band and Loop Space maintainer"

Department: Department of Pediatric and Preventive Dentistry

Faculty Coordinators: Dr. Nidhi Gupta (Professor and Head) Dr. Rashin gh (Reader)

1.3 Details of the Skill:

The skill conclave was conducted by the department of Pediatric and Preventive Dentistry on the topic, Maintain the Space: Band and Loop Space maintainer on 25th November 2021 at

02.00 pm to 03.00 pm

Venue: Hall C (JOT LAB), Santosh Dental College and Hospital

The conclave started with power-point presentation and lecture on introduction and basics of Space maintainers used in Pediatric Dentistry followed by detailed description of Band and Loop space maintainer, its indication, contraindication and factors to be considered before selecting a space maintainer, case selection, its construction and modifications was described in detail.

The Presentation was followed by a hands-on demonstration of Band and loop space maintainer fabrication. It started with brief description of armamentariums used, its clinical importance's, methods to handle the instrument, fabrication of band on tooth, uses of welding machine, followed by loop formation. A brief demonstration about soldering was also given.

The course was continued the next day i.e., 26th November 2021 from 10.00 am to 12.00 pm in the department of Pediatric and Preventive dentistry for final year students and interns. All attendees were given a chance to fabricate band and loop on an individual level and submission for the same was also made in the department.

1.4 Number of student participated: 13

Interns:

National Health Skill Conclave

Santosh Deemed to be University

Department of Periodontics & Oral Implantology

Name of skill: Incision Designing in Periodontics: Surgical Decision & Incision Precision

Department: Periodontics & Oral Implantology

Time: 3.00PM to 4.00 PM

Venue: Hall C

Faculty Coordinator: Dr. Priyanka Aggarwal

Details of skill:

This Skill conclave focused on making the students aware about different types of incisions in periodontics and to make them practice the same on the models. **Dr. Priyanka Aggarwal (Reader)** highlighted the different types of incisions, their indications and procedure to give the same in her presentation. Following which she gave demonstration to participants on models. Thereafter students were made to practice the incisions on casts.

Dr Shweta Bali- Professor & HOD, Dr. Aruna Nautiyal (senior lecturer), dental hygienist (Mrs Rakhi) and all the Pgs participated in the programme actively.

Number of Participants:31

**NHSC 2021 25th, NOVEMBER DEPARTMENT OF
PROSTHODONTICSTime- 4.00PM to 5.00PM**

Venue Hall C

The department of prosthodontics participated in the National Health Skill Conclave (NHSC), held on 25th November, 2021 at Santosh Deemed to be university, Ghaziabad. Prof.(Dr.) S.V. Singh demonstrated the fabrication of acrylic resin post & core pattern by direct technique on a multirooted endodontically treated tooth. A severely mutilated tooth can be restored to its function and morphology by using the post-core technique significantly in those patients who are not willing for the extraction of the tooth and going for surgical option of implant. The skill development event was attended by the students in their full capacity of enrolled participants with 22 participants. The procedure lasted for little more than one hour. The department faculty Dr. Priyanka Thakural, Dr Mansi Singh & Dr. Sunil Pal contributed to the success of the event and was present at the venue.

The department expresses its gratitude and is thankful to the organizing committee for giving the opportunity and also for the well-arranged program and providing all required facilities.

Department of PATHOLOGY

Hand on Skill: "On Blood Grouping".

Time: 09.00 AM to 10.00AM

Venue - Hall D

Name of the Skill - Hands on Skill on Blood grouping

Department - Pathology Department

Faculty Coordinators - Dr Malay Bajpai, Dr Prem Kumar Garg, Dr Mayurika Tyagi, Dr Abhishek Pathre

Details of Skill - Knowledge about blood and blood grouping is considered essential not only for medical professionals but also for the technical staffs working in clinical laboratories and blood centers. Considering this aim, Dr Prem Kumar Garg, Professor Pathology, explained the importance of blood grouping and enumerated the practical points to keep in mind. Dr Mayurika Tyagi, Associate Professor, Pathology took a lecture as well as demonstrated the various methods of blood grouping. MBBS students, Post Graduates and medical lab technicians participated in this and thoroughly understood the concept of blood grouping by doing it personally using slide method.

Department of Psychiatry

Hand on Skill: "How to get rid of worry habit".

Time: 1.00 Pm to 2.00PM
Venue - Hall D

Name of the skill: How to get rid of Worry Habit
Venue: Hall-D, Santosh Dental College
Organizing Department: Psychiatry

Date: 25th Nov 2021

Duration: 1 hour

Faculty coordinators: Dr. Brijesh Saran, Dr. A. K. Seth, Dr. Rani Srivastava

Details of skill:

On the 25th of November, 2021 at 1:00 pm, a skill to get rid of worry habit was conducted. Many students namely the MBBS students, Paramedical students (BOT, BPT, BOT Interns), MBBS Interns, Junior Resident doctors of psychiatry actively participated.

Various heading of the activity were as follows,
(<https://forms.gle/qsY8ibVaN5gBnKBy5>)

- a. Repetitive Negative Thoughts Checklist
- b. The Emotional Distress Checklist
- c. Components of Worry
- d. Strategies to control Worry
- e. Worry Domain Checklist
- f. Reality based worry vs Imaginative worry

Students were made aware of the facts of worry literature and then exposed to solve them with various exercises made on google form provided online.

