6.5.1 Institution has a streamlined Internal Quality Assurance Mechanism

IQAC aims to develop a structured system to improve academic and administrative performance of the University.

Structure

Mechanism

The work of the IQAC is the first step towards institutionalization of quality enhancement initiatives. Its success depends on belongingness and participation of all to become the potential vehicle for ushering quality by working out planned interventional strategies.

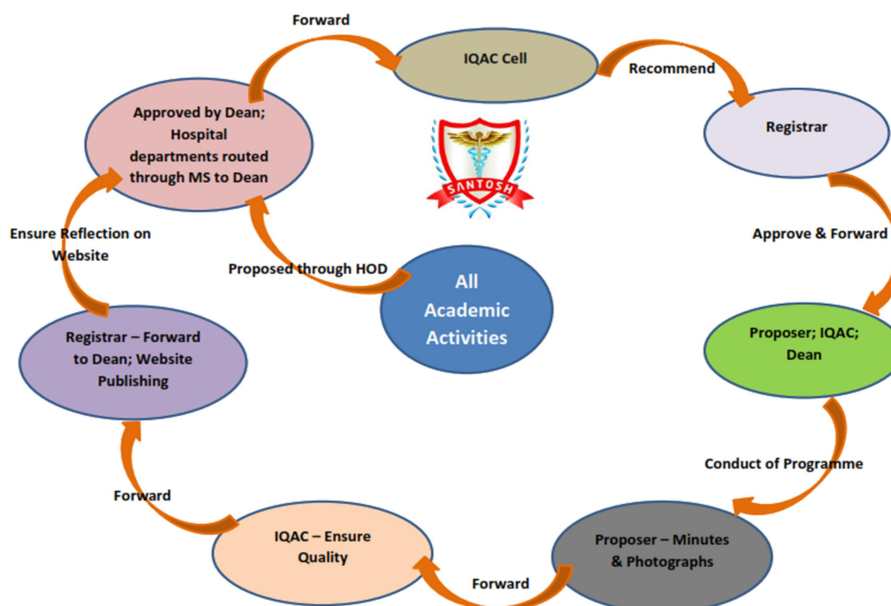

- Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks.
- Relevant and quality academic/ research programmes.
- Equitable access to and affordability of academic programmes for various sections of society.
- Optimization and integration of modern methods of teaching and learning.
- The credibility of assessment and evaluation process.

- Ensuring the adequacy, maintenance and proper allocation of support structure and services.
- Sharing of research findings and networking with other institutions in India and abroad.

Functions

Development and application of quality benchmarks

- Parameters for various academic and administrative activities of the institution.
- Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process.
- Collection and analysis of feedback from all stakeholders on quality-related institutional processes.
- Dissemination of information on various quality parameters to all stakeholders
- Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles
- Documentation of the various programmes/activities leading to quality improvement;
- Periodical conduct of Academic and Administrative Audit and its follow-up
- Preparation and submission of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC.

All the academic activities are proposed by the various Departments of the University and the format for proposal is sent through the Deans of the respective colleges. These programs are reviewed by the IQAC for quality enhancement and further recommended to the registrar of the University for approvals. The various programs are conducted and their report is sent to IQAC and further sent to the website for uploading.

Periodic meetings are held to monitor the progress made towards achievement of higher standards in education by the University. It also provides suggestions for improvement and places it in the meetings for discussions and implementations.
