colleagues in various medical institutions to foster understanding and learning about viral hepatitis and associated diseases.

PURPOSE

This project is based on mutual sharing of knowledge and experiences in treating viral hepatitis patients. The above goals will be accomplished by undertaking the following activities:

- ILBS Team will undertake several trainings for doctors, nurses and laboratory technicians during the period of MoU for participants from the **second party** on viral hepatitis related topics and frontier areas.
- Participants from **second party** will attend classes in each training.
- Live presentations and videos of the sessions will be shared via project website. Copyright of educational material shared during the tenure shall be property of ILBS. The same cannot be used without prior approval of ILBS.
- At the end of the course, ILBS team will provide certificate to the participants on the basis of their performance evaluation in pre- & post-test.

REPORTING

Both the parties to this MoU shall be responsible for the effective implementation of the project and its success.

The Second Party, through its representative of Head of the Department of Medicine [Dr. Ashok Kumar], Santosh Medical College and Hospital, Ghaziabad, Delhi NCR will be the coordinating partner for implementation.

FUNDING

Project PRAKASH is a free of cost learning program. No party shall charge any fees from the participants, whatsoever.

DURATION

The duration of this MoU shall be initially for a period of 09 months. This MOU is at-will and may be modified by mutual consent from the authorized officials from ILBS, New Delhi and **Santosh Deemed to be University**. This MOU shall become effective upon signature by the authorized officials from both the participants to this MoU and will remain in effect until modified or terminated by any one of the parties by mutual consent. However, the same can be extended basis mutual consent.