Their responses were scored with each exercise and shared to monitor their progress in learning the skill. Throughout the presentation common examples of worry were shared and discussed in detail.

Number of students participated: 14

WORLD PNEUMONIA DAY CELEBRATION
DEPARTMENT OF PAEDIATRICS SANTOSH
HOSPITAL
GHAZIABAD
12 NOVEMBER 2021

VENUE: Department of Paediatrics, First floor, Room-125, Santosh Hospital

TIMING: 2-3 pm

EVENT DETAILS: World Pneumonia Day was celebrated on Friday, 12th Nov 2021

in the Department Of Paediatrics, with great enthusiasm. Pneumonia is the world's biggest infectious killer, claiming the lives of around 2.5 million people and also being a leading cause of death amongst children who are under five years old. Every year, World Pneumonia Day is celebrated on 12 November in order to raise awareness about the deadly disease.

This year, the theme for World Pneumonia Day is 'Stop Pneumonia/ Every Breath Counts'. The theme is targeted at increasing the number of affordable medicines and oxygen cylinders in low-income countries and is calling on governments with heavy burdens of pneumonia and air pollution to commit to reducing air pollution-related pneumonia deaths by 50 percent by 2030 all over the world.

Keeping the spirit of this day, faculty postgraduate residents and interns celebrated World

Pneumonia Day in the presence of respected HOD Dr. K C Aggarwal. The event commenced with a few words on the significance of this day. Patients coming to the OPD were also included in the event and were given information regarding the importance of vaccination against pneumonia and early recognition and timely intervention to prevent mortality due to pneumonia.

The session was then continued with a talk by Dr. Vidisha Singh, Post graduate resident-3 regarding signs and symptoms of the disease for the community.

The event was followed by snacks and refreshments for all.

The aim behind observing this day is to bring people together to understand the problems of climate and air pollution and to help raise awareness through campaigns and also by providing aid against the planet's biggest infection killer.

POSTGRADUATE ACADEMIC SESSION
OBJECTIVE STRUCTURED CLINICAL EXAMINATION (OSCE)

VENUE AND TIMING - PAEDIATRICS DEPARTMENT, SANTOSH HOSPITAL (2-4pm)

TEACHING ACTIVITY- OBJECTIVE STRUCTURED CLINICAL EXAMINATION (OSCE)

TOPIC- PERINATAL TRANSMISSION OF HIV-MOTHER TO CHILD TRANSMISSION (MTCT)

EVENT DETAILS-Pediatrics Department has been regularly conducting Postgraduate teaching sessions with innovative learning practices to stimulate and motivate postgraduates for holistic learning. OSCE is a multidimensional practical examination of clinical skills that acts as a tool for assessing clinical competence.

During COVID era, due to lack of diversity of patients, this practice gives the postgraduates an opportunity to learn and practice clinical skills and counselling with help of virtual case scenarios.

Respected HOD sir, Dr K C Aggarwal conducted the session along with Dr. Veenu Agarwal, Professor and Dr Virendra Yadav, Assistant Professor.

All postgraduate students participated in the session which was started by giving a virtual situation, where students were supposed to guide the mother as they would to a real patient regarding the disease and counselling regarding various aspects of the disease. Interns helped to organise the event and acted as dummy mother with baby. Students were given marks on basis of their performance and feedback was given regarding their shortcomings.

PARTICIPANTS: 1)Dr Vidisha Singh- PG3
2) Dr Anushree Dixit-PG-3
3) Dr Naveen Nelakurthi- PG-2
4) Dr Mannat Verma- PG-2
5) Dr Vishwani Arora- PG-2
6) Dr Sonu Grewal- PG-2
7) Dr Rakesh Shetty- PG-2
8) Dr Anubhav Goel- PG-2
9) Dr Satyanarayan Rao- PG-2

Title Of Training Program -Training in Wax Typodont as Postgraduate Program

Date-

Venue-Dept of Orthodontics, Santosh Dental College

Program Schedule-8am-4pm

Resource Persons/Coordinator: Dr Rajiv Ahluwalia

Dr Deepa Verma

Dr Parvinder Kaur

Brief Description-

15 days program by 3 faculty conducted in the department of orthodontics every year to first year postgraduates as a part of their pre-clinical-exercises that includes typodont exercises of standard edge wise, begg and lingual appliances clinical skill training with wide spectrum of orthodontic problems, both quantitatively and qualitatively with exemplary guidance in learning different fixed mechanotherapy.

PHOTOGRAPHS-

Santosh Dental College and Hospital, Ghaziabad, Delhi NCREvent Report

Under the guidance of our esteemed teachers - **Dr. Nidhi Gupta, Dr. Natasha Gambhir, Dr. Rashi Singh., Dr. Divya Singh,** Children's week was celebrated from

15th Novemberto 22nd November, 2021 by **Department of Pediatric and Preventive Dentistry, Santosh Dental College and Hospital, Ghaziabad.**

More than **500 students** and around **25 teachers** from **schools** and over **100 residents** from **societies** participated in the event with great enthusiasm. B.D.S. and M.D.S. students of Santosh Dental College and Hospital participated and helped in organizing the event making it a successful programme.

