Background

“All work and no play makes Jack a dull boy”, a popular proverb since 1659, has been reminding the academicians time and again that a person becomes both bored and boring if they do not spare time off from work / learning. But in the present competitive world, it has long been forgotten that academic learning and sports complement each other in the growth and development of any learner. If sports activities are carried out along with the academic curriculum, the overall personality of the student is enhanced. The qualities of leadership, sharing, team spirit and tolerance are learnt from sports. A person who is active in sports becomes strong both physically & mentally to deal with the day to day challenges attached with the medical profession. This synergy was recognized by the MCI very well, hence it has included sports, Yoga, Meditation, Exercise, etc., to be a part of new Competency based M.B.B.S curriculum which has been successfully implemented in our institution for the 2019-20 batch.

Honorable Prime Minister Shree Narendra Modi, launched the Fit India movement in which the higher education institutions are being instructed to include Sports as a part of their curriculum; thereby recognizing the importance of sports activity for achieving academic excellence.

In the year 2018 Santosh Deemed to be University lit the spark for Sports activities for the Medical & Dental students by conducting various events in the Medical College under the able leadership of Dr. V.K Chhoker, Professor & Head Department of Forensic Medicine & Toxicology. Students from this University have also been participating in Inter college / university sports events and have secured various awards. To keep the spirits high amongst the students we are launching the Annual Sports Meet 2019 from October 2019.

Message from the Vice Chancellor:

It gives me immense pleasure to inaugurate the annual Sports Meet 2019. Sports today is an integral part of curriculum and it helps students to learn better in a stress-free environment. It also motivates the pupil to excel in their performance, be it academics or extracurricular activities. True sportsmanship among the students will definitely boost them to build their persona & develop as a better human. I congratulate Dr. V.K. Chhoker and his team for having taken this initiative last year and also continuing it for this year. I also extend my best wishes to all the students to participate actively and at the same time take appropriate safety measures.

Dr. Tripta S Bhagat
Vice Chancellor

Santosh Deemed to be University

Message from the Dean:

At the onset of the annual Sports Meet 2019 in the institution, I congratulate the team organizing the activity and extend the same to the Student volunteers and participants. In the new M.B.B.S curriculum, due importance is given to extra-curricular activities along with competency based medical education. Simultaneously on 29th August 2019, our Honorable Prime Minister Shree Narendra Modi Ji also launched the 'FIT INDIA MOVEMENT' in various educational institutions to promote health and fitness among the students & staff of the respective institutes. University Grants Commission (UGC) too has asked higher educational institutions (HEIs) to motivate staff and students to adopt walking 10,000 steps each day and follow it up in their daily routine". The Sports Meet will surely serve well in sensitizing everyone towards fitness.

Dr. Gajendra Kumar Gupta
Dean
Santosh Medical College

Honorable Prime Minister Shree Narendra Modi Ji launched the 'FIT INDIA MOVEMENT' on 29.08.2019

Sports Meet 2019

Events conducted in the month of October 2019:

The Sports Meet 2019 was formally inaugurated by Dr. Tripta S Bhagat, Vice Chancellor, Santosh Deemed to be University and Dr. Gajendra Kumar Gupta, Dean, Santosh Medical College on 12th October 2019 in the College campus by flagging the 1st event i.e., Race Competition. Events like 100 mts & 200 mts was conducted and a total of 35 students from different courses participated in various events. Whole event took place under the supervision of Dr. Virender Kumar Chhoker, H.O.D, Forensic Medicine & Toxicology Department, who is also the Sports in-charge of the college.

Race Competition being inaugurated by Dr. Tripta S Bhagat, VC, Santosh Deemed to be University and Dr. Gajendra Km Gupta, Dean

Kabaddi Tournament was the 2nd event organized during this Sports Meet, which was held on 19th October 2019 near the basket Ball court in College Premises. It was inaugurated by Dr. Tripta S Bhagat, Vice Chancellor & Dr Gajendra Gupta, Dean, Medical College and under the Guidance of the Sports in-charge. Nine teams had registered to play kabaddi, a game that originated in our India. Not only medical students, but even Dental and Paramedical students enthusiastically took part in this tournament. The whole tournament was full of energy with knockout performances from all the teams. Altogether 8 matches were held including the semi-finals and finals & refreshment was served to the students to rejuvenate them, before calling it a day. All the matches were conducted by two hired referees to maintain transparency & follow game rules accurately.

Race Competition – 12th October 2019.

Race Competition marked the beginning of the sports meet with participation of 35 students in various events. A huge gathering of spectators encouraged the athletes. Faculty from the Medical College, Dr. Deepika Agrawal, Dr. Pradeep Kumar Sharma, Dr. Yogesh Yadav, Dr. A. Revanth Kumar and Mr. Rajesh Kumar (MSW), were also present at the event who contributed in running the race events smoothly.

The Race events were as follows:

100 Meters for Girls

Participants & Winners:

1. Ms. Kanika Mittal, Medical (18-19)
2. Ms. Priyanka Singh, Medical (18-19)

Paper /Poster/Model competition

Department of Physiology-21.11.2019

Department of Physiology organized a Paper /Poster/Model competition for undergraduates students of Santosh Medical College and Santosh Dental College Ghaziabad November 2019 All the students were promoted to take part in the competition. Other than MBBS-I and BDS-I some students from MBBS II also took part in the competition. Since this competition was apart of a CME Programme Guests from other Colleges were invited as Judges for the said competition. It is a matter of great pride that 2 of our ex Santoshians(Alumni MD physiology)were invited as judge Dr.Anshu Tandon (Associate Prof in LLRM Medical College, Meerut)and Dr.Anju Goel(Assistant Prof in Rama Medical College, Hapur) were both our ex PG students. Every team had 10 students each. Students prepared working models or display models to explain the various physiological mechanisms. Our students performed brilliantly in the viva session by the external judges and received compliments. Top five teams were given cash prizes, books, trophies, and certificates.

Evenings decorated with leaves so peary . With the pleasant warmth October did crawl . Waiting so long , entered november wrapped in snow . So came the days of leavages . It seems winter came after ages . It was here for the warmest sweaters . Some woollen and other with feathers . Hidden in the closet was my wooden box of magic . Even the aconthus carving on it made me nostalgic . I long back to the days of December . It feels like its the only winter that I remember . Wearing the air of warmth . I searched in my pocket . I there was an unsent letter . sticker stuck on the inside of my jacket . I still remember that night ,so dreamy . Secret was never so flawless and creamy . As our woollen and that magic love . I never experienced such love , so insanity sane . You were like a puzzle in me . Which I never failed to solve . But she she want so busy . As it had my sentiments involved . I never knew how you feel about me . Until that night when I decided to let my feelings free . I tried a few times but was unable to utter a word I felt . So I wrote a letter and let my feelings on rent . My heart provided me I received the ink laden paper . I authored all my strength . But thought made later . The letter never came and a man someone else . It was you and her . That's what destiny tells . I could have gathered enough strength that day . Thaty would have been much easy . I could have shown the way I wanted to . My thoughts would not be so busy . But as I burn this letter today . I can feeling she could free . Cause it's long gone . And its time to come back to me .</p>
