"E-content development and delivery"

MEDICAL EDUCATION UNIT

A session on "E-content development and delivery" was arranged by the Medical Education Unit for the benefit of faculty members of Santosh Hospital, in view of the need for developing and delivering e-content, on 03.02.2022 , Thursday at 3:00 pm.

The Speaker for the session was Dr. Dakshina Bisht, MEU Co-ordinator. The session aimed at increased use of ICT and to reduce the digital divide amongst the faculty. It was discussed that e content once developed for a topic is a reliable, reusable content in a format that is convenient to the student.

Various points like avoiding green attire while recording the e content, were discussed. It was also emphasised that a unit of a subject should be divided properly so that the student can understand the subject clearly.

Faculty was encouraged to use the platform and enable smooth conduction of classes.

The session was attended by 27 faculty members of the Santosh Hospital.

The Session was conducted with support of the IT- team that enabled smooth conduction of the session.

Brief Report on Learning Management Experiential System Workshop
in Medical Education Technology

The Medical Education Unit of Santosh Medical College organised a workshop on Learning Management Experiential System in Medical Education Technology on 11th January 2022 at 3.00 PM.

The program was conducted in sync with Internal Quality Assurance Cell of the University

Faculty from Medical and Dental College across all streams of Santosh Deemed to be University were invited to participate in the workshop.

The focus of the academic program began by Dr. Dakshina Bisht, MEU Coordinator, welcoming all and highlighting the need of CBME which has the ability to do something successfully and efficiently and is an approach to ensure that all the graduates develop these competencies required fulfil the patients need in the society.

Mr. Ankit shared a learning management experiential System which has been designed for Medical Colleges teaching MBBS as per CBME guidelines. He also shared the digital for Dental as per DCI.

30 faculty attended the workshop and it was an interactive session. It was suggested that more such workshops should be done for all the faculty of the Departments so that they can work to achieve the goals and best outcomes for both faculty and students.

Brief Report on "Orientation of SWAYAM"

Department of Medical Education, Santosh Deemed to Be University organized a Program on "Orientation of SWAYAM" for faculty of Santosh Medical College and Santosh Dental College on February 22nd 2021 in Conference Hall, Santosh Medical College. Dr Yogesh Yadav, Professor Anatomy also SWAYAM Coordinator, gave detail information about how to start an online courses on Swayam portal (Study Web of Active-Learning for Young Aspiring Minds) run by Human Resource Development Ministry, Govt. of India.

The orientation was attended by 15 faculty members who were oriented through the platform of "SWAYAM" that facilitates hosting of all the courses that can be accessed by anyone, anywhere at any time. All the courses are interactive and ensure best quality content which is produced and delivered. All the faculty took great interest in initiating and planning of courses on SWAYAM. It was highlighted that there are no available courses in the medical stream on portal yet and hence opportunity should be taken to utilize and promote our value added courses to the world.

Participants shared their queries about the procedures required to start such courses which were well answered by MEU Faculty and it was planned to work towards its implementation.