Name of the event: Children's week

Department: Department of Pediatric and Preventive Dentistry

Faculty Coordinators: Dr. Nidhi Gupta (Professor and Head)

Dr. Natasha Gambhir
(Professor) Dr. Rashi Singh

(Reader)

Dr. Divya Singh (Senior Lecturer)

Details of the events:

1. Awareness Programme:

- a. A Seminar on **"Role of Pediatricians in Oral Health Care"** was conducted on 03.12.21 to make pediatricians aware about importance of their guidance to parents for oral hygiene maintenance as Primary Health Care Givers. Around **50** doctors and students were part of the lecture. Certificates as a token of appreciation were distributed among students and doctors.
- b. An in house lecture was conducted among BDS students (4th year and interns) explaining them about **"The Role of SDF in Caries Management"**

to make them aware about newer techniques in Preventive dentistry.
Around 15 students participated in the lecture

1. **Quiz among BDS Students and interns:** "Pedoquest" a quiz to test the basic knowledge of students about the subject was conducted among Final Year Students and Interns on 26.11.21. An immense participation was seen by the students in the quiz. Certificates for the same were also distributed to appreciate their participation in the quiz

2. **Theme "slogan" of the year:** Kids love us, Parents trust us .
3. **Short awareness video:** A short awareness video on "Preventive Measures" was made and displayed in the Department and Main OPD area to make patients aware about the Role of Pediatric Dentist. The video includes: In Home caries prevention methods, demonstration of tell show do technique for

2. Any Other Activities:

- a) **“Each one teach one”** an awareness programme as a game was played among kids where one child was taught about the oral hygiene and was assigned a task to educate his friends and family about benefits and ways to maintaining oral hygiene. A great participation was seen.

A demo was also conducted for “Band and Loop space maintainer to teach the students need for space maintenance. Participation certificates were also distributed among students for the same.

Santosh Deemed to be University
Santosh Medical College- Medical Education Unit
Brief Report on Panel Discussion of MEU in National SANCON 2021

The Medical Education Unit of Santosh Medical College conducted a panel discussion on 3rd of December 2021 in National SANCON 2021. The topic for the panel discussion was “Faculty and Student Perception and Potentialities of CBME”.

The panel discussion was moderated by MEU coordinator, Dr. Dakshina Bisht and the faculty panellist included the members of **MEU** and **Curriculum Committee**, Dean Medical -Dr. Alka Agrawal, Dean Academics, Professor & Head Surgery- Dr. Shalabh Gupta, Professor & Head Microbiology- Dr. Ashutosh Rawat and Professor & Head Biochemistry- Dr. Juhi Aggarwal. Students from MBBS Batch 2019-2020 -Javith , Meenakshi and Riya and students from MBBS Batch 2020-21, Sameeksha, Ashish and Khushi were the student participants. The panel discussion included important aspects of CBME and its implementation . The concept of CBME with focus on student learning, knowledge application and assessment were the main foci. The program was interactive and a great success.

The faculty perspective s discussed were:-

- What is the concept of CBME and about its implementation?
- What were the steps taken up to ease the process in the initial phase of the implementation?
- Could you share some of its advantages and shortcomings while preparing for the same?
- Do you think it is or has been necessary to orient the students of MBBS to all aspects of the medical environment in the foundation course?
- If the ECE AETCOM and integration has helped in the implementation of the curriculum?
- Do you think it is desirable to learn integrated concept in the early phase when the students have not been assessed?
- What were perceptions about the foundation course of the learners of the batch?

- What are the assessment modifications and has it been a fair one and benefitted the learner?
- Do you think if it is needed and justified?

-

- What do you think are some of the key outcomes, recommendations and impact of CBME?
- Do you think CBME should also be implemented for the BDS programme as well?

The student's perspective discussed were:-

- Was it a satisfying experience and did it help boost your confidence?
- How are the students coping up with the new curriculum?
- Was the curriculum a challenging task or did it improve the academic performance of students?
- What was the learner's insight and relevance on AETCOM, ECE and integration?
- Do you think online classes implemented the impact of curriculum and did it leave any anxiety or stress?

In the end the MEU Coordinator thanked all the panellists for their inputs and will look deeply into overcoming challenges for the students to come. There must be a positive learning behaviour and interest among faculties towards CBME. Emphasis on feedback and logbook along with pictures for documentary evidence being a must to prepare reports. Students we hope will be aware of their responsibilities as doctors, have a

better doctor patient communication and interaction with faculty, improved skills and a learning outcome leading to a better health care system.

