WHO WE ARE

Joint Medical Holdings (JMH)

JMH is a forward-thinking healthcare organization dedicated to offering cutting-edge medical care to every patient. We prioritize the dignity of each individual, including their right to life, and strive to provide high-quality healthcare with efficiency and kindness. With so many healthcare options available, it can be challenging to find a trustworthy and affordable private healthcare group. However, at JMH, we offer professional services that are accessible, reliable, and cost-effective.

Our team of professionals is committed to delivering exceptional care to each patient and client, regardless of their medical needs. Our goal is to be a leading healthcare organization that patients and clients can rely on for all their medical needs.

OVERVIEW

About JMHI

OVERVIEW

About JMHI

JMHI is a forward-thinking healthcare organization dedicated to offering cutting-edge medical care to every patient. **We prioritize the dignity of each individual, including their right to life, and strive to provide high-quality healthcare with efficiency and kindness.**

With so many healthcare options available, it can be challenging to find a trustworthy and affordable private healthcare group. However, at JMHI, we offer professional services that are accessible, reliable, and cost-effective. Our team of professionals is committed to delivering exceptional care to each patient and client, regardless of their medical needs.

Overall, JMHI is dedicated to providing the best possible care to all patients, with a focus on respect, quality, and efficiency. Our goal is to be a leading healthcare organization that patients and clients can rely on for all their medical needs.

I will rewrite

JMHI promises safe and superior patient care.

-  **YOU FIRST**
Tailored care aligned with your unique circumstances, needs, and preferences
-  **BEST STEP FORWARD**
At JMHI, we prioritize optimal clinical care and appropriate treatment options.
-  **SAFETY SEAL**
Committed to providing error-free care to protect your loved ones & ensure your safety.

g

JMH (Joint Medical Holdings) was founded with a mission to provide cutting-edge and affordable healthcare, emphasizing technology and research.

Over the years we have evolved but our core values remains same.

Clinical Excellence

We are committed to exemplary action and behavior to achieve the best outcomes in everything we do.

Ethical & Compensate

We uphold high ethical standards by prioritizing the patient's interests irrespective of anything and doing what is right.

Compassion & service

We foster a culture of commitment to best caring for patients and caregivers beyond expectations to delight you.

Teamwork & Innovation

We promote teamwork and creativity, welcoming change to encourage innovation and achieve our goals more efficiently.

We have built an institution that matches high standards of healthcare delivery across the world, where care is provided to patients at an affordable cost. Medanta always strives to not only offer advance technical facilities, but also combine modern medicine with traditional Indian medicine and make treatments better than what they are right now.

OUR HOSPITAL
Ascot Park Hospital

OUR HOSPITAL
Ascot Park Hospital

Ascot Park Hospital is a part of the Joint Medical Holdings Group, provides a range of comprehensive healthcare services to patients. The hospital has an 87 bed capacity, two operation theatres and offers affordable healthcare services, accepting medical aids and competitive private cash rates. It specialises in General Surgery, Oncology, Internal Medicine, Urology, ENT, Gynaecology, and Ophthalmology.

The Hospital also has highly developed allied services like Physiotherapy, Dietetics, and Neurophysiology. Its team of healthcare professionals includes skilled and experienced physicians who provide top notch care to patients.

The Ascot Breast Clinic, located within the hospital, provides specialized breast care services to patients. The clinic offers breast cancer screening, diagnostic mammography, breast ultrasound, and breast biopsy. The clinic's team of healthcare professionals includes breast surgeons, radiologists, and breast care nurses, who work together to provide comprehensive care to patients. The clinic also provides surgical management of breast conditions, including breast conservation surgery and mastectomy.

The Ascot GP Practice and Allergy Clinic offer care to patients of all ages with various medical conditions, including chronic diseases such as diabetes and hypertension. The clinic also provides allergy testing and treatment for patients suffering from allergies. Patient safety and comfort are a top priority at Ascot Park Hospital, and the hospital has modern facilities and equipment that meet international standards. It has private and comfortable rooms for patients, and a friendly and helpful staff who strive to make patients stay as comfortable as possible.

Ascot Park Hospital is a leading medical facility that provides specialized medical services and comprehensive healthcare solutions to patients of all ages. Its commitment to providing affordable healthcare services, highly developed allied services, team of skilled healthcare professionals, and focus on patient safety and comfort make it an excellent choice for patients seeking quality medical care.
