

**Action Taken report
of
Feedback from Stakeholders of the University
(2021-22)**

| STAKEHOLDERS | SUGGESTIONS | RECOMMENDATIONS |
|---------------------|--|--|
| STUDENTS | <ul style="list-style-type: none">• Access to variety of study material through e content. | <ul style="list-style-type: none">• More e content was being created by the faculty on relevant topics in the Media Lab and the e content was documented. LCS helped to capture lectures for e-learning. |
| STUDENTS | <ul style="list-style-type: none">• Students to be given more opportunities to create awareness on health issues while on Medical/ Dental Camps. | <ul style="list-style-type: none">• Students are being better prepared for Awareness Health camps and also be encouraged to be prepared for disaster management. |
| ALUMNI | <ul style="list-style-type: none">• Research topics to be included that brings about more meaningful benefit to the patients | <ul style="list-style-type: none">• More orientation is being generated for Translational Research by number of workshops conducted encouraging faculty and students. Motivation done to apply for research grants. |
| TEACHERS | <ul style="list-style-type: none">• Students to be trained for Learning by Searching. | <ul style="list-style-type: none">• Students formed groups and are assigned topics for Self - Directed Learning supervised by created facilitators. This helped them to become independent learners and gain confidence. |