SANTOSH DENTAL COLLEGE & HOSPITAL

DEPARTMENT OF ORAL PATHOLOGY & MICROBIOLOGY

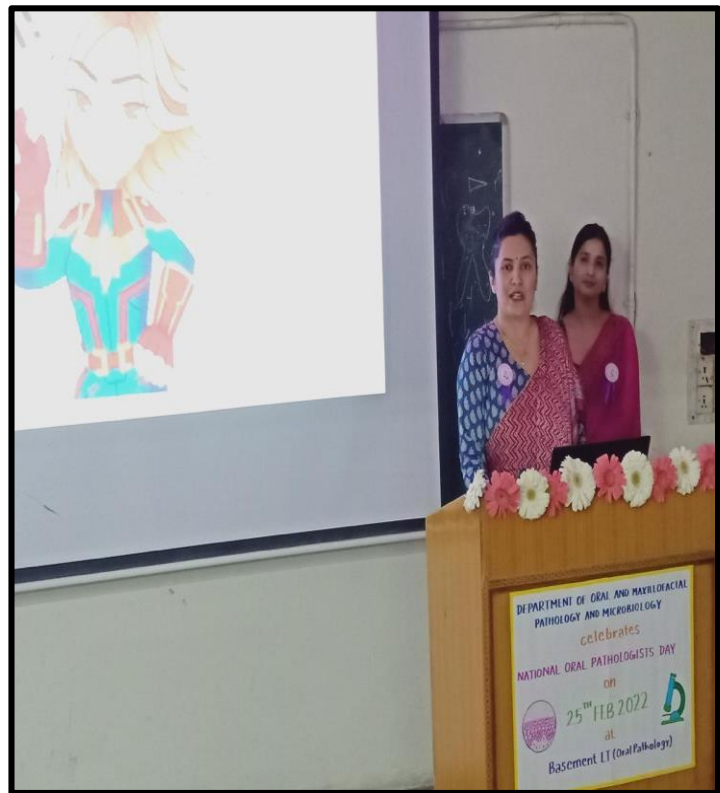

REPORT: NATIONAL ORAL PATHOLOGISTS DAY 2022

Department of Oral Pathology & Microbiology celebrated the 3rd National Oral Pathologists Day on 25th February 2022 in Santosh Dental College and Hospital on the occasion of the birth anniversary of Senior Oral Pathologist Dr. H.M. Dholakia. The program was conducted to create awareness about the scope of this branch amongst the undergraduate students and interns.

More than 200 undergraduates' students, post graduates students, interns and faculty members attended the Inaugural function including the Dean, Vice Dean and various head of the departments. 50 students participated in various scientific and cultural events such as Poster making, Rangoli making and Quiz competition.

It was a day long programme conducted in the Basement LT, Santosh Dental College followed by felicitation of faculty judges and prize distribution for all the events.

Orientation Program

Topic of the program: Orientation regarding Central library and Biochemistry Text books

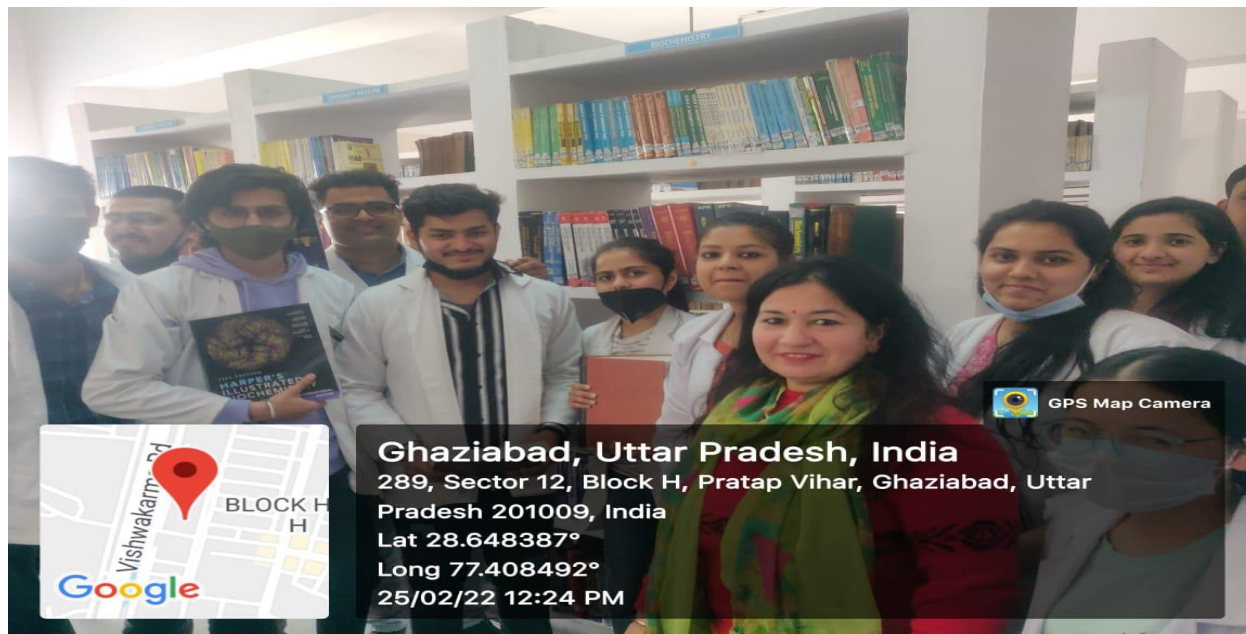

Venue: Department of Biochemistry and Central Library

Date: 25th February, 2021; 11 AM to 1 PM

Faculty and number of participants: Dr. Juhi Aggarwal; First Year MBBS Students

The Orientation session was conducted from 11 AM to 1 PM at Department of Biochemistry and Central Library. The students were given brief introduction to the Textbooks that are to be followed for learning biochemistry by Dr. Juhi Aggarwal, Head of Department, and Biochemistry. During the session, Dr. Juhi Aggarwal introduced to the students the different methods of learning Biochemistry, the importance of using library, the role of concept learning in biochemistry and the mode of exams that are conducted in the University. The session was followed by group visit to Central library. At Central library, students were explained how to take books from library. They were also introduced to the Biochemistry section in Central library. The Chief librarian and the staff of Central Library explained to the students the procedures and rules to be followed at the Central Library. The session concluded with a group photo of the faculties and participants.

