REPORT

Preface:

Department of Obs & Gynae(Santosh Deemed to be University (Ghaziabad) plans to organize a Week-long Celebration “Women’s Week” on the occasion of International Women’s day from 1/3/2021-8/3/2021.It is planned to hold an interdepartmental CME with Depts. of Paediatrics and Medicine on 2/3/2021.

Objective of the event is to spread awareness regarding various health issues in pregnant women.

Collaboration:

In continuation of International women's week celebration, Department of OBGY observed *Diabetes Day* on 2.3.2021.

In pre-lunch session, patients were counselled with special emphasis on knowledge, screening and complications of Diabetes during pregnancy.

Post lunch, an *Interdepartmental CME* was held on *Diabetes in Pregnancy*, by the Department of OBGY along with Department of Medicine and Paediatrics. The session was graced by MS, Dr Alpana Agrawal, and moderated by Dr Manisha Gupta, Professor OBGY.

The topic was brilliantly covered by speakers Dr Devika, Dr Shivani and Dr Naveen.

The chairpersons Dr Neelima Agarwal, Dr Ashok and Dr KC Agarwal (respective HODs) had a very interactive session with Postgraduate students and faculty.

Total gathering was more than 40 in number.

Execution:

- The event was held in the Santosh Medical College & Hospital.
- 3 renowned speakers from our institution delivered the talks on the topics of Obstetrics, Medicine, and Paediatrics in Diabetes in Pregnancy.
- Around 40 participants were present including postgraduates and Faculty.
- Vote of thanks was delivered to the participants by Dr Manisha Gupta who extended gratitude to the Speakers and the participants who spared their valuable time to attend the CME.

Respected Madam/Sir,

The event report is for your kind information, review, records, and further use in press-releases/promotions/other purposes appropriately.

Regards, Dr Manisha Gupta

Medical/Dental Health Camp

VENUE	: Santosh Hospital, Ghaziabad
DATE	: 14 th June 2021
Students Participated	: 8
No of teachers	: 4
Organized by	: Department of Pathology along with department of Microbiology and Biochemistry

REPORT

Preface:

Every year countries around the world celebrate World Blood Donor Day (WBDD). The event serves to raise awareness of the need for safe blood and blood products and to thank voluntary, unpaid blood donors for their life-saving gifts of blood.

A blood service that gives patients access to safe blood and blood products in sufficient quantity is a key component of an effective health system. The global theme of World Blood Donor Day changes each year in recognition of the selfless individuals who donate their blood for people unknown to them.

Collaboration:

Department of Pathology along with department of Microbiology and Biochemistry organized E-Poster competition and a Guest talk on the occasion of "WORLD BLOOD DONOR DAY" on 14th June 2021 at Santosh Hospital, Ghaziabad.

Execution:

Department of Pathology along with department of Microbiology and Biochemistry organized E-Poster competition on 14th June 2021 at Santosh Hospital, Ghaziabad. The participants were 2nd year MBBS students of Santosh Medical College. It was attended by the esteemed faculty and postgraduate students of all the three Departments respectively. The judges of the event were Dr Prem Kumar Garg, Professor Department of Pathology, Dr Juhi Aggarwal, Professor and Head, Department of Biochemistry and Dr Rinku Garg, Professor and Head Department of Physiology. The second highlight of the day was a Guest talk by Dr Geeta Negi, Professor and Head, Department of Transfusion Medicine, AIIMS, Rishikesh. The event was honoured by our vice chancellor Dr Tripta Bhagat as Chief Guest. The guest of honors

was Dr Alka Aggarwal, Dean, Santosh Medical College, Dr Shalabh Gupta, Dean Academics, Santosh Medical College, Dr Alpana Agrawal, Medical Superintendent, Santosh Hospital. The Chairpersons were Dr Ashok Kumar, Professor and Head, Department of Medicine, Dr Ashutosh Rawat, Professor and Head, Department of Microbiology, Dr Malay Bajpai, Professor and Head, Department of Pathology. Finally, Dr Malay Bajpai, Professor and Head, Pathology Department, delivered the vote of thanks. It was an excellent academic activity, and we hope to have such activities in future to achieve the ultimate goal of patient care.

Tangible Outcomes

To highlight the significance of blood donation and mark the contribution of voluntary blood donors.

Respected Madam/Sir,

The event report is for your kind information, review, records, and further use in press-releases/promotions/other purposes appropriately.

REPORT

Preface:

Santosh Deemed to be University (Ghaziabad) organized an Awareness Session on World Health Day on 07-04-2021. Theme – BUILDING A FAIRER, HEALTHIER WORLD.

Objective of the awareness session is to impart basic knowledge about Mental illness and how the taboo regarding mental health is causing more harm and stigma for the patients in the society

Collaboration:

- The event was organized in collaboration with Community Health Centre, Muradnagar on the World Health Day 2021
- The event was organised by the Department of Community Medicine, Santosh Medical College, Ghaziabad.
- The event was promoted through the official social network of the University as well as on some of the Social Groups of professionals in the individual capacity of the organizing members.

