**Event Report**

- **Name of Workshop:** Voluntary Blood Donation Camp
- **Venue:** Blood Centre Santosh Hospital , Santosh Medical college Ghaziabad
- **Date /Month/Year:** 1 October 2022 at 9 AM to 1 PM
- **Organising Unit /Collaborating agency:** Department of Transfusion Medicine & Pathology in collaboration with IMA Ghaziabad.
- **Number of participants-** Faculty/Students with proof: 50
- Expenditure incurred if any:

**Program Details:**

**Preface:** In India, every two seconds, a person requires blood. India needs four crore units of blood every year, but only mere 40 lakh units are available.

**Collaboration:** Blood Centre, Santosh Medical and Dental College Hospitals in association with Indian Medical Association , Ghaziabad on the occasion of National Voluntary Blood Donation day organized a voluntary blood donation camp at Blood Centre Santosh Hospital .

**Execution:** The programme was opened by welcoming the IMA office bearers including president IMA Dr Sandeep Varshney and other dignitaries by Dr Amit Verma HOD transfusion medicine department & Dr Swati Singh associate professor pathology.

Volunteers who wished to donate were first counselled regarding the benefits of blood donation, and others were also motivated who were first hesitant. After the donor screening and counselling and those who were fit to donate blood were sent for donation. The donation was

conducted under all aseptic conditions. Special care was given to the donors as well as the donated blood. After donation, the donors were given some refreshments and snacks in the form of bananas and juice and were asked to relax.

The faculty of Transfusion Medicine and Pathology took outstanding care of the donors pre and post-donation and provided healthy post-donation refreshments. We are genuinely grateful to work with such enthusiastic people. All the donors were happy post-donation and were keen on donating blood again and motivate others too.

The blood bank team of Doctors including Dr Amit Verma and Dr Swati Singh also addressed the common myths that prevent people from coming forward and donate blood regularly and laid out facts regarding blood donation.

The Programme was supported by Dr Alka Aggarwal Dean, Dr Shalabh Gupta Dean Academic, Dr Manish Sabharwal facility Director & Dr Sushil Gaur Medical Superintendent who gave there valuable support to the department and also encouraged the students to participate in the programme. We whole heartedly thank them.

Special thanks to Dr Mayurika Tyagi & the blood bank team of Mr. N Mannikam. Mr. Shashi Bhushan Shukla & Mr Guarav Chauhan.

**Tangible Outcomes:** 18 units of blood were donated by healthy voluntary blood donors which will be utilized for the sick and needy patients of Santosh Hospital.

### Event Report

#### Awareness session on Rashtriya Poshan Mah

##### **Preface:**

Santosh deemed to be University, Ghaziabad organized an awareness session on PoshanMah/Nutrition month on 9. Sept.2022. This year Key focus was on '**Mahila aur Swasthya (Women and Health) and "Bacha aur Shiksha (Child and Education).**

Objective of the session was to teach the importance of healthy and balanced diet and deleterious effects of unhealthy junk food to orphanage children.

##### **Collaboration:**

- The event was organized in collaboration with **Gharonda specialized adoption agency, Ghaziabad, U.P.** It was organized by the **Department of Community Medicine, Santosh Medical College, Ghaziabad.**

##### **Execution:**

- Event was executed at **Gharonda specialized adoption agency, Shastri Nagar, Ghaziabad.**
- The post graduate students and interns in the department highlighted the importance of this event and problem of malnutrition in India.
- The interns posted in the department performed a roleplay, which showed comparison between general health, academic and sports performance of 2 students, in which one ate healthy food and another did not pay attention to dietary habits.
- Children were explained about the role of balanced diet in growth and development, and encouraged to regularly consume pulses, milk, fruits and vegetables as a part of their diet.
- We also created awareness about health hazards of unhealthy outside food and asked the children to minimize its consumption.
- All the children took interest in the activity and were influenced the right way.
- More than 30 children were present in the venue and many staff members also attended the event.
- At the end, we distributed apples and bananas to all the children present there.
- Feedback was collected at the end of the event.

## Event Report

# Awareness Session on National Nutrition Week

### **Preface:**

Santosh Deemed to be University (Ghaziabad) organized an Awareness Session on National Nutrition Week (1-7 Sep 2021) on 03-09-2021.

Objective of the awareness session was to impart knowledge about importance of good nutrition to paediatric TB patients and their families.

### **Collaboration:**

- The event was organized under National Nutrition Week (1-7 Sep 2021) at DOTS Center, Vijay Nagar, Ghaziabad.
- The event was organised by the Department of Community Medicine, Santosh Medical College, Ghaziabad.

### **Execution:**

- Event was executed at DOTS Center, Vijay Nagar, Ghaziabad. The participation was received in physical mode on the location.
- The Interns posted in the Department of Community Medicine, Santosh Medical College, Ghaziabad gave information to the paediatric TB patients and their accompanying family members about the importance of having a healthy diet for successful treatment of TB.
- The benefits of having home cooked, nutritious food rich in protein along with fresh fruits and vegetables was explained in detail to the patients.
- The interns also distributed fresh fruits and healthy snacks to the patients.
- More than 15 patients and their family members were present at the DOTS Center that day.
- Feedback of the event was collected towards the end of the event and the most appreciated part of the event was the interactive session after the awareness session where the parents of the children frankly discussed their doubts regarding what all they should incorporate in the diet on a daily basis.
- Total interns - 9 (Batch 2016-17)
- PGs - Dr. Neha Jetli
- No. of Faculty Participated - 2
- Social workers - Mr. Rajesh, Mr. Naresh

## Event Report

### Awareness Session on World Population Day

#### **Preface:**

Santosh Deemed to be University (Ghaziabad) organized an Awareness Session on World Population Day (11-07-2021) on 13-07-2021.

Objective of the awareness session was to impart knowledge and create awareness about increasing population and family planning methods.

#### **Collaboration:**

- The event was organized in collaboration with Community Health Center, Muradnagar on the World Population Day 2021.
- The event was organized by the Department of Community Medicine, Santosh Medical College, Ghaziabad.
- The event was promoted through the official social network of the University as well as on some of the Social Groups of professionals in the individual capacity of the organizing members.

#### **Execution:**

- Event was executed at Community Health Center, Muradnagar. The participation was received in physical mode on the location.
- The Interns posted in the Department of Community Medicine, Santosh Medical College, Ghaziabad prepared a Nukkad Natak on distress caused to a family having a large number of children on a daily basis due to scarcity of resources.
- The financial struggles of having a large family were portrayed with relation to general population.
- The physical and mental hardship a woman goes through due to multiple and repeated pregnancies were described in detail.
- Various family planning methods and the incentives given by the government for adopting permanent sterilisation methods were also described.
- More than 50 patients were present at the CHC that day and many of their staff members also attended the event.
- Feedback of the event was collected towards the end of the event and the most appreciated part of the event was the interactive session after the nukkad natak where the patients frankly discussed their doubts regarding these issues.