Minutes of Meeting

“Workshop on use of Scopus in Quality Research publication and Mendeley Reference Management Tool”

Dr Jyoti Batra Dean Research started the session by welcoming Dr Subra Dutta, Solutions Consultant Elsevier, Gurgaon with Santosh Deemed to be University and introduced the agenda of Virtual meeting to Faculties from Santosh Medical & Hospital and Santosh Dental College.

- Meeting was organized by Dr Jyoti Batra - Dean Research (Central Research Unit, Santosh Deemed to be University) on Virtual mode, Dr Subra discuss the importance of Scopus database and gave a hands on demonstration on how to find good quality journals for publications, how to calculate citation and H- Index, how to find out different collaboration agencies for one's area of research by using Scopus analysis
- She further demonstrated the use of Mendeley Software that is used for reference management and free tool from Elsevier. She emphasized the importance of reference management for guides, PhD & PG students and gave the hands on training on the same
- 167 participants including were benefited by this workshop E-Certificates were distributed who attended the workshop.

Santosh Deemed to be University

Career Counselling - An Initiative by IQAC

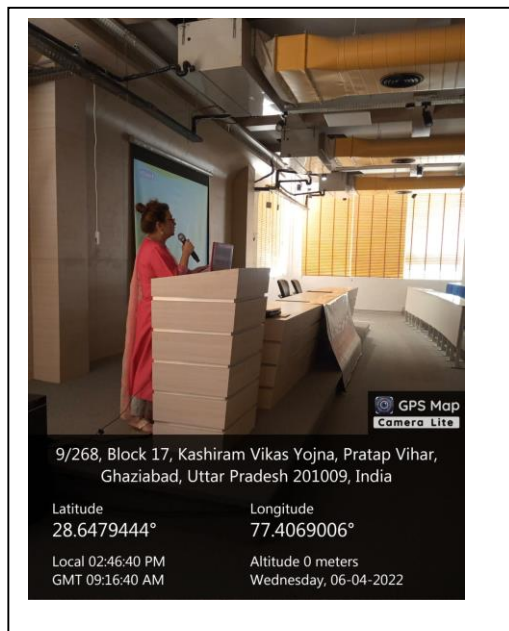

Aspiration for realistic goals through career guidance -
Skills, Strategies & Solutions