Execution:

- Event was executed at Community Health Centre, Muradnagar. The participation was received in physical mode on the location.
- The Interns posted in the Department of Community Medicine, Santosh Medical College, Ghaziabad prepared a Nukkad Natak on a teenager suffering from psychological distress on a daily basis.
- The common symptoms to recognise mental illness among patients were portrayed in an easy to understand manner. The social stigmatisation of patients and their family members were also laid emphasis on.
- Following superstitious practices and going to quacks were also discouraged instead of seeking proper treatment.
- More than 50 patients were present at the CHC that day and many of their staff members were present at the awareness session.
- Feedback of the event was collected towards the end of the event and the most appreciated part of the event was the interactive session after the nukkad natak where the patients frankly discussed their doubts regarding these issues.
- Total beneficiaries – 60

SANTOSH MEDICAL COLLEGE

Menstruation MATTERS

TO EVERYONE, EVERYWHERE

THE ISSUES:

ALL WOMEN AND GIRLS SHOULD BE ABLE TO MANAGE THEIR MENSTRUATION HYGIENICALLY, SAFELY, IN PRIVACY AND WITH DIGNITY.

34% Only 34% of girls in schools in India have functioning toilets.	17% Only 17% of girls in States have had a place in their schools to change their sanitary materials.	2.5% Only 2.5% of schools have the means to dispose their sanitary materials.	1/3 Only 1/3 of schools have separate bins for disposal.
---	---	---	--

THE GOALS:

AN END TO TABOOS: - Reduce premenstrual symptoms from being daily things making their own choices without being judged, teased, or bullied and menstrual health can be discussed without fear.	INFORMATION: - factual information and education about menstrual hygiene should be provided in schools, via health workers and adults, via the media and at home.	HYGIENE MATERIALS & SAFE DISPOSAL: - Hygienic feminine care products are easily accessible and affordable. Used materials are safely disposed of in an environmentally conscious way.	FACILITIES: - Clean and private toilets with water and soap available at schools, in work places, in institutions and at home.

Awareness Session on World Cancer Day

VENUE	:	Community Health Centre, Dasna, Ghaziabad
DATE	:	04-02-2021
Students Participated	:	2
No of teachers	:	14
ORGANIZED	:	Department of Community Medicine
PATIENTS SCREENED	:	----

REPORT

Preface:

Santosh Deemed to be University (Ghaziabad) organized an Awareness Session on Cancer on World Cancer Day on 04-02-2021. Theme – I am and I will.

Objective of the awareness session was to impart basic knowledge about various common cancers to general public, so that they could recognize the early signs and symptoms of the common cancers.

Collaboration:

- The event was organized under National Programme for Prevention and Control of Cancer, Diabetes, Cardiovascular Diseases and Stroke (NPCDCS) in collaboration with CHC Dasna. The event was organised by the Department of Community Medicine, Santosh Medical College, Ghaziabad.
- The event has been promoted through the official social network of the University as well as on some of the Social Groups of professionals in the individual capacity of the organizing members.

Execution:

- Event was executed at Community Health Centre (CHC), Dasna. The participation was received in physical mode on the location.
- The Interns and postgraduate students of the Department of Community Medicine, Santosh Medical College, Ghaziabad prepared Monologues on Common Cancers of oral cavity, lungs

and gastrointestinal cancer. The most common cancers of women like that of breasts and cervix were also covered.

- The pathophysiology, risk factors, common symptoms of these cancers were explained to the patients and staff of the CHC. The importance of early recognition and prompt treatment in deciding the prognosis of these diseases were laid emphasis on.
- More than 30 patients present at the CHC that day and 20 of their staff members were present at the awareness session.
- Feedback of the event was collected towards the end of the event and the most appreciated part of the event was the interactive session after the awareness session where the patients frankly discussed their doubts regarding these chronic diseases.
- Vote of thanks was delivered to the participants and organizers by the Medical Officer of the CHC, Dr. Bharat Bhushan who extended gratitude to the 'Department of Community Medicine, Santosh Deemed to be University' and special thanks to Dr. Deepika Agrawal, Dr. Gajendra Kumar Gupta, Dr. Anupama Singh.

Respected Madam/Sir,

The event report is for your kind information, review, records, and further use in pressreleases/promotions/other purposes appropriately

Organized by	: Department of Public Health Dentistry

REPORT

We started for camp at 9:30 am from the college and reached Springfield School, Ghaziabad at 9:45 am. The camp was organized by our college and was conducted on .'......We diagnosed around 22 students as it was a Diagnostic Camp so we first distributed Camp Cards to the respected classes for filling of initials by the students themselves or under the guidance of their class teachers. Sterilization was properly maintained during the course of diagnosis. Oral hygiene instructions and proper brushing method, with the help of a model and a tooth brush was demonstrated in the presence of principal and other teachers of the school along with the guardians of the students. We also motivated the students by giving them free toothpaste samples. We were there till 12:30 pm and reached college by 12:45 pm.
