## **From the Desk of Vice Chancellor**

**Dr. Yogesh Tripathi**  
**Santosh Deemed to be University**  
**Ghaziabad NCR Delhi**

Santosh Deemed to be University is a premier health university in India that offers a range of courses in health sciences, including MBBS, BDS, MS, MD, MDS, PhD, and MSc. The university has a rich history of academic excellence and has been providing quality education to its students for over a decade. In this annual report, we will take a closer look at the university's accomplishments over the past year.

### **Academic Excellence:**

Santosh Deemed to be University is committed to providing its students with a rigorous and comprehensive education in health sciences. The university has a highly qualified faculty that is dedicated to delivering the best possible education to its students. The faculty is composed of experienced doctors, researchers, and educators who work tirelessly to ensure that the university's academic programs are of the highest quality.

In the past year, the university has made significant changes to its BDS and MDS curriculums. These changes were made to ensure that the curriculums are up-to-date and that the students are learning the most relevant and important information. The university has also introduced new courses in health sciences to provide its students with a wider range of educational opportunities.

### **Infrastructure:**

The university has a state-of-the-art hospital that is fully equipped with all the necessary facilities. The hospital has ten departments and 640 beds, making it one of the largest hospitals in the region. The triage has six beds, and the ICU and emergency departments have 20 beds each. The hospital is fully equipped to handle all types of emergencies and trauma cases.

### **Extracurricular Activities:**

In addition to its academic programs, the university also places a great deal of emphasis on extracurricular activities. The university regularly hosts a range of activities, including sports, cultural events, and community service projects. These

activities provide students with opportunities to develop their skills and interests outside of the classroom.

In conclusion, Santosh Deemed to be University has had an excellent year. The university has continued to provide its students with a high-quality education in health sciences and has made significant changes to its curriculums to ensure that they are up-to-date and relevant. The university's hospital is fully equipped to handle all types of emergencies and trauma cases, making it a valuable resource for the local community. The university's commitment to extracurricular activities has also provided its students with valuable opportunities to develop their skills and interests. Overall, Santosh Deemed to be University is a premier institution that is dedicated to providing its students with the best possible education and opportunities.

With Best Wishes

Dr Yogesh Tripathi.

## **Republic Day Celebration-26.01.2018**

Like every year, on 26 January 1950 the constitution of India came into force and our country, India became a republic. The program started with flag hosting ceremony. After that, a short parade was organized by the students. The Leadership Team hosted the national flag. This was followed by some speeches on patriotism and singing the national anthem. Many students also did different types of programs. On that day the campus of our college/school was decorated by the students with charts, models, slogans, and poems. Pictures that depict the development of India from independence. All the students were dressed in traditional costumes representing different parts of India. In the end, the program was concluded by distributing sweet boxes to all the students.

## Teacher's Day- 05.09.2017

On the teacher's day, an activity was planned for all the teachers and was honored.

Teaching is the most respected profession across the world. India has a long-standing tradition of Guru - Shishya relationship when the guru is considered more than even one's parents. They inspire, guide, mentor, encourage, seems a role model, and are akin to parents outside home. We as students should thank our teachers every day because I feel, celebrating 1 day is not doing justice to what teachers do for us selflessly. They take pride in their accomplishments and always encourage their students to be better versions of themselves. On this day and every day, we thank all our teachers for empowering us and hence empowering the society as a whole.