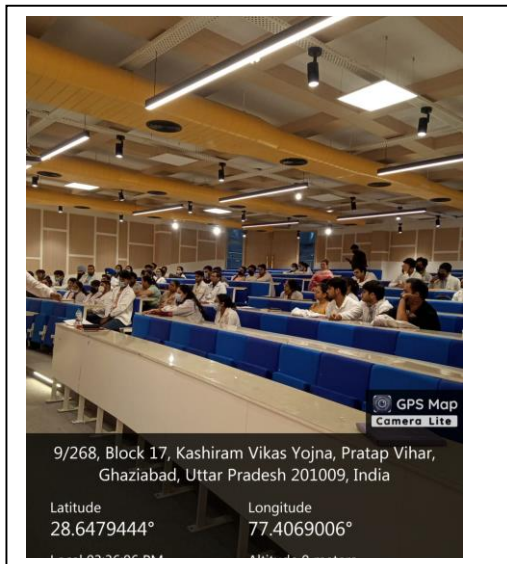

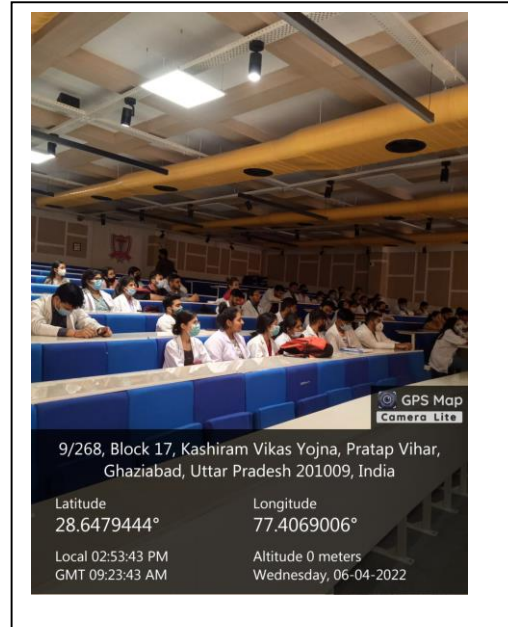

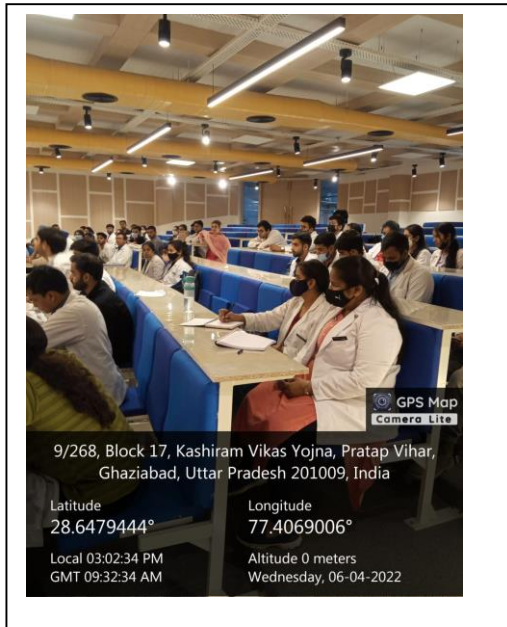

They say all our dreams can come true if we have the courage to pursue them. Santosh Deemed to be University having completed more than 25 impactful years and still counting in its journey has created many memorable days, events and achieved many heights.

Today 6th April 2022 was another memorable day as we had amongst us one of our distinguished Alumni of Santosh Batch 1996-97 Dr. Shobhit Madan (MBBS, MD, MPH US). He is a renowned preventive Cardiologist with Super Specialization in Paediatric and Adult Cardiac Imaging from the University of Pittsburgh, Public Health and Clinical Research Professional based in the US. His passion includes empowering and educating students, professionals and communities about preventive, chronic diseases like Metabolic Syndrome, Cancer and Dementia through an intentional and professionally guided mentorship. He is currently leading a 36 million Dollar, Cardiac Stent clinical trial as Global Clinical Project Manager at IQVIA, USA.

He shared his journey and the aspirations for realistic goals through career guidance – Skills, Strategies & Solutions and his experience and wisdom was a true inspiration and motivation to our students as they were enlightened with career paths they could choose to walk on and work hard to achieve their goals. A large number of students attended his session and the interactive session at the end proved to be helpful. It was indeed an insightful session as he was able to set the ball rolling in the young minds of our students .

Our honourable Vice Chancellor Dr Tripta Bhagat Madam presented a moment as a token of appreciation to honour Dr Shobhit Madan.

Event report

**Awareness session on World Health Day
7th April 2022**

Preface:

Santosh deemed to be University, Ghaziabad organized an awareness session on World Health Day on 7th April 2022. Theme was **'Our planet, our health'**.

Objective of the session was to create awareness about the damage that humans have been doing to the Earth and its impact on our health.

Collaboration:

- The event was organized by the Department of Community Medicine, Santosh Medical College, Ghaziabad in collaboration with CHC, Dasna.

Execution:

- Event was executed at Community Health Centre, Dasna.
 - The post graduate students in the department highlighted the importance of this day and the theme of this year.
 - The interns posted in community medicine department performed a roleplay, explaining people about the health hazards of polluting air, water, soil through activities like throwing plastic, burning waste, overusing fuels etc.
 - Interns and post graduates addressed the audience about various health hazards that can happen due to environmental pollution, and how it is a field of concern.
 - Preventive measures for protecting the environment were also discussed about.
 - More than 50 patients were present in the hospital and many staff members also attended the event.
 - Feedback was collected at the end of the event.
 - Faculty- Dr. Deepika Agrawal
 - PGs- 3-Dr. Abhishek Nath, Dr. Amit Jaiswal, Dr. Priyanka Verma
-
- Interns - 6- Dr. Kriti, Dr. Kush, Dr. Deepak, Dr. Vishwadeepak, Dr. Sadhna, Dr. Kamini
 - Social Workers- Mr. Rajesh, Mr. Naresh and Jaspreet Kaur

WORLD HEALTH DAY

7th of April 10, 2022 was celebrated at our Santosh Medical College and Hospital, GZB ENT DEPARTMENT

Yesterday was the 70th birthday of the World Health Organization. It was also World Health Day - a day meant to remind people that everyone should be able to get good health care.

Our idea for this year is making sure everyone can get the health care they need, even if they don't have much money

The day in the dept was celebrated by the speeches and discussion of our role in betterment of world's health.

Event Report

Poster/slogan writing competition on World Health Day, 7th April 2022

Preface:

Santosh deemed to be university organized an activity on World Health Day 2022, with the theme '**Our planet, our health**'.

M.B.B.S students, interns, MSc. students, and MD students from Community Medicine and Microbiology departments, Santosh Medical College took part in the activity enthusiastically.

Collaboration:

- The event was organized by Dept of Community Medicine in collaboration with Microbiology Department, Santosh Medical College, Ghaziabad, in the demonstration room of Community Medicine itself.

Execution:

- 3rd year students prepared remarkable posters on the theme and presented them to the department that day.
- The winning groups were- **1st prize: Group 8** (Hritik Singh, Irene, Isha Chugh, Janani B., Jayant Chandok). **2nd prize: Group 3** (Anjali, Arushi, Apala, Anjani, Atreyee). **3rd prize: Group 15** and **19** (Gp 15- Sachin Sharma, Sahilpreet Singh Sidhu, Saif, Saimukund) (Gp 19- Surya, Syed, Taran Jyot, Tushar, Umair)
- Judges for the poster competition were- **Dr Gajendra K Gupta (Proff. Community Medicine dept), Dr. Nisha Kaul (HOD Anatomy dept), Dr. Shaktibala Dutta (HOD Pharma dept), Dr. Geeta Gupta (Proff. Micro dept)**
- Slogan writing competition was also organized. Msc. students, M.B.B.S students, interns and Post Graduate students wrote creative slogans.

- Speeches were delivered by 2nd year students about the theme 'our planet, our health' about basic knowledge and awareness regarding environmental issues.
- The programme ended with prize distribution for winning students. Books of Community Medicine, E.N.T. and Ophthalmology were given as prizes.
- Around 200 people were present in the demo room of Community Medicine department, including M.B.B.S students, all interns, and other staff members.

Report

Vertical Integration on Significance of Biomedical Waste Management

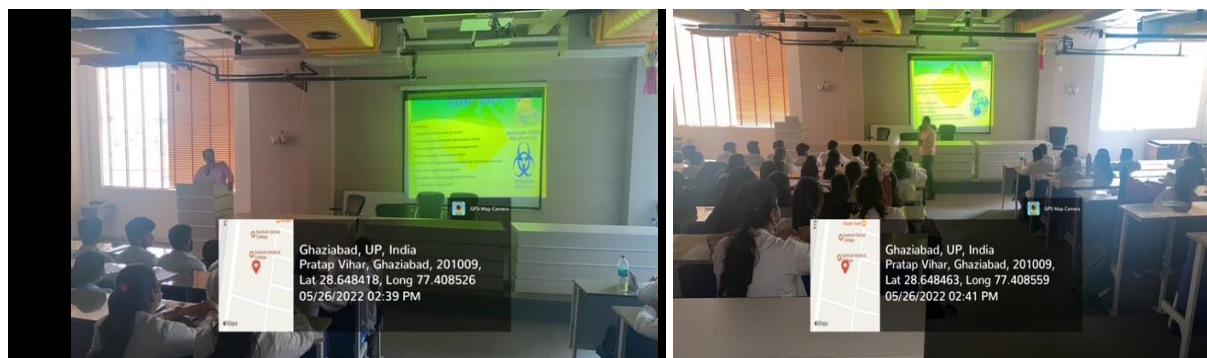

Department: Biochemistry

Faculty Co-coordinator's: Dr. Juhi Aggarwal & Dr. Ashutosh Rawat

The Vertical Integration on Significance of Biomedical Waste Management was conducted by Department of Biochemistry on 26th May, 2022 for 1st year MBBS students, batch 2021-22. The session was conducted by Dr. Juhi Aggarwal, Prof & Head of Department,

Department of Biochemistry and Dr. Ashutosh Rawat , Prof & Head of Department, Department of Microbiology, Santosh Medical College & Hospital. The students were apprised about the fact that safe and sustainable management of biomedical waste (BMW) is social and legal responsibility of all people supporting and financing health-care activities. Effective BMW management (BMWM) is mandatory for healthy humans and cleaner environment. Students were introduced to the different steps in BMW management. The session concluded with a Q&A session to make sure the concepts are clearly understood by the students. Feedbacks were collected from the students at the end of the course and students were mentioned that a lot of research and development need to be in the field of developing environmental friendly medical devices and BMW disposal systems for a greener and cleaner environment. The session concluded with a group photo of the instructors and participants.

Number of Student participation with attendance sheet: 104

Santosh University Journal of Health Sciences | Volume 8 | Issue 1 | July-December 2022

Internal Quality Assurance Cell (IQAC)

Internal Quality Assurance Cell (IQAC) is an Integral part of Santosh Deemed to be University. The prime task of IQAC is to develop consistent improvement in the overall performance of the University and initiate various activities that are essential to improve the quality of education of patient care.

In 2015 the University was accredited by NAAC 'B' grade with CGPA of 2.56 and as part of the post accreditation quality initiative, an Internal Quality Assurance Cell (IQAC) was constituted with Vice-Chancellor as chairperson and 3 external experts with members drawn from academia, administration and students.

IQAC of the Santosh Deemed to be University works in a participative and facilitative manner towards the quality parameters, ensuring academic excellence, quality sustenance and enhancement strategies focusing on academic improvement, curriculum development, graduate outcomes, facilitating collaborative research through industrial collaborations infrastructural improvements and discuss their student issues or requirement.

Academic and Curriculum changes, modifications in policies and pedagogy have been contributed by the IQAC of the University. Few representative examples include curriculum review at regular intervals, increase in assignment based evaluation methodology, curriculum and strengthening of faculty through orientation programmes and feedback systems for students, curriculum, teachers, women empowerment etc.

IQAC collects and collates information of all departments along with administrative activities for the preparation of annual report of the IQAC through AQARS, and subsequently working towards the Self Study Report of NAAC for Cycle - 2 accreditation. IQAC has also facilitated to collect feedback from students on curriculum and generated student satisfaction index, thereby identifying areas requiring improvement, annually.

The Internal Quality Assurance Cell has always functioned as a dynamic cell for all quality initiatives and best practices evolved by taking charge of all types of accreditation. IQAC takes the responsibility of developing a system for conscious and consistent improvement in the overall performance of University. IQAC takes the responsibility for development, application and monitoring of quality bench marks for various academic and administrative activities of their University. IQAC also works towards development and maintenance of Institutional database for the purpose of maintaining and enhancing the Quality of University The IQAC has promoted and established many polices like women Empowerment & elevated outcomes for student satisfaction. Timely Audits & Feedback by IQAC have helped the University in this regard.

Dr. Dakshina Bisht was selected as the IQAC Director & leads the team in its diligent execution of responsibilities

Major Quality Initiatives of IQAC

1. Curriculum Development

- Recommendations for introduction of new Programs.
- Introduction of cross cutting themes into the curriculum.
- Formulation of Program outcomes, Course outcomes and Specific learning outcomes
- Introduction of new Value-added Courses
- Coordinating collection and processing of feedback on curriculum from stakeholders

2. Teaching- Learning

- Development of Clinical Skills Lab
- Introduction of Lecture Capture System
- Inputs for Faculty appraisal practices
- Faculty Development Programs

3. Research Promotion and Extension Outreach

- Inputs for Research Support and Incentive Policy
- Inputs for starting of Annual Research Awards to recognize faculty with research achievements
- Creation of Research Equipment and Facilities.
- Initiation of health care delivery camps.

4. Infrastructure

- Up gradation of buildings of Medical /Dental College
- Expansion of Hospital Infrastructure, Super speciality Developments.
- Creation of a New Playground
- Up gradation of Wi-Fi network
- Integrated Library Management System for the University library.
- Development and acquisition of EBSCO/ KOHA software applications.
- E.R.P

5. Student Support

- Strengthening of employability skills training for UG & PG Students
- Guidance for competitive examinations
- Registering of alumni association
- Creation of an online portal for alumni registration
- Students Council Formation

6. Governance

- Inputs for development /revision regulations, codes and policies for :
- Code of conduction for students, teachers and administrators
- Research Support and Incentive Policy

- Policy on Intellectual Property Rights
- Policy on Prevention of Sexual Harassment
- Developing faculty appraisal mechanisms
- Conduct of Academic and Administrative Audits
- Support for NABH and NABL, ISO accreditation process

7. Institutional Initiatives

- Initiation of Environmental Audit
- Initiation of Energy Audit
- Initiation of Green Audit
- Introduction of electric vehicles in the campus
- Quality Care for COVID Patients
- Support to National Dental Bioethics Unit

Mechanism

The work of the IQAC is the first step towards institutionalization of quality enhancement initiatives. Its success depends on belongingness and participation of all to become the potential vehicle for ushering quality by working out planned interventional strategies.

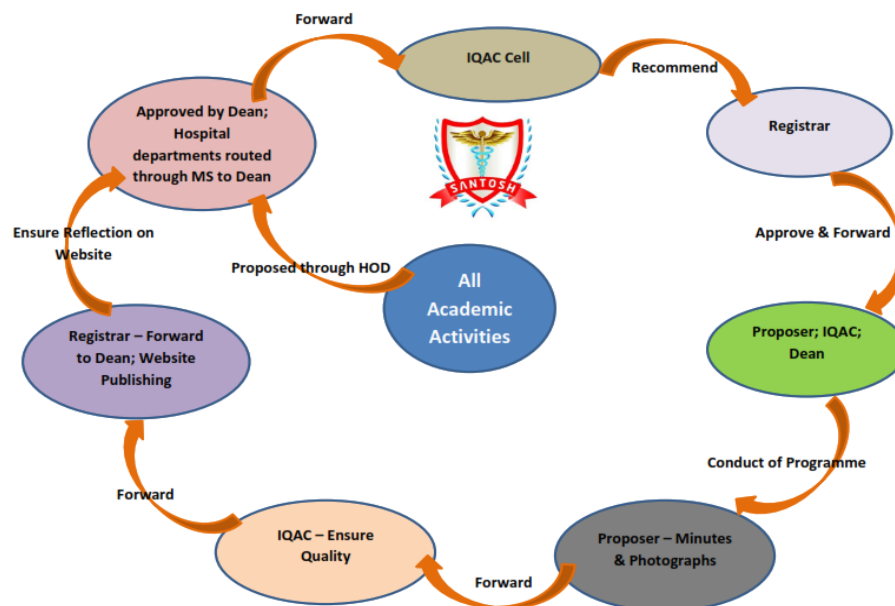

- Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks.
- Relevant and quality academic/ research programmes.
- Equitable access to and affordability of academic programmes for various sections of society.
- Optimization and integration of modern methods of teaching and learning.
- The credibility of assessment and evaluation process.
- Ensuring the adequacy, maintenance and proper allocation of support structure and services.
- Sharing of research findings and networking with other institutions in India and abroad.

Functions

Development and application of quality benchmarks

- Parameters for various academic and administrative activities of the institution.

- Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process.
- Collection and analysis of feedback from all stakeholders on quality-related institutional processes.
- Dissemination of information on various quality parameters to all stakeholders
- Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles
- Documentation of the various programmes/activities leading to quality improvement;
- Periodical conduct of Academic and Administrative Audit and its follow-up
- Preparation and submission of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC.

All the academic activities are proposed by the various Departments of the University and the format for proposal is sent through the Deans of the respective colleges. These programs are reviewed by the IQAC for quality enhancement and further recommended to the registrar of the University for approvals. The various programs are conducted and their report is sent to IQAC and further sent to the website for uploading.

Periodic meetings are held to monitor the progress made towards achievement of higher standards in education by the University. It also provides suggestions for improvement and places it in the meetings for discussions and implementations.
